Youth Riders Win Place at Nederland Diamond Jubilee

A beautiful dawn in East Texas was just breaking as several Tyler County Youth Riders made their way from Woodville to Nederland to participate in the Diamond Jubilee Parade. After having risen anywhere

from 4:30 to 5:30 a.m., the enthusiastic group looked forward to the first official representation of the Youth Riders in a parade this season. The riders were stunning and very well received, dressed

in the official Youth Riders attire of Navy jeans, white shirt, and red neckties. Carrying the Youth Riders Banner were Mark Currie and Eddie Klier. The American flag was carried by Bruce Worthy, the Texas

flag by Joe Jordan Jr., and the Club flag by Laurie Worthy, followed by Ben Worthy, Kelli Taylor, Wade Worthy, Brad Worthy, Lea Anne Taylor, Cathy Jernigan, Ronnie Jernigan, Bob Taylor, Lisa Jordan, P.J.

Grant, and club president Joe Jordan Sr. Ending a perfect March day the riders returned to Woodville after competing with six groups, with the Diamond Jubilee certificate and \$25 for the third place winner.

DOGWOOD FESTIVAL EVENTS PLANNED

Tuesday was the first day of spring and the dogwood are blooming all over Tyler County as heralds of the Tyler County Dogwood Festival which begins March 31 with Western Week-end.

On that day hundreds of trail riders, many of whom started the ride to Woodville the day

before, will arrive for the big western parade and rodeo which will be followed by western dances that night.

The following Saturday, April 7, will see the unfolding of another parade with floats, duchesses and the five princesses of Tyler County wending through Woodville in a tradi-

tional display of color and beauty. That night in the outdoor Dogwood Amphitheatre the splendor and pomp of the queen's coronation will be followed by the historical pageant which this year will depict Tyler County in the 1930's.

On Tuesday night the King's Men had made their final judging of the five princesses of Tyler County and one of them had been chosen as the 1973 Queen of the Tyler County Dogwood Festival. Her identity will be kept secret, however, until the night of the coronation.

The five princesses are Sherri Winters of Colmesneer, Charlotte Hancock of Spurker, Pam Glasscock of Chester, Roxann Spears, of Warren and Debbie Collier of Woodville.

More seating space is being added at the Tyler County 4-H, FFA Arena at the airport west of Woodville for the rodeo following the parade, March 31. Additional parking space has been added and the Western Weekend committee feels that everything will be in readiness for the parade, rodeo and other events.

The women who have been making the thousands of artificial flowers for decorating the amphitheatre on April 7 have been busy "tying on" or fastening the blossoms to tree branches (small) in preparation for placing them at the amphitheatre for the coronation and pageant. The artificial flowers are placed at the amphitheatre the last moment possible to protect them from any moisture.

Also being constructed are the "props" on the huge stage at the amphitheatre. At one end will be the large throne for the queen and king, princesses, and the 30 or more visiting duchesses and their escorts, will be seated following the coronation.

Other parts of the stage are used for store fronts, houses, or other things needed for the acts in the pageant. Just what they will be this year has not been learned by the Booster.

All in all, everything is progressing in order for the big two weekends of the 1973 Tyler County Dogwood Festival.

The public is cordially invited and urged to attend since his speech will be of genuine interest to all citizens, sponsors of the meeting said.

New Director

Richard F. Davis was elected to the board of directors of Southeast Texas Savings & Loan Association at the annual Stockholders meeting March 13. Mr. Davis is currently serving as vice-president and manager of the Association. He has been with Southeast Texas Savings & Loan for four years. He is a graduate of the University of Texas with a BBA Degree and has taken several courses from the American Savings and Loan Institute.

He is very active in civic and church activities and is presently serving as chairman of the advance ticket sales for the Dogwood Festival, which is just one of the many Dogwood Festival committees on which he serves.

Woodville ISD Approves Exemption

The board of trustees of the Woodville Independent School District at the meeting Tuesday night approved the home school tax exemption up to \$3,000 for taxpayers who are 65 years of age or over.

