Hugh Yantis 'Water Pollution' Is Nov. 21 Topic

SAN AUGUSTINE—Water Pollution will be the topic of Hugh Yantis, Executive Director of the Texas Water Quality Board, talks to the Deep East Texas Development Association, Friday, November 21.

Yantis, a graduate of the University of Texas, was appointed to the Texas Water Quality Board in 1967. Prior to this appointment Yantis was employed with the Texas State Department of Health, Water Pollution Control Division. While with the State Health Department he served as Assistant Executive Secretary of the Texas Water Pollution Control Board after the Board's organization in 1961.

"We are looking forward to having Mr. Yantis as our guest speaker and urge all industrial and county people to attend," said Pat Fussell, Vice President and chairman of arrangements for the meeting. "An important topic such as water pollution should be of value to everyone," added Fussell.

O.E.S. Calls Meeting

WARREN—There will be a called meeting of the Warren Chapter Number 638 Order of the Eastern Star, Thursday, Nov. 20, at 7:30 p.m., for the purpose of initiation.

M.A.S.T. Program To Begin In '76

A program which would provide emergency military air transport services to victims of critical illnesses or accidents in the Deep East Texas Region is gearing up to start in January, 1976.

The program, known as M.A.S.T., or Military Assistance to Safety and Traffic, and will involve much of the Deep East Texas Region. The metropolitan area of Beaumont-Port Arthur-Orange and a large section of Louisiana.

The program was presented to DETCOG Executive Committee members at the regular meeting in October, held in Livingston. On hand for special aspects of the program was Captain Richard Beauchemin, of the 32nd Medical Detachment.

Byram Re-elected Bureau President

Bud Byram, of Woodville and Colman, was elected president of the Board of the Tyler County Farm Bureau at its regular meeting on Nov. 11 at the Woodville Inn. Elected as vice President was H.H. Powell of Chester, Milton Durham of Woodville was selected as Secretary-Treasurer.

This will be Byram's second year as President. "The Farm Bureau is a free,

independent, non-Governmental, volunteer organization of farm and ranch families united for the purpose of analyzing their problems and formulating action to achieve the educational, economic, social advancement, thereby promoting the national welfare.

Chosen as Chairman were: Beagle Stanford of Woodville as membership chairman, Toby Spurlock of Woodville as Public Information chairman, Legislative Chairman, Lloyd Fortenberry, James Ivy of Hillister will serve as Farmers and Ranchers Chairman, J.C. Clark of Woodville will serve as Editor, Development Chairman and Paul Pickard of Warren will serve as Economic Service Chairman.

In order to qualify for a M.A.S.T. program, a region has to meet two requirements. The first is to have a recognized air helicopter medical detachment located at a nearby military installation, and Ft. Polk is recognized as such.

Miss Tyler County Applications Are Now Available

Wisteria Chapter of American Business Women's Association is now taking entries for the 11th annual Miss Tyler County Pageant to be held Saturday, February 7, 1976, said Maggie Pryor, Executive Director.

Contestants who plan to be in the local pageant are urged to contact Mrs. Dorothy Britnell and get their entry blank filled out and returned since only 12 girls will be considered this year. Last year several girls were turned away at the last minute due to that quota of 12.

The purpose of the local pageant is to provide scholarships and a chance for young women of Tyler County to gain more poise and self confidence. The pageant is the main project of the Wisteria Chapter. To date, our chapter has given over \$4,600 to girls in this area through the pageant and county high school graduates.

Some of the rules will be changed for this year's pageant. There will be no Miss Congeniality as in the past. A "Talent Award" replaces the "Miss Congeniality" designation. Any girl who is a high school graduate and at least 17 years of age by Labor Day 1975 may be a contestant in the local pageant.

Again, let us urge any girls interested in being in the pageant to please get their entry blanks, fill them out

and return as soon as possible," Director Pryor said. The following A. B. W. A. members have been named to serve as chairman and committees for the February 7, 1976 pageant.

Choreography - Linda Allen, Producer - Maxine Carroll, Entries - Dorothy Britnell.

