TO THE VOTERS IN JUSTICE PRECINCT 4 TYLER COUNTY

Your vote FOR Legal Sales is needed in the election Tuesday. We believe legalizing the sale of alcoholic beverages for off-premise consumption only will better our area - economically and morally.

- 1. Off-premise consumption only means just what the state law says.
- 2. A person cannot drink or even open a beverage where he buys it.
- 3. There can be no honky-tonks or taverns. That is the law.
- 4. Alcoholic beverages will be sold by local, licensed tax-paying merchants under strict local and state control.

Legal Sales are right morally because they afford the only means of effective control of alcoholic beverage sales. Legal Sales are best economically. Legal Sales will permit us to compete with our neighbors for trade area business. Experience has proven that people do their shopping for other needs where they buy their beverages. Legal Sales will:

- 1. Help keep local money in the precinct and bring in new trade to be shared by other merchants.
- 2. Reduce needless driving to nearby Legal Sales areas and back.
- 3. Produce state revenue to support old age pensions, public schools, aid to the crippled, blind, disabled and many other worthy state services.

THE TRUTH IS:
Legal Sales do not force anyone to drink -- and -- Prohibition does not keep anyone from drinking.

Legal Sales make a better, safer and more progressive community for everyone, whether they drink or not. That's why Texans by more than 2 to 1 live in areas where Legal Sales are working today.

Vote and take a friend with you to the polls Tuesday, November 7. Vote FOR LEGAL SALES. Be sure to scratch out the BOTTOM lines on your ballot.

"MISTER SAM" RAYBURN DIDN'T DO IT

and America's better off because of it!

The years were 1952 and 1956. A war had been won for President on the Republican ticket. Some people thought then that the Democratic Party had been captured by liberals.
