Most Stores To Close Monday and Tuesday

Most stores and business places in Woodville will close both Monday, Christmas Day, and Tuesday for the Christmas holidays.

The custom of closing for two days for Christmas was started several years ago, and again will be observed by most places. This gives employees an extra day and this year, since Christmas falls on Monday, will give them a long two holiday.

Exceptions to the closing includes bookstores, drugstores, which will follow the policy of all the stores and close only Christmas Day, and the open Tuesday, and the county banks which will be open Tuesday in accordance with banking regulations.

The courthouse and city hall will take off both Monday and Tuesday. City directory will not have any changes until after the holidays. Municipal and county elections, Monday and Tuesday, regular pickup service will be same Wednesday.

Drive in groceries, some service stations and cafes will be open Tuesday after Christmas Day.

The post office will be closed Monday and resume regular hours Tuesday. The Highway Patrol, sheriff's department, and city police will be on duty throughout both the Christmas and New Year holidays. The Department of Public Safety has estimated that the persons who drive on the state's highways during the Christmas and New Year holidays will have all available personnel on duty in anticipation of heavy flow of traffic. All motorists are urged to arrive at safe speeds, to observe traffic laws and start on time early enough to avoid long periods under the wheel by taking rest stops when fatigue may affect driving habits.

GOD'S CHRISTMAS GIFT

Most Christmas gifts will not last through the holiday season, but God's gift will last forever. This is a gift that is not given to the body, but to the soul. It is a gift that is not given to the eye, but to the heart. It is a gift that is not given to the hand, but to the mind. It is a gift that is not given to the ear, but to the spirit. It is a gift that is not given to the tongue, but to the lips. It is a gift that is not given to the feet, but to the path. It is a gift that is not given to the body, but to the soul. It is a gift that is not given to the eye, but to the heart. It is a gift that is not given to the hand, but to the mind. It is a gift that is not given to the ear, but to the spirit. It is a gift that is not given to the tongue, but to the lips. It is a gift that is not given to the feet, but to the path.