Tickets - Hazel Swearingen, Mabel Kelley, Ednagaye Vick, Elizabeth Knowlton and Dorothy Britnell. Stage Decorations - Ruth Stanford, Claytie Lee Clow, Gloria Smith, Ruth Thomas and Irene Sheffield. Judges - Handbooks - Lynn Hays, Judges - Maggie Pryor, Dorothy Britnell and Ruth Stanford, Visiting

Queens - Gloria Smith; Children - Irene Sheffield, Claytie Lee Clow; Teen age Girls - Fanny Riley and Ann Ashworth.

Hostesses - Thelma Smith, Lynn Hays and Sue Nerren; Book Sales - Ollie Hammond, Kitty Dalton Wallace and Bernice Best; Ushers - Mabel Utley, Joanie Mae Best, Gwen Jones, and Ruby Smiley. Posters - Bernice Best and Cecile Krause.

The deadline for ads and pictures for the program book for the Miss Tyler County Pageant is January 10, 1976. The book goes to the printers after that date in order to have them for sale by February 1.

Recieves Certificate

B.J. Vardeman, (third from left), the Criminal Investigator for the District Attorney of Tyler and Hardin County was honored Tuesday when Jo Ann Fries (on his left) presented him with a Certificate of Appreciation for his activity in referring clients to the Tyler County Outpatient Clinic, which is a mental health unit in Woodville for counseling and psychiatric care. Shown with the two from left to right are: Psychologist Larry Davis, Jolyn Bowman, Drug Abuse and Alcoholism Counselor; Vardeman; Director Fries; Dr. and Mrs. Feliz Poebles, Jr., M.D. Psychiatry; Brad Smith, Advisory Council member for the local program here, and Mrs. Betty Ecker, Program Director for the mental health services. Vardeman said modestly upon receiving the award, that "Everyone here is due the award but me."

Warren's Mattingly Recieves Writing Achievement Award

Debra Lynn Mattingly, daughter of Mr. and Mrs. Gary L. Mattingly of Warren, has received the NCTE achievement award in writing for 1975. Seven thousand nominees from high schools throughout the nation competed for these awards presented by the National Council of Teachers of English. Only thirteen percent of these students were chosen to receive special recognition from the national organization.

In addition to taking a comprehensive test on writing skills, Miss Mattingly submitted an expository composition and an example of her creative

writing efforts. Debbie wrote a short story based on family history. The setting was during the war between the states and the fictional diary told of a young girls experiences as a companion of slaves. Sister Posemay Winkelhann, representing the executive committee of NCTE, in her letter to Mrs. Nancy Jo Jehlen, Warren High School teacher of English, stated: "There is no doubt that the winner in your school is among the best student writers in the county. Your careful selection of them as nominees and the judges' conscientious

and sensitive reading of their entries insured that only outstanding student writers were selected for the awards."

In addition to her writing talents, Debbie is one of the top academic students at Warren High School. She serves as president of the class of 1976 as president of the Grover V. Die Chapter of Future Teachers of America, the only chapter of F.T.A. in Tyler County. And she is secretary and an active member of the Lintelights, the drama club at WHS. Debbie is Historian of Beta Club, fourth vice-president of F.H.A., and copy editor of

Gold Star Award Winners

Denise Stanford and Henry Joe Jordan, Jr., were the recipients of the District 9 Gold Star Award given at the District Gold Star Awards Banquet held Monday, Nov. 10 at Stephen F. Austin University in Nacogoches. According to Tyler County Extension Agent Belinda Covington, "The Gold Star Award is the highest award a County can give to a 4-H member."

Shown with the two award winners are sponsors: (L.) Steele Wright, representing the Texas Farm Products and (R.) Leonard Sowall representing the Texas Power and Light Company. Attending the ceremony also were: Mr. and Mrs. Beanie Stanford, Mrs. Kathryn Stewart, Mr. and Mrs. Henry Joe Jordan, Sr. Judge and Mrs. Tom Dick Mann, Jeff Mann and Mrs. and Mrs. Clinton Currie.

