

For K.I.S.D. Involvement

Kirby High Student Council Names Garner 'Outstanding'

The Kirby High School Student Council which represents the entire 490 member student body at KHS announced this week that Mrs. Anne Garner will be the first recipient of a "Citizen of the Month" award.

The honor is given by the group according to its President, Patti Ralford, based on Mrs. Garner's characteristics of concern for Woodville Independent School District students.

The Council issues a formal statement on presenting Mrs. Garner with her award. It reads as follows:

"The Kirby High School student Council has chosen Mrs. Anne Garner as "Citizen of the Month" for December. The student body honors Mrs. Garner for the work she has done to aid the stu-

dents and teachers in the Woodville Independent School District.

Mrs. Garner is active in church work; is a member of the Study Club; and serves as publicity chairman for School Service League. The Garners have three children: Melissa, Marion, and Kurt.

Choices for Citizen-of-the-Month are based on characteristics of concern for the local students. Nominees are those who have shown exceptional interest in the spiritual, physical, and mental growth of the students.

One person will be chosen as Citizen-of-the-Month for the remainder of the school year.

Mrs. Garner said upon receiving the award: "I want to thank the Kirby High Student Council for selecting me." Ci-

tizen-of-the-Month." I have lived in Woodville for 15 years and my three children are in Woodville schools. Our town has many assets, a location in the most beautiful area of Texas, people who have civic pride and friendly regard for each other, churches that are spiritual and vital, and hundreds of creative and productive students in our schools. I would like to see these young people have the best school system in East Texas."

Mrs. Garner was in the presence of the entire student council when she was given the honor.

Council President Ralford said the award would be given each month till the end of the school year. She indicated that she hopes the next class would pick up the tradition.

VOLUME 48 NUMBER 14 WOODVILLE, TEXAS

THURSDAY December 11, 1975

Fire In Bus Is Fatal

An early morning fire last week in the converted-bus-home of Ernest J. L. Foxworth, 63, resulted in the death of the owner when flames engulfed the vehicle which was parked across the street from the Woodville Lumber Company. Firemen reported to the blaze at around 6 a.m. Wednesday, Dec. 3, but arrived too late to rescue the occupant. Fire officials did report that a butane gas tank found in the bus may have contributed to the start of the blaze.

For Democratic Primary Filing Deadline Is Feb. 2

Tyler County Democratic Executive Committee Chairman Morris C. Clemmons, Jr. reminds potential candidates for county offices that the filing deadline for the Democratic Primary Election is Feb. 2, 1976. The first Democratic primary election will be held on May 1, 1976. Clemmons said.

According to Clemmons, "Applications for the following offices can be obtained at the County Chairmen's Office at 102 South Charlton, Woodville, Texas 75979.

The following offices can be applied for in the next election:

Filing Fee
District Judge \$500
District Attorney \$500
Tax Assessor \$200

**County Attorney, \$200
Sheriff, \$200
Commissioner Pct. #1 \$150
Commissioner Pct. #2 \$150
Commissioner Pct. #3 \$150
Commissioner Pct. #4 \$150
**County Attorney, remainder of term which will expire in 1978.

On February 2, 1976, Candidates for county, precinct and one-county district offices must file with the County Chairman application to have name placed on the ballot, with filing fee not later than 6 p.m. on the first Monday in February preceding primary election, according to Articles 13.12, Sec. 2.

Candidates for unexpired terms will also file by 6 p.m. on Feb. 2, 1976, Clemmons said.

Clemmons also issued the following statement pertaining to election procedures. During the 1974 Democratic Primaries there were some misunderstandings about offices which were filled by the Commissioners Court. The misunderstanding occurred when the appointee thought that at the time of appointment the term was the unexpired term of the office, but this is incorrect. The appointee is appointed only until the next General Election which is held every two years. This law is found under Art. 2355 of the Texas Elections Code.

Clemmons listed his office phone (283-2514) for persons who had questions regarding the filing date or election procedure.

