ning pitcher and Collins was the loser.

That same night the Eagles beat the Lions by the score of 4-1. J. R. Halseman led the way for the winners with a double and a triple.

Tuesday night found the Tigers slapping Spurgeon's 11-0 rates by the score of 10-7. Middell was the winning pitcher for the Tigers while

teammate Spears got two of the nine hits for the winners.

Mickey Lilley relieved and took the win for the Red Sox as they ripped the Yankees 14-4. Toodie Dennis highlighted the action with a three run shot in the twelve run fourth inning. The Yankees only managed one hit.

In a tight game Thursday night the Eagles edged the

Tigers 6-5. Once again Halseman led the way with two hits on the night, Spears had two hits for the losers.

Once again Mickey Lilley relieved for the Red Sox as they squeezed by the Astros 6-5. Dennis jacked another one out for his second of the year. Mickey Lilley helped his brother with two timely hits. The Astros only managed one

A grand slam homerun by Gary Cowart plus some excellent pitching led the Colman team past Warren 10-4. Cowart's homer was the highlight of the 13 run second inning. Clint Hutton absorbed the loss.

The Indians kept their first place hopes alive by trouncing the Yankees 10-3. The winners pounded Yankee pitching

for 12 hits with Randy Robinson getting four of them. Jeffrey Williams had three and Noble Williams had two. Hodge was the winning pitcher also. Be sure to turn out and watch the Little League games. There have been some good crowds and you have an invitation to be there. First game starts at 6:30.

The Enders burned hot as track took the spotlight. This year members of the Warren, Woodville and Chester teams went on to competition with the best showing coming from track star Wayne White of Warren in the hurdles. Chester sent six representatives to the state meet. Among them Cyrus Martin displayed skills in the hurdle events and Raymond Hannon was the leg of the mile relay team of Wayne Berry, Al Bryant and Kent Barnes. Vernon Gallant was the top point runner in the Woodville trials. Jimmy Dentel was one that ran on the enders along with shuttlers Lyndell Brooks and Gary Simmons.

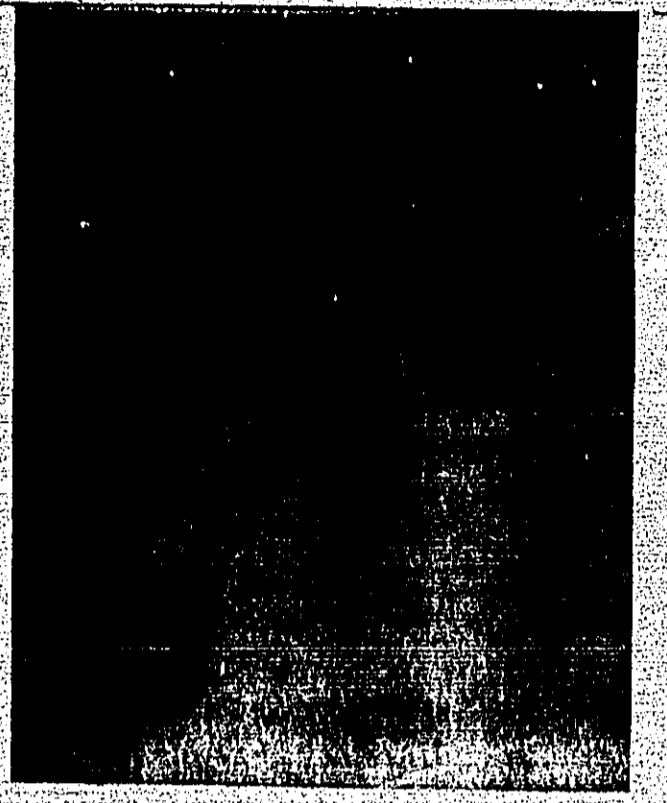

Paul Smith was the state state runner in the state meet. And then baseball. Jimmy King topped the high school career by leading the Woodville Eagles in hitting. He will be missed next year but singer Gary Simmons will brighten the pitcher's spot. Another fine baseball player ended his high school days. Dave Pittman led his team in hitting while Collinsville's season wasn't too spectacular. But they return five starters next season.

The Little League year is gone. And there won't be the King's, the Bradleys, the Whites, the Pittmans, the Rawls and the rest of the seniors. But just as Father Time will bring another school year next fall, there will be those who will step in for these seniors. There will be winners and there will be losers. It happens like that. And there is always next year.

plains, "I'm the 'Ma' who took care of the boys and I'm a little old timer there who remember how we worked many years, but got little encouragement. I reported seeing the ivory-bill woodpecker 20 years ago, and that also was unproved, the new certified. With my thoughts full of these things, I was so thrilled to see Campbell and Lynn Longmiller drive in two days ago. World travelers, naturalists, plant scientists, authors, boy scout leaders, and on and on. They are wonderful. On the way home South America and other foreign parts, they went far out of their way to drop by for a visit and cup of sweet tea at Dogwood Den. Well, it certainly did me more good than a long walk in the woods. Come to our Big Thicket all day picnic June 3, it will fill another page in your memory book.