Bicentennial Meeting Is Thursday

Tyler County Bicentennial Committee Chairman J. B. Coffman said earlier this week that he's expecting a good bit Thursday from his subcommittee chairmen on their development thus far of planning for the county's recognition and celebration of our nation's 200th Birthday.

According to Coffman, "Tyler County has a chance to take the lead in many ways over the surrounding counties."

The Bicentennial Committee meets this Thursday, Nov. 20, at 7 p.m., in the Courtroom of the Tyler County Courthouse.

At that meeting committee reports are expected from each of the project Chairmen on progress made so far in each of the nationally designated areas entitled "Heritage", "Festival" and "Horizon."

Tyler County Will Soon Have It's Own Bicentennial Symbol.

Fitz, Miss Kathy Ray, Miss Joyce Baker, Rev. Jessie Adams, Mrs. Belinda Covington, Mrs. Quencie Sullivan, Rev. Community - Wide Hungry Walk Is Sunday

are hungry throughout the world. "Area youth are asked to meet at the field to begin the seven mile walk," said Mrs. Lawrence Rainey, coordinator of the event.

According to Mrs. Rainey, "Each young person will be asking local persons to sponsor each mile of their walk effort. No specific amount was designated for contribution."

Each year earning a total of \$175 in the effort. She said she hopes for about \$2000 this year. Youth will be calling all this year asking individuals and businesses to sponsor them in the event.

County To Send Farm Bureau Delegates

Tyler County Farm Bureau will be eligible to send four voting delegates to the 42nd annual meeting of the Texas Farm Bureau Nov. 30 - Dec. 3 in San Antonio.

County President Bud Byram of Colmesneil will head the delegation from this county. Other voting delegates and their hometown locations: Benjie Stanford, Woodville; H.H. Powell, Chester; Lloyd Fortenberry, Woodville; Milton Deaton, Woodville or Elmer Ray, Gates.

Others from this county planning to attend include: Keith Stanford, May Ann Fortenberry, and Wynne Byram.

The number of voting delegates from each county is based on the total number of members in the county. The State policies for the TFB will be adopted by voting delegates. Adopted resolutions on national matters will be forwarded to the annual meeting of the American Farm Bureau Federation Jan. 4-8 in St. Louis.

Other features of the state convention include a Discussion Meet and Talent Find on Sunday evening, Nov. 30, and a Queen Contest on Monday night, and an Awards and Recognition program on Tuesday evening.

"Final order of business will be election of state directors and the state president."

Texas Taxes

By BOB BULLOCK, State Comptroller

As many people who own their own homes, they are making "making" things with their hands, they are probably not thinking of themselves as manufacturers, fabricators, or processors, but that's what they are under the sales tax law.

If you take any kind of material and impose it to make it into something other than what it was to start with, you are one of the "makers."

With this kind of thinking, most of the people who are in the manufacturing, fabrication, processing, or construction business, they are "makers" and they are subject to the sales tax law.

Young Homemakers Meet

The November meeting of the Young Homemakers of Tyler County was held Nov. 17, 1976 at the Citizens State Bank.

Kathy Anderson, hostess, and Mrs. E.N. Reed, president, were in charge of the meeting. Mrs. Reed was the speaker for the evening. She was chosen as her grades and in the field of home economics.

Mrs. Reed, interior decorator with Sears, talked on building your own home as well as answering members' questions on decorating.

Final plans were made for the November 20 take sale at Brookshire Bros.

The December meeting will be a Christmas program and dinner at the Christian Church for members and their husbands. Entertainment will be provided by the Linda Allen Dance Studio.

Reunion After 44 Years

After persistently checking phone books in some of Tyler's larger cities, Mrs. Charlie Torres of Woodville finally got lucky in a Dallas phone directory and found the name of Anna Mae Gilliard, 53, who had been separated from her two sisters, married Gilliard (L.) and Catherine Gilliard since early 1931.

A special reunion was held in Woodville, Nov. 12, when Mrs. Torres and her two sisters, Mrs. Torres and W.R. Torres, and Catherine Gilliard since early 1931.