Commissioners OK Airport Bid In Busy Session Monday

The Tyler County Commissioners sat down to a busy session Monday accepting a \$74,000 bid for Tyler County Airport improvement and hearing concern from the Tyler County Ministerial Alliance for needed improvements at the County Jail facility.

Former Governor Allan Shivers who is spearheading the move to develop the runway facilities agreed to contribute some \$15,000 toward the project. That amount equals about one half of the county share of the cost of resurfacing and extending the present runway to the north

Governor Shivers brought two Texas Aeronautical Association Engineers with him to review the bid for the work as submitted by Moore Brothers Construction Company of Lubkin.

The Moore bid for \$74,

339.90 was the only bid presented to the county commissioners.

All commissioners voted to support the project.

Several representatives of the Tyler County Airport Committee were present to hear the engineers review of the construction specifications as submitted by the Lubkin firm. Included in that group was Cary Cruse, Poly

Archer, Buddy Ogden, S.D. O'Brien, Judge Tom Dick Mann, Precinct 1 Commissioner Joe Best, Toby Spurlock and Harry Stafford.

According to Judge Mann, who supported the improvements plan for the airport, "Before you can have industry come to the county you've got to have a good enough airport facility to receive the industrial speculators."

The Deep East Texas Council of Governments helped design the planning requirements for the grant.

No formal deadline was set for completion of the project pending completion of further preliminary planning.

Spokesman Rev. Clyde Bennett of the First Christian Church in Woodville stated concern from the Tyler County Ministerial Alliance about the condition of 90-year-old Tyler County Jail. The group had taken a tour through the jail a week earlier and asked the court what was necessary to build a new jail or improve the present facility.

Also present with Rev. Bennett at the commissioners' meeting was Father Bernie Patillo and Rev. Davis Powell.

Judge Tom Dick Mann responded to the Alliance con-

cern saying, "The jail is in terrible shape."

The Judge reported to the group that some \$31,000 in revenue sharing funds was currently set aside by the court for jail improvements but that couldn't be spent until the cost study for a possible new jail is completed in 1976.

The ministers expressed concern for inadequate facilities for females and juveniles.

Other county business reviewed by the court included:

--Awarding the regular county employees a \$50 Christmas bonus along with employees on various programs connected with the county who will receive a \$25 bonus.

--Commissioners moved beginning January 1, 1976, to close the County Solid Waste Disposal Dump from Friday, at 5 p.m., until Monday at 8 a.m. Monday the dump facility will remain open from 8 a.m. until 5 p.m.

--Dr. John Q. Gilechrist was reappointed unanimously as County health officer for Tyler County.

--The County Sheriff, after presenting a request for a locker facility to secure

evidence in the County Jail, was instructed to appear before the next commissioners court meeting with bids for the cost of such a security measure;

--a decision was reached by the Commissioners to participate in a 100 percent funding project in cooperation with the State Department of

Highways and Public Transportation on a Pavement Making Demonstration Program. A resolution was signed by the Commissioners indicating their wish for the county to participate in the program.

The next regular meeting of the Tyler County Commissioners Court is Jan. 2 at 10 a.m. in the Tyler County Courthouse in Woodville.

New Employment Assist

Office Opens

Woodville now has a new fulltime employment office administered by state and regional organizations. It will offer five-days-per-week service.

The representative in Woodville is Iris Whigham, and the telephone number is 283-3714.

With the excellent cooperation of Tyler County officials, the Deep East Texas Council of Governments and the Texas Employment Commission are joining in a combined effort to provide improved job placement and manpower training services to the Woodville and Tyler County area," officials announced.

These services will be provided by Whigham, a field representative who is located in the Tyler County Courthouse utilizing space and facilities generously provided by the elected officials of Tyler County. Services will consist of employment assistance provided by TEC in the areas of applications from those seeking employment, job orders from employers seeking workers, and other related placement services.

Services to the economically disadvantaged and certain other unemployed persons will be provided by DECOG, as the operator of Manpower Services programs under the Comprehensive Employment and Training Act of 1973 (CETA).