ASTROLOGERS BRING GIFTS TO THE CHRIST CHILD

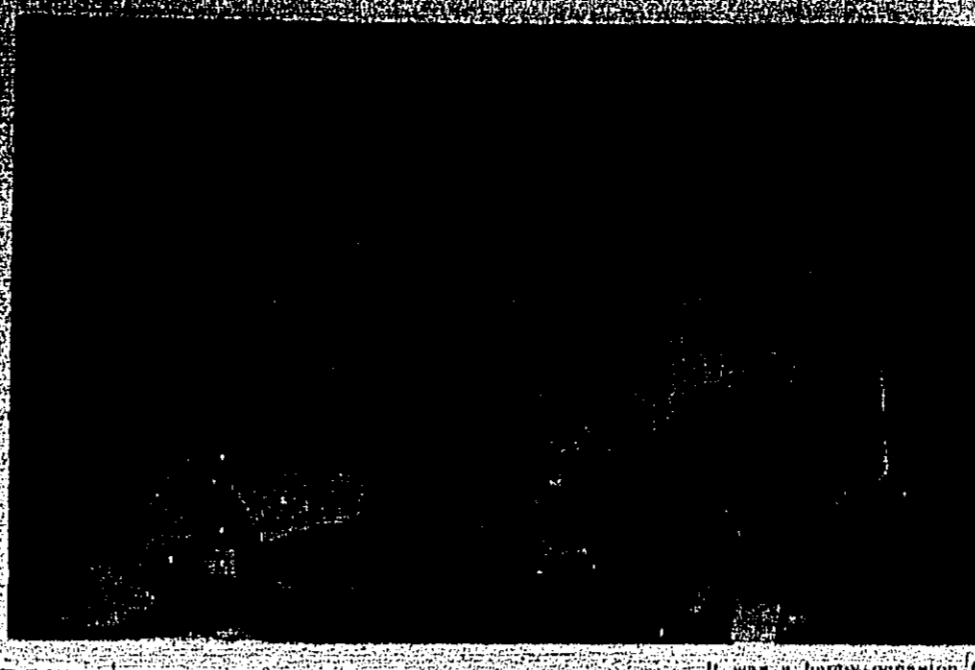

THE LIVING BIBLE

It was a happy occasion for these two astrologers when they arrived at the manger in Bethlehem. They had brought with them gifts of gold, frankincense, and myrror. They had also brought with them a message from the East. They had heard of the birth of a king, and they had come to worship him. They had seen the star in the sky, and they had followed it to the manger. They had found the child, and they had brought him gifts. They had also brought him a message. They had told him of the king of the East, and they had told him of the birth of a king. They had also told him of the star in the sky, and they had told him of the path to the manger. They had also told him of the gifts of gold, frankincense, and myrror. They had also told him of the message from the East. Candles Light the Way Throughout the Ages

Although it has been said that candles have been used since the dawn of time, it is true that candles have been used throughout the ages.

The use of candles has been a constant throughout the ages. From the ancient Egyptians to the modern world, candles have been a source of light and warmth.

A Joyous Christmas

"And, to the Star, which they saw in the east, went before them, till it came and stood over where the young Child was. When they saw the Star, they rejoiced with exceeding great joy. So today, let the peace and joy of Christmas shine throughout our daily lives, bestowing the blessings of the season upon one and all. In the glad tradition of this most beloved holiday, we join in the wonder and rejoicing, and say a heartfelt "Merry Christmas" to our many good friends.

DON'T

Shatter Your Family's Future

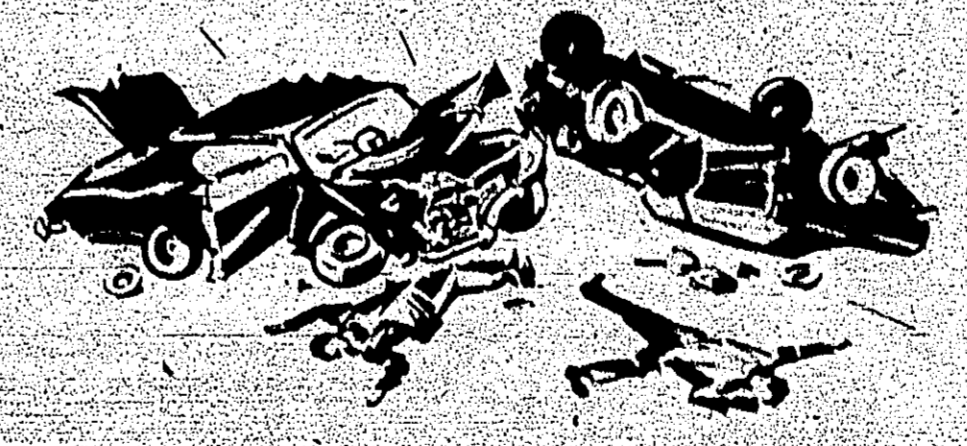

Drive Like You Care for Those Close to You This Holiday Season

Think how much you love them. Now, before you take them on the road. Remember that your dear ones look to you for safety. If YOU don't care, nobody else will. And when you get right down to it, caring makes all the difference.

Care for your car: Is it ready for Winter? Snow tires on? Anti-freeze in? Defroster and heater working well? Flash light and flares on hand in case of emergency? Responsible driving begins with a well-maintained automobile.

Care for your passengers: see that they're warm and comfortable. Insist that everyone use seat belts. Don't overcrowd the car. Don't be in too much of a hurry. Make it a leisurely drive with plenty of time for rest stops. Remember this is a holiday trip — not an endurance test.

Care for yourself because your car is only as safe as its driver. Don't try to drive if you're tired... and NEVER if you've been drinking. Don't even take the wheel if you're angry or irritable. Keep your holidays happy, and your family safe.