CETA Program Now Seeks Applicants

A program designed to help unemployed workers in the county is now seeking applicants.

The program is known as CETA Title VI and is a Public Service Employment. It is designed to help the workers in the county who are unemployed because of the current economic situation.

Contracts to operate the program have been signed with the Texas Department of Community Affairs and the CETA Title VI program, under the present contract agreement, will be in operation.

Cancer Screening Set

Cancer Screening Nurses will be held in the county court room in Woodville from 11 a.m. to 3 p.m. on November 20th.

Our medical clinics are held 3 times a month in our office - Livingston contract agreement, will be in operation.

We offer a physical examination for women of all ages. In our series, we offer diabetic & cancer screenings, family planning, diet counseling, blood pressure and blood count. We also offer immunizations for pre school age children.

Nurses will be present to answer all questions. Call collect 327-5113 for appointment to see the Doctor.

"Competing for the family food dollar" is one reason grocery stores spend so much money on advertising, and this is why the county is in this. Mrs. Gwendolyn Clift, a consumer marketing information specialist, says:

Rural Development Effort Given Big Dollar Boost

The national rural development effort has been given a big boost by a more than 100 percent increase in U.S. Department of Agriculture (USDA) financial assistance for community, housing, and farming programs since fiscal 1975.

The population turnaround started in 1970 and that's when funding of programs administered by USDA began to rise. During fiscal 1977-78, more than \$18 billion was dispensed as loans and grants - a 100 percent increase over the \$9 billion in loans and grants in fiscal 1975.

The amount was increased each year except fiscal 1974, when they were \$18 million less than in 1973.

Community program funds are used for community facilities, business and industrial development, water, flood, and conservation and development.

Housing program funds are for low and moderate-income housing, and also for rural development.

Ag Trade Surplus Continues

Agriculture continues to carry the load as far as the United States balance of trade is concerned. In fact, it's the only trade area operating "in the black."

While the U.S. agricultural trade balance had a surplus of \$1.7 billion in 1975, nonagricultural trade balance showed a deficit of \$1.7 billion in 1975.

The U.S. exported \$22 billion worth of agricultural goods last year and imported just over \$10 billion.

The increase in exports was due mainly to higher commodity prices, notes McDonald.

Agricultural exports for fiscal 1975 were valued at \$21.6 billion.

"Agriculture has enjoyed a surplus in the trade balance every year since 1971," says the specialist with the Texas A&M University System. "In 1974, the nonagricultural trade balance had a deficit of almost \$1.8 billion compared to a deficit of only \$8 billion in 1975. Over half this increase in the trade deficit was due to high-

Teachers Sorority Meets

TEACHERS SORORITY MEETS IN COLMESNEIL.

Ganna Phi, Tyler County chapter of Alpha Delta Kappa Sorority, teachers sorority met Monday evening, Nov. 10 at the James Brown home in Colmesneil.

After a short business meeting with the President, Mrs. L.K. Kirk, presiding, members prepared gifts to be distributed at Christmas time to the nursing homes and the Child Development Center. A cash donation was taken to be given to an unfortunate family whose home had recently been destroyed by fire. Delicious refreshments were served by Mrs. Brown and Mrs. Hesper.

Hillister Home Demonstration Group Active

The Hillister Home Demonstration Club held their regular monthly meeting Thursday, Nov. 13 in the home of Flora Schenkowitz. Regular business meeting was conducted by president Albert Lewis.

The club decided to give a donation to the Woodville Garden Club for blue bonnet seeds to be planted on highways around Woodville. This in preparation for the 31-Centennial program.

Two visitors were present: Mrs. Pierce and Mrs. Carpentier. Our county agent Linda Covington was also present. Plans were made to attend the Christmas decorations workshop in the home of Elsie Stewart Thursday Nov. 20 in Woodville. Hillister club will host the Christmas party - Dec. 4 at 1:30 p.m. in Citizens State Bank. Members are asked to bring a toy as a gift for the Child development center. Any person interested in Home Demonstration are cordially invited to attend this party. The Hillister club has been working on a project of crocheted foot warmers for residents of the Holiday Home Lodge for Christmas.