The home school tax exemption had been discussed at previous meetings and the board took it up again Tuesday night and voted the exemption.

Taxpayers in the district who are 65 years of age or older will have to claim the exemption at the school tax office and present proof of age.

Motorists Urged To Get License Plates

If you haven't purchased 1973 license plates for your car, time is getting very short, according to Tax Assessor and Collector Barbara Tolbert.

New 1973 plates must be on all vehicles by April 1. Mrs. Tolbert said it is too late to avoid some waiting by those needing new plates but the jam will get worse the longer car owners wait before the deadline.

Car owners who have received the three-part license renewal form should bring it intact when buying their plates. Those who do not have the three-part form should bring their car title and the 1972 license receipt, Mrs. Tolbert said.

To Nacogdoches

Miss Tyler County, Patricia Parkman, will attend the Miss Nacogdoches Pageant Saturday night. She will appear on stage with other visiting queens who have been selected to compete in the Miss Texas Pageant in July.

She will be accompanied by Mrs. Harold Pryor.

John Fats of Warren (top photo) and Phil Hicks of Woodville (bottom) were among 15 lucky boys who were winners in the calf scramble at the Houston Livestock Show and Rodeo at the evening performance March 4. John received

\$225 certificate from Ben A. Call under the supervision of Sheriff's Dept. Clinton Currie (at right in each picture) until next year's show when they will return their calves for judging in the calf scramble of vision and the junior breeding

division. The group leave the Youth Arena promptly at 7 a.m. on March 31 for the Western Week-end Parade and Rodeo. Overnight camping and catering will be available. For additional information contact: Clinton R. Currie, Woodville, 283-2482; Joe Jordan, Spurker, 428-3647; or Ben Worthy, Warren, 854-3075.

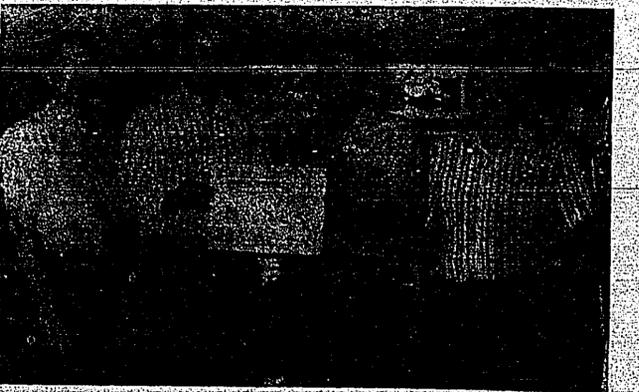

Youth Riders To Have Playday Events

Some of the highlights of the fifth annual trail ride from Spurker to Woodville of the Tyler County Youth Riders is the Playday events the night of March 30.

The Youth Riders leave from the Bill Brown place in Spurker at 3 p.m. Friday, March 30, and ride to the Tyler County Youth Arena for the playday events. There they compete for trophies in barrel race, pole bending, open-end barrel race, potato race and flag race. Tro-

phies will be awarded for the first six places in each event. There will also be a sweetheart contest for girls aged 15 to 18. The girls must ride with the trailride to be eligible to enter this contest. She will be judged on riding ability and appearance. The winner of this contest will represent the Tyler County Youth Riders in the Dogwood Western Week Sweetheart Contest, which will be held during the rodeo at Woodville on March 31.

The group leave the Youth Arena promptly at 7 a.m. on March 31 for the Western Week-end Parade and Rodeo. Overnight camping and catering will be available. For additional information contact: Clinton R. Currie, Woodville, 283-2482; Joe Jordan, Spurker, 428-3647; or Ben Worthy, Warren, 854-3075.

The last of the environment. It depends on all of us.

One thing you can be sure of: We're constantly working and planning to make sure it does last. For instance, we're conducting extensive ecological studies in Louisiana and Texas. These investigations are to determine the nature of the ecology near our power plants. We want to make sure the generation of electricity is done in complete harmony with nature. The environment. You haven't seen the last of it. And, if we all work together, you never will.
