A CRY FROM THE WILDERNESS

This is a cry for help. The big boys in Washington are making plans to take away the old family homesteads of Big Thicket citizens. They want to close off the Big Thicket so only the big city bird watchers can get in. They want to turn the Thicket into a "national" park that will benefit the high-falutin' college professors...

Those of us who live in the Thicket will be victimized by this ridiculous plan. And all the people of East Texas will lose out. Uncle Sam is going to lock the public out of the Thicket and throw away the key!

You can help by joining with us! And writing your men in Congress. CONGRESSMAN JACK BROOKS IS SCHEDULED TO SPEAK TO THE BIG THICKET ASSOCIATION IN SARATOGA AT 2:00 P.M. ON SATURDAY, JUNE 3rd, AT THE BIG THICKET MUSEUM. BRING YOUR FAMILY AND NEIGHBORS SO WE CAN ALL LET CONGRESSMAN BROOKS KNOW THOSE OF US WHO ARE TRULY AFFECTED FEEL ABOUT A BIG THICKET NATIONAL PARK. WRITE YOUR CONGRESSMAN NOW!

There's going to be a Congressional subcommittee meeting in Beaumont on June 10. Get in touch with us and give us your support. Write your Congressman now. Can we count on your help? Together we can fight this thing and maybe, for once, the little guy can win.

Form with fields for Name, Address, City, Zip, and a list of names to write to: Senator John Tower, Senator Lloyd Bentson, Congressman John Dowdy, Jack Brooks, Wright Patman, Jake Pickle, Bob Eckhardt, or Earle Cabell.

Form titled 'CITIZENS FOR SAVING YOUR HOMES AND LAND' with fields for Name, Address, City, Zip, and a list of names to write to: Dick Watkins, Chairman, Rt. 2, Box 77, Kountze, Texas 77625.

TO THE VOTERS OF TYLER COUNTY

You are faced with an important decision this Saturday in the general election for Sheriff of this County.

The issue is: Do you want to trade away a well-proven, experienced Sheriff, with a competent staff for something untried, unproven and inexperienced?

Unless an elected official is involved in constant spotlights with attendant publicity, we citizens tend to overlook their effectiveness, but the best law enforcement is performed very quietly, very efficiently and with a minimum of fanfare. That has been my observation and experience with Sheriff Grady Ray and his deputies.

We are often sometimes too quick to blame, judge, and criticize our Sheriff for something over which he has no control. There are some of the Supreme Court decisions that have far outweighed and nullified the law enforcement officers in the performance of their duties, but Sheriff Grady, operating within the guidelines of our Penal Code and the Supreme Court decisions continues to do his job.

We live in a good, clean and basically a law-abiding community. We have an experienced, honest and dedicated Sheriff.

Let's keep Grady Ray. Support him and vote for him!

Yours very truly,
JAMES A. CLARK