There will be a singing at the Phoebe Baptist Church beginning at 7 p.m. on Saturday night Nov. 22.

The Gospel Singers from Mt. Nobe Church and the Piney Woods Indians will be present. Everyone is invited to attend and there will be refreshments served, according to C. Flynn, chairman of the event.

Thanksgiving Worship

WOODVILLE - The Tyler County Ministerial Alliance is sponsoring a Thanksgiving Service this Tuesday evening, Nov. 23 at 7:30 p.m. in the First Christian Church 109 N. Charlton.

Many of the Area Ministers will be participating in the worship. Everyone is invited to attend this Annual Thanksgiving Service of Worship. Rev. Clyde Bennett and Rev. Raymond Parker are the presiding ministers of the Alliance.

'Offshore Oil Development Needed To Reduce Reliance On Imports'

WOODVILLE—“The United States will have to depend increasingly on insecure foreign sources for its energy unless oil companies are allowed to find and develop the country's own supplies,” a

Mobile Oil executive said here while addressing the Western Business Women's Association here recently. “Demand is growing, but U.S. production from known

reserves is declining and imports have climbed to almost 40 percent of U.S. oil needs,” G.P. Pepper, plant manager at the Mobile Oil Corporation at Beaumont Refinery, told the ABWA Chapter. “Unless we find and develop new domestic production, the U.S. could find itself dependent on imports for fully three-fourths of our oil needs by 1985,” he said.

He called for increased conservation of energy, cutting waste, but not economic muscle; prompt and orderly development of promising offshore potential while safeguarding the environment; and a phased and orderly return to the traditional free petroleum market to speed developing energy supplies that people need to live and work. This should be done at a pace that will not harm the economy.

“We all know what happened when foreign producers shut off their oil exports to us in late 1973 and early 1974,” Pepper said. “There were long lines at service stations in many parts of the country. Yet today we're relying more and more on foreign sources of high-priced oil, while off our shores are potential deposits that our geologists tell us could approximate close to half of all the oil and gas ever produced in our country. It would seem to us to make complete sense for our country to free industry to look for those supplies and develop them on an orderly basis.”

Noting opposition by some environmental groups, he said close to 20,000 oil and gas wells have been drilled in U.S. federal waters offshore, with only one spill — at Santa Barbara, California — in which major amounts of oil reached the beach, and no

injuries — none — in which lasting environmental damage resulted; and that includes Santa Barbara, according to independent scientific studies. He cited a national survey by Opinion Research Corporation in 1974 showing that 73 percent of U.S. adults favor more offshore drilling.

“We believe the proper role of government is to formulate a national energy policy that creates a balance in our goals for various energy forms, for environmental conservation and energy conservation. We believe government should have to industry the things it needs, with its skills, experience, management and organization — finding and developing new energy supplies.”

Pepper said the U.S. today consumes 17 million barrels of oil a day (a barrel is 42 gallons) and produces 11 million. By 1985, even with strong conservation efforts, demand is expected to rise to about 21 million barrels a day, he said.

The outlook for natural gas is not bright, either, he said. The U.S. currently consumes about 57-billion cubic feet a day, but by 1985, demand is expected to rise to more than 60-billion cubic feet a day. “Already this coming winter,” he warned, “the outlook is that some parts of

the nation will have natural gas shortages, and that some industries will probably have to shut down as a result. That, of course, would cause unemployment to worsen beyond the current high level.”

He traced the natural-gas shortage to federal price controls imposed 20 years ago on gas produced for interstate shipment, and said they had “created chaos in the energy structure of the U.S.”

The controls have been portrayed as providing protection for the consumer,” Pepper said. “Nothing could be further from the truth. The controls have produced a shortage of natural gas. And the growing reliance on high-priced foreign energy to make up the shortage has put the consumer in the position of paying more and more for less and less domestic natural gas.”

