News

Mrs. and Mrs. Bill Hooks returned Saturday from a two-weeks trip to the Valley, visiting Brownsville, McAllen and other places of interest in that area.

On last Wednesday, Garvin Fowler attended an openhouse affair for Middle Oil retirees in Beaumont. A day of entertainment was provided, including an elaborate dinner for more than five hundred who were present.

On Wednesday evening of the current week a wedding of interest was staged in New York where one of our popular high school graduates, Brenda Winters, became the bride of Gary Hale of Kirbyville. The groom is also graduating from West Point. Brenda's sister, Sherry, and Gary's parents have been in New York for the past few days, enjoying the activities with him. Following their return home, the couple will make their home at Fort Hood where he will be stationed.

Mr. and Mrs. Jay Ratcliff had with them over the week end their son-in-law and daughter, Dr. and Mrs. Evelyn Gibson and their children of Nederland.

Mrs. Charles Hooper returned Friday from Beaumont where she spent several days with her mother, Mrs. W.J. Hicks who is ill. The Hoopers are expecting guests from Slickleaville, N.J., on the 24th.

Harry Andrews, who served under Mr. Hooper in the Korean War, with his wife, son and daughter, are coming down for a visit and for fishing in the beautiful lakes of East Texas.

Three of our ladies are leaving on vacation by bus Friday. Lottie McFarland is joining a group from Beaumont for Nashville where they will attend Grand Old Opera and other places of interest. Della Wilson and Hazel Sanders will join those of Jasper who are making a tour of Washington and points of interest in the adjacent areas. On Sunday evening the congregation at First Baptist Church greatly enjoyed a program of gospel singing by Mr. and Mrs. J.C. Crawford and their children, Randy, Carla and Greg of Texas City. Mr. Crawford is music director of the Baptist Church of that city and son-in-law of Mr. and Mrs. C.E. Poland of Colmesneil.

A number of adults of First Baptist accompanied Bro. and Mrs. Walling to Beaumont Friday evening for a lovely dinner at J. and J. Steak House. The purpose of the trip was to test the newly acquired bus before leaving for Glorieta. On Friday morning a group of young people with their sponsors will leave for Youth Week at this encampment.

Two families met in reunions on Lake Texas Sunday. At the Allen family picnic those of Tyler County were joined by Cecil Butler of Beart Neches, Chester and Homer Gregory of the Fort Arthur area and others from various points of East Texas in a joyous day of feasting and visitation.

Nearby was a larger number of the Belt family also enjoying a happy day together. Sons of Tom Belt who were present were Thomas of Colmesneil, Woodrow of Beaumont, Jesse of Lamesa and Quinton of Baytown with their families. Also an aunt, Alma Belt of Huntsville, and a number of nieces and nephews from other parts of the state.

PERSONAL MENTION

Mrs. S. R. Sheets of Lafayette, La. and Mrs. L. M. Parker of Lumberton were guests in the R. E. Gains home.

Michelle Richie, age 12 of Hillister, won first place and \$25 in the Texas Rangers Coloring Contest. Her drawing was of Texas Hero Sam Houston.

Buck Sgt. Douglas E. Williams and wife Pauline Noyland Williams and daughter Connie Sus are home on leave from Castle A.F.B., California. They are visiting with their parents Mr. and Mrs. Clifford Noyland of Woodville and Mr. and Mrs. Vernon D. William of Town Bluff. Mr. Williams is with Heavy Equipment.

Deacon Trial View Baptist Church News

Sunday School was carried out as usual. The lesson was "How The Bible Came To Be." Some of the points were as follows: The Bible is one of the "mysterious books" there is to read; and to go to Moses wrote the words; the words of the Lord; why did he pick Moses? What does it mean to be a deacon? What is our duty? Why was Christ more interested in saving the Nations, than to destroy? What was found in the Temple? Who became the Vatican? What? The weather was fair all week; he sent us lots of rain from up above; who, as individuals who didn't have water to drink just open our mouths and get all the water we could hold; for what purposes also; Will Christ ever be seen again; where the Moon, stars, the beautiful Rainbow is, and will he come back; he gave us the knowledge to do his work; also he gave man the knowledge to go to the Moon; remember the poem about a Highway to Heaven. We as Christians believe in Christ, what will our individual have, or does it come, through the trust? How does the physical being act towards us as individuals? Rev. Ovall Walker-Pastor Mablelene Gilder-Reporter

MAKING WAY...

The drawbridge makes way for the boat to come into the city and down the canal. Dredges make canals in open waters such as the gulf to make way for ships to travel an inter-coastal waterway.

Church members are the ones who can clear the way, and show the right path to those who have not found the way to our Lord.

Isaiah 40:3B reads, "Prepare ye the way of the Lord, make straight in the desert a highway for our God."

Support your church in every way you can. Ask someone to attend church with you this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His plan for man's redemption...
