### NEWS for OUTDOORSMEN

#### WARNING TO HUNTERS

Texas has a law on its books which makes it a felony to carry a prohibited weapon such as a firearm of any type or a knife with a blade of more than three and a half inches in length into any place where children are present. This law also provides that all licensed premises must display a sign warning all patrons of the existence of the statute.

Part of the law is being called to the law enforcement agencies to become better acquainted with the law.

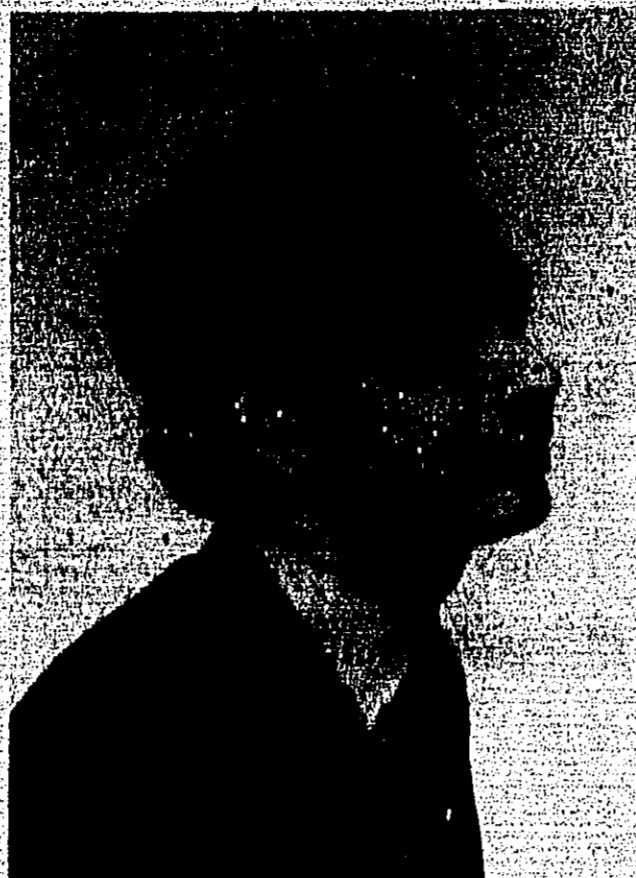

It is also recommended that all hunters who are carrying a rifle or shotgun in a car, truck, or other vehicle should have the vehicle checked for the presence of children before entering the vehicle. This is especially true if the vehicle is being used for hunting purposes.

And treat the deer, quail, quail, or other birds with the same respect as the wildland animal, but a hunter is not.