Noting criticism of oil industry profits, he said Mobile in the first half of 1975 earned 1.4 cents on each gallon of product sold, and that the rate of return on average total assets was 3 percent. Mobile's profit on every sales dollar was about 3 cents in the first half of this year, he said, down from 6.6 cents in the first half of 1974. First half 1975 profits declined 39 percent from the first half of 1974, he said. “We are

concerned that the current levels of returns on investment will not provide the incentive or capability to support the capital expenditures needed to meet the free world's future energy requirements.”

He added that the industry will need adequate earnings to generate the hundreds of billions of dollars in investments required over the next ten years to supply the country's energy needs.

Ernest Tubb Day Proclaimed

Mayor Joe Pedigo of Livingston, Texas has officially declared Saturday, November 29, 1975 “ERNEST TUBB DAY” in honor of the great Country Music entertainer.

Ernest Tubb, a Texas native and a member of the Grand Ole Opry, the day's activities will include a presentation of a special award and the “Key to the City” of Livingston and a barbecue at the fairgrounds. The celebration will conclude with a concert at 7:30 p.m. in the covered rodeo arena, featuring Ernest Tubb and The Texas Troubadours. Tubb's song “Walking the Floor Over You” has sold over two million copies and has become a classic. It has been a member of Nashville's Grand Ole Opry for the past thirty years and was elected to The Country Music Hall of Fame in 1965. Ernest Tubb has helped numerous entertainers achieve stardom over the years, including Cal Smith and Jack Greene, who were once members of The Texas Troubadours.

In March 1975, 7 out of every 10 workers were at least high school graduates and 3 out of every 10 had attended college, according to the U.S. Bureau of Labor Statistics.

Between 1972 and 1974, the number of union members in government jobs rose by 18 percent, or 447,000, the biggest rate rise in the government sector since 1966-68.