The office in Woodville is open now from 8 a.m. to 5 p.m. Monday through Friday.

"We certainly encourage all job seekers and area employers to make full use of this new service; and the service is free," officials said.

The office does not handle unemployment compensation claims; however, TEC representatives will continue to be in Woodville every other Thursday for this purpose.

Fair Draws Many

Several hundred persons attended the December 6-7 Business and Professional Women sponsored Craft Fair at the Woodville Lions Den.

There were 18 artists participating in the weekend event.

Many dealers were from this area.

Craft items ranged from

huge plants to stained glass candleholders. A few of the popular items were imported beads, wooden toys, various rocks made into bookends, astrophys and jewelry. Decorative metal sculpture objects, oil paintings and blown glass items were also shown. In addition to a variety of jewelry items, there were several food booths. Handcrafted rocking chairs were displayed on the screened porch.

LIBRARY NOTES

All citizens, Library and Museum, are invited to have their groups visit during the past several weeks.

Saturday, the Cub Scouts, their leaders from Pineland came for a tour of the museum enroute to the Indian Reservation.

Brownie Scouts with Mrs. Alva Cook as leader and Girl Scouts with Mrs. Penny Bell as leader, also came to the Woodville groups in the library and museum recently.

B&P Party Set

The annual B&P Christmas party will be Thursday, December 11, 7 p.m. at the home of Mrs. Ruth Thomas, 402 South Magnolia. Rev. Claude Bennett, pastor of the First Christian Church, will be the speaker for the evening. The traditional dish dinner will be followed by Christmas music.

Campbell Contest

Students of Warren Elementary are busy collecting labels for Campbell products. The school goal is 2,000 labels. With these labels the school will be awarded a new encyclopedia for the kindergarten program.

Each week a room winner is

Vows Spoken

Mr. and Mrs. R.G. Best, Sr., of Woodville announced the marriage of their daughter, Becky to Hubbard Houston, son of Henderson on Sept. 19, 1975. Hubbard is the son of Mr. and Mrs. W.L. Houston and Winn, both of Henderson. The wedding took place at the home of Mr. and Mrs. Marlen Hardin's, grandparents of the groom. Mrs. Debbie Ambury served as maid of honor and Gary Witt was the best man. Rev. Ron Womack of Henderson performed the ceremony.

Wee Wisdom Program Set

The Wee Wisdom School will be holding its Christmas program will be Wednesday, Dec. 10, 1975 at the First Methodist Church in Waco. All parents are invited to attend.

Gannaway Initiated

Mrs. Barbara Jean Gannaway, daughter of Mr. and Mrs. Tom Stewart of Woodville was among the 71 Laramie University Seniors to be initiated into Phi Kappa Phi national honor society, Nov. 25, 1975. Mrs. Gannaway is a government major at Lamar and presently makes her home in Nederland.

The honor society is made up of students who are among the top 10 percent of their class.

Warren P.T.A. To Meet

The Warren Elementary

Parents Teachers Association will meet in the Warren Junior High Auditorium on Monday, Dec. 15 to view a special Christmas program to be presented by all the element-

ary school students.

Temple Foundation Assists MHMR

The T.L.L. Temple Foundation has awarded \$10,000 to three mental health agencies, including MHMR, the foundation trustee, Ward B. Bassett.

A \$4,500 grant was presented to the Deep East Texas Regional Mental Health and Mental Retardation Center; \$5,000 to the Lufkin Workshop and Opportunity Center, and \$500 to the Lufkin Council on Alcoholism.

In presenting the request, Buddy Temple of Dilbont, representing the Foundation, said, "The Foundation's interest in mental health treatment and rehabilitation...

"The Foundation has viewed

the administration's out-

standing work done by the

agencies in the purchase of

mental health services and re-

habilitation."