### From The Sports Desk

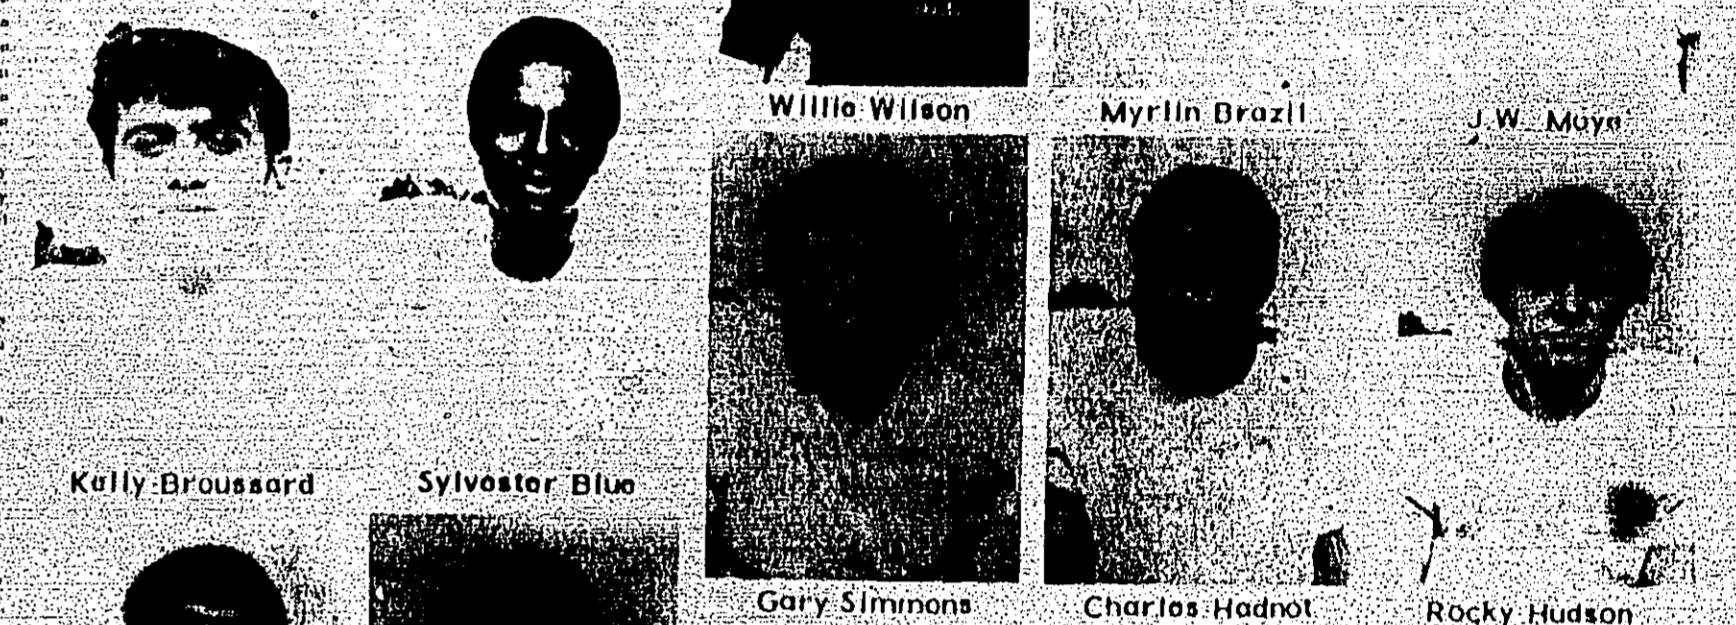

The sports staff of the Tyler County Herald hopes you will enjoy this edition looking off football the 1972. This is the fourth season of reporting football for this area and we hope to be an exciting year from start to finish.

My guest is the Woodville football team coach, who has been placed in a league that is more difficult than the one they play. At least that is what the coaches of the other teams have said. Woodville has a good team and they are looking forward to a successful season.

### EAGLES OPEN WITH WARREN SEPT. 15

The young corps of Eagles from Woodville should be a challenge in their first year of varsity football. The team is led by Coach Willie Wilson, who has a wealth of experience and a proven track record.

At the light end are three other players who are expected to be key contributors. They are Myrtle Brazill, Gary Simmons, and Charles Hadnot. They will be looking to make a strong impression in their first game.

Willie Wilson Myrtle Brazill J.W. Moye Gary Simmons Charles Hadnot Rocky Hudson Killy Broussard Sylvester Blue Kyle Sterling Jerry Reinger

Brigham Bigby returns for a second year with good health, will be the split end.

On defense the Jackets were famous for shutting out their opponents. It wasn't until late in the season that an opponent scored. Albert Wyatt returns to claim his back position. Spot, Ronnie Parks and Brigham Bigby will be the backs. Claudi Dawson and Raymond Hannon will be the defensive ends. Donald Ray McQueen was last year's starter, but hurt his knee and required surgery. He is expected to be able to go full speed by the second game of the season. Whether or not he is able to hold that defensive line could be an important factor where the district race is on.

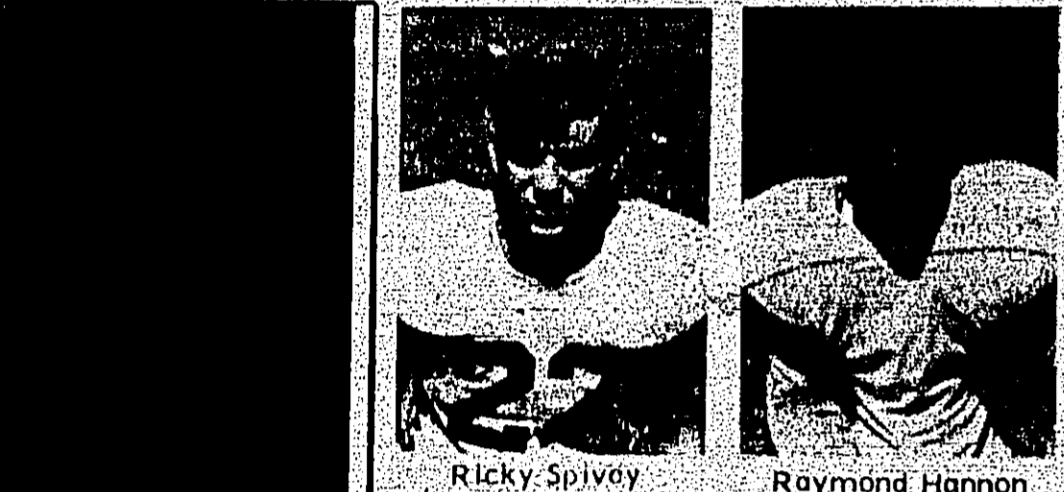

Joe Johnson, Wayne Bell and Jimmy McQueen will be the linebackers. Lynn Timbrook, Kent Garner and Mickey McQueen will be the secondary.

Cyrus Martin was a late starter and will have to work himself into the shape of things. He could be an outstanding factor in the drive for the crown.

The way we see it in this district is that Danbury is picked to win the whole thing and there is a team that beats them that team should be the state favorite. Chester could be the one it things go well. But they can't forget their neighbors to the east, Colmesneil either.

# MOTHERS SCRAPBOOK AID TO ALL AMERICAN BACKGROUND

I have never met Hugh Lynn Pitts. I have heard mention of him numerous times, when the subject of good football players from Tyler County came into conversation. I had the idea that I would like to write a story on him to run as an extra for this sports special for the opening of football season.

His mother, helped me in providing a scrapbook she had prepared during the course of his career and I looked through it and found this.

To start at the beginning, I found photos from the time he was three months old to his early days in high school. In high school Hugh was a big man, camp being class president and student council member. The article had him receiving his football letter during his sophomore year named Lawrence Hanes. He was selected outstanding athlete for two years, all district for two years and made the all state football team.

With that the college was after him and he took the year off. One headline read "Woodsville boy will see action" likely to start against Arkansas. He was on his way. Hugh was an aggressive player, giving everything he had. An article from the press said "Hugh had that big work of finished numerous times". In fact he began to get some newspaper attention from the press. "Pitts has the back."

After all, it is not what is around us, but what is in us, not what we have, but what we are, that makes really us happy.