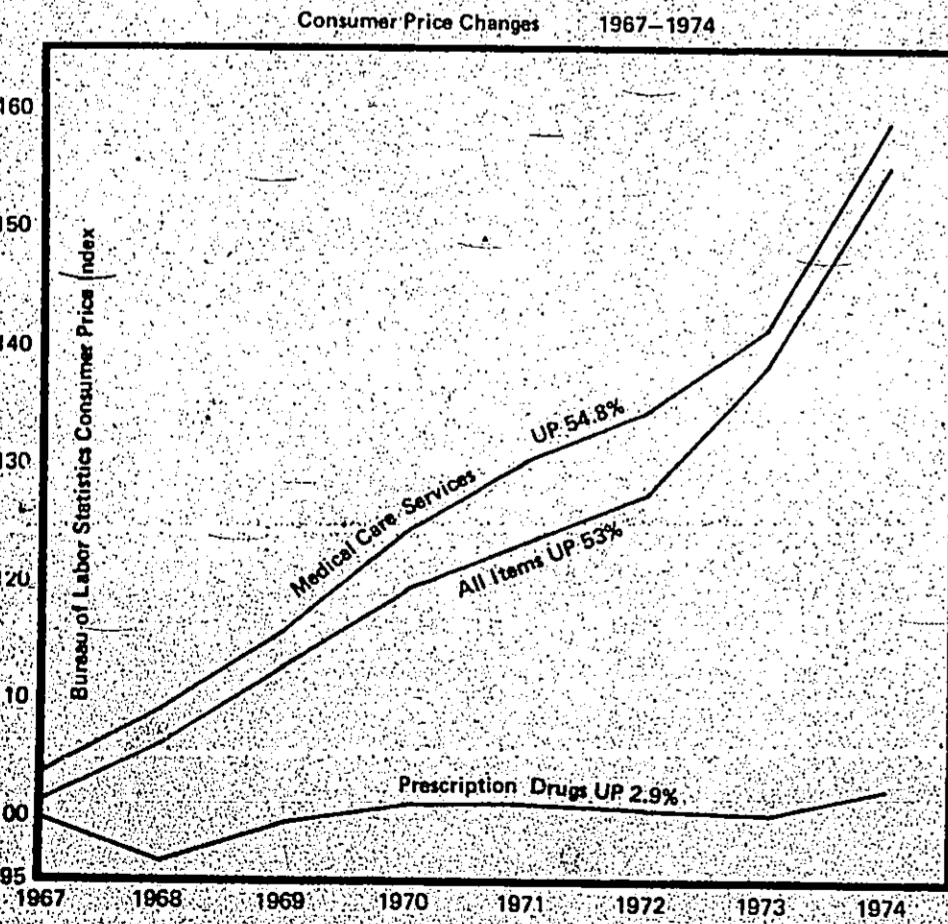

indors. You are invited to be in Livingston to join in the celebration starting at 4 p.m. Saturday, November 29..... Ernest Tubb Day!!

Prescription Drugs 'Holding Own'

“Prescription drugs are one item that have not significantly increased in price despite the recent inflationary trend that has affected almost all other consumer items,” said Jack Maguire, director Public Affairs Texas Pharmaceutical Association. “Prescription drug prices rose only 2.9 per cent between 1967 and the end of 1974 according to the Consumer Price Index compiled by the U.S. Bureau of Labor Statistics. In fact, prescription drug prices even decreased slightly between 1967 and 1968 and 1972 and 1973. Between 1967 and 1974 the Consumer Price Index for all items rose 53 per cent and the Consumer Price Index for medical care services was up 54.8 per cent,” Maguire added.

Petticoat Politics

By Jerry Wilson

When many of us think of the "petticoat" politics of the past, we picture a woman in a long, flowing dress, walking down a street in a small town, her hands on her hips, looking at a man who is looking at her. This is the image of a woman who is "in the know" and who is "in the power".

Capital city, a day in Annapolis offers the view of the Chesapeake, to taste the delicious Chesapeake blue crabs, to walk down winding streets, and to see the many homes of our forefathers or a walk through the reconstructed Colonial town of Williamsburg, a little thought before-

And one of the most delightful hours possible can be spent in the Maryland State Capitol, right in the heart of historic Annapolis; seeing a state capital might not sound too intriguing. But this one is!

Colmesneil News

The annual Thanksgiving supper will be served at the Community Center Saturday evening, beginning at 6:00 p.m. Everyone is invited to bring a covered dish and join in an hour of feasting and good fellowship.

Citizens of Colmesneil are invited to have Mr. and Mrs. Robert Hill as permanent residents of our community. Their former home was Fort Arthur where she was a teacher in the public schools and they now live in their new home on the Bates place.

Mr. and Mrs. Jay Bailiff spent the weekend in Houston celebrating their 50th Wedding Anniversary on December 7th from 2 to 4 p.m. The celebration given by their children and grandchildren, Mr. and Mrs. Tolbert Ellis, Mr. and Mrs. Charles Dickens, Peggy, Ronald and Linda Ellis will be held at the Midway Community. The Dickens were married December 5, 1925 at Miami, Texas.

Fortenberry In Sam Houston U. Production

WOODVILLE—A Woodville woman will participate in Sam Houston State University production of "The Member of the Wedding" Nov. 17 through the 22nd.

Collette Fortenberry will portray Mrs. West in the production which will be presented in the Showcase Theatre at the University.

Mr. and Mrs. Johnny S. Smith of Woodville will celebrate their fifth wedding anniversary on November 22. Their children and families; Mr. and Mrs. James Smith, Mr. and Mrs. J.W. Nichol, Mr. and Mrs. Robert Armstrong, Mr. and Mrs. LeRoy Smith, Mr. and Mrs. Raymond Smith and Mr. and Mrs. Elbert Jenkins will honor them with an open house at the Smith home on Nov. 22. Hours of calling are 2:00 to 5:00 p.m. All friends and relatives of the Smiths are invited to attend.

The warmest of sympathy is extended from their neighbors and many friends to Mr. Arthur Owens and his family and to members of the Tatum family in the tragic death of their loved one, Lillar Owens which passed away in Woodville Hospital Friday after a brief illness due to a stroke.

