# THE TYLER COUNTY BOOSTER

VOLUME 46 NUMBER 13 WOODVILLE, TEXAS January 24, 1974

## Top of The Morning

By HILARIOUS LAMB

Enter ye in at the strait gate, for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go by that way: Matthew 7:13

How will our town benefit? We usually asked such efforts are made to form in charity into an area. For a community, a population increase of 100 new employees means 200 more people, 50 more school children, \$500,000 more personal income per year, \$250,000 more in deposits, \$500,000 more in total sales yearly and 124 more community workers employed. Obviously, new business, but we know as private enterprise, adds ability to the economic life of the community and strength to the county as a whole. Thus what helps one area of the county, helps the rest of the county.

The Tyler County Chamber of Commerce needs your support. You do not have to be in business to be a member of the chamber. Individual memberships are available at a very nominal price.

## Adams Announces

Adams of Jasper has announced that he will be a candidate for re-election to the 1974 for the office of State Senator, District 2, for second term.

Adams was first elected to the Texas Senate in 1972 and took office in 1973. In making the announcement, Adams said, "Serving the best Texas Citizens in the Texas Senate has been one of the greatest honors of my life. I feel that you have made some noble accomplishments for each Texas citizen and that in 1974, and I would like to have the opportunity to continue to serve you."

## TUCKER ANNOUNCES

I would like to announce my candidacy for the office of County Treasurer of Tyler County.

## WOODVILLE HIRES LINAM

Dr. H.C. Sweetwagon, President of the Board of Trustees of the Woodville Independent School District has announced the employment of Tom P. Linam to serve as Superintendent of the Woodville Independent School District. Mr. Sweetwagon stated that Mr. Linam will begin his duties on July 1, 1974.

Mr. Linam was elected Superintendent of the Dallas Public Schools for the past six years and was elected Superintendent of the Woodville Independent School District on Thursday, January 23, 1974, and has accepted the position on a three-year contract effective July 1, 1974.

Mr. Linam is forty-eight years of age and is married to the former, Mary Elizabeth Wynn. They have two daughters, Linda, age 24 and Ruth, age 21. Both daughters are students at the University of Arkansas in Fayetteville. Mr. Linam, a native of Mason, Texas, attended college at East Texas State University for three years and has taught business subjects in high school. At the present time she is employed as a teacher with the Dallas Independent School District.

## What Is A Volunteer Fire Dept?

Part of all a Volunteer Fire Department is made up of dedicated men who give of their time, money and resources to a community in which they live, in order to safeguard it against fires, floods and many other emergencies.

They are often the object of criticism by those who only look for the bad in their fellow men. They are men with many different religious convictions but one thing they have in common is that they are not afraid of hard work.

They are often the object of criticism by those who only look for the bad in their fellow men. They are men with many different religious convictions but one thing they have in common is that they are not afraid of hard work.

## GUSTAFSON SEEMS OFFER