Among the host of relatives from out of town who attended the funeral service were Mr. Owens' sister, Mrs. Eddie Crumpler and daughter, Verla Kin and his sister, Mrs. Helen of Jasper. Other relatives, Mrs. J.A. and Edmond Walters of Fort Arthur, others were Mrs. Myrtle Dean and Mrs. Ernest Tucker, Mrs. Gladys Mae Chamberlain and family of Beaumont, and Mrs. Mary Ann Davis of Humble and many others from various parts of East Texas.

The Speaker Reports

by Bill Clayton
Texas House of Representatives

The federal bureaucracy is encroaching upon our sovereignty. While we have not yet felt it where it hits the most vulnerable citizens, we soon will unless citizens stand up.

Federal control is being extended over construction of facilities in every river, creek, swamp, lake, and pond in the United States under Section 404 of Public Law 92-500.

What this means to us as Texans is that farms, cities, state and maintenance workers, and many others may soon have to get permits from a United States Army colonel before they can, for example, clean ditches or move dirt where cattails and willow trees grow.

Have You Met This Man?

EMMETT KELLY JR. For Southwestern Bell

There is presently before a subcommittee of the House of Representatives a bill which provides for amending the water pollution control act to limit the areas covered to the traditional concept of navigation.

Everyone concerned should take the opportunity to address their representative about the imperative need for Congress to clarify intent with regard to Public Law 92-500, House Bill 6935 and the identical Senate Bill 1878 are designed to allow Congress to clarify its intent.

If we do not have a grassroots of support from the people and Congress does not limit the scope to "navigable waters", then we are in for the most bitter dose of calamitous bureaucracy we have had to endure in a generation.

I foresee individuals and local governments swamped with mountains of federally inspired paper work for the most routine activities. It will be widespread loss and damage extending as far into the future as we would want to venture. Projects already begun could be stopped if they don't have the necessary permit, including full environmental impact statements for major projects.

The Marvels of God's Creations

WHY DO FISH LIVE IN WATER? We can answer this question partially by saying that their lungs were created to draw oxygen from the water. However, to know how and why we must look to God's word.

"In the beginning God created the heaven and the earth. . . And God said, let the waters bring forth abundantly the moving creature that hath life."

Attend Church and worship the one who created these marvels.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this, grounding in the love of God, no government or society or love of life will long endure and the world which we hold so dear will fall into a selfish perdition. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Frequently people refer to both the Old and New Testaments as authority for religious practices. These testaments contain different laws (Heb. 8:7-13).

The law of Moses, or OT, was given to the Jews (Exodus 20:1ff; Deut. 5:10). "All the seed should come to whom the promise was made" (Galatians 3:19). The NT is for all men. Jesus said, "I have another law...all nations..." (Mt. 16:15; Mt. 28:19). We are to hear Christ not Moses, Heb. 11:2; Acts 3:22,23; Mt. 17:5; Galatians 3:24,25 says, "...the law was our schoolmaster to bring us unto Christ... after that faith (the Gospel, GM), is come, we are no longer under a schoolmaster" (OT, GM). Jews are not now under the OT and Gentiles have never been governed by it.

"Christ is become of no effect unto you, whosoever you are justified by the law; ye are fallen from grace" (Galatians 5:4). To seek to establish our religious practices by the OT will cause our religion to be vain.

Some desired to hind circumcision and the law of Moses on first century Christians (Acts 15:1-29; note especially verse 5). As you read Acts 15 you will see that the Holy Spirit with the apostles and elders rejected circumcision and the OT as binding on Christians.

Even though the OT is not binding on men today it should be read and studied with reverence and care (Rom. 15:4 1 Cor. 10:1-12).

Mechanical instruments of music were used in worship under OT law but are not mentioned in the NT, therefore, those who respect the authority of Christ must not use them since the NT is our guide. Also, sabbath keeping, Melchizedek priesthood, etc. must be rejected. Send your Bible questions or comments to Glenn Melton, 306 N. Beach, Woodville, Texas 75779, ph. 283-5402.