Lawrence indicated the Fo-

undation would fund the

purchases of land to trans-

port those participating in the

work goes unsung, but the ef-

fort and dedication that those suf-

fering from mental deficiencies

deserves and commands

the Foundation's commitment and support."

Mr. and Mrs. Jim Parker

and their son, Jim, of Wilder-

stone, were here Saturday

to look over the installation.

Indian Bicentennial Participation Growing

These are two questions which have often been asked in the past of John W. Warner, Administrator of the American Revolution Bicentennial Administration.

They were most recently repeated from many in an audience of over 1,200 in Port Arthur, Texas, during the annual Congress of American Indians.

Warner, in recent months,

has been traveling the country, addressing more and more to the satisfaction of native Americans critics of the Bicentennial.

The ARBA explores ways and means to do more to support specific projects and programs around the country.

The ARBA has established an office of Native American Programs which is located in Denver to more accessible to the Indian tribes and reservations.

Headed by Wayne Chittin, a Blackfeet Indian, the office is conducting a survey of tribal leaders to make them aware of the office's availability and functions.

Programs will have traditionally served as a forum to meet and discuss issues and they are working in this area for Bicentennial activities, particularly where federal money is involved.

The Crow Indian Reservation in Montana will host a national gathering of tribes for a week-long pow-wow in 1976.

On many reservations, culture heritage is being promoted through arts, oral histories, exhibits, films and so on.

One of my main concerns is to work with native Americans will be abundant during the coming year.

The Crow Indian Reservation in Montana will host a national gathering of tribes for a week-long pow-wow in 1976.

42nd Convention Review

SAN ANTONIO--Texas Farm Bureau held its traditional state convention in opposition to revision of the state constitution at its 42 annual convention here Wednesday Dec. 3.

In some 1,159 voting delegates from 164 counties also took a sharp stand for legislation calling for a moratorium on food export shipment of grain sold for or went on credit as opposing federal farm price supports or federal government units.

The total convention registration of more than 1,300 at a TFB convention, was the number of voting delegates certified.

John C. Duhart, president of Duhart was unanimously reelected president for 1976 after two nominees--T. J. Richard and W. E. "Bill" Reed, director of 14 years from District 3, and Bill Reed of Lamesa, District 7 director with a stellar nomination in support of Duhart.

Present and future problems, in lifestyle and social needs, are also major considerations in Native American Bicentennial programs and projects.

The Mid-American All-Indian Center in Wichita Falls, was unanimous, reelected president for 1976 after two nominees--T. J. Richard and W. E. "Bill" Reed, director of 14 years from District 3, and Bill Reed of Lamesa, District 7 director with a stellar nomination in support of Duhart.

Maximum income eligibility standards, effective Jan. 1976, are:

Two-person household.....\$325

Three-person household.....\$433

Four-person household.....\$533

Five-person household.....\$633

Six-person household.....\$733

Seven-person household.....\$833

Eight-person household.....\$933

For each additional household member over eight, add \$127 to the eight-person level.

The revised economics of scale developed by ARB is designed for households of four or more persons, that have been applied in the USDA food plan. Economics of scale are unchanged for households of three or less.

The Food Stamp Act, as amended, directed that coupon allotments be adjusted to reflect changes in food prices as published by the Bureau of Labor Statistics.

Statistics, as of August 1975, show that the July-June 1976 schedule will save \$100 for a family of four.

The revised economics of scale developed by ARB is designed for households of four or more persons, that have been applied in the USDA food plan. Economics of scale are unchanged for households of three or less.

The Food Stamp Act, as amended, directed that coupon allotments be adjusted to reflect changes in food prices as published by the Bureau of Labor Statistics.

Statistics, as of August 1975, show that the July-June 1976 schedule will save \$100 for a family of four.

Maximum income eligibility standards, effective Jan. 1976, are:

Two-person household.....\$325

Three-person household.....\$433

Four-person household.....\$533

Five-person household.....\$633

Six-person household.....\$733

Seven-person household.....\$833

Eight-person household.....\$933

For each additional household member over eight, add \$127 to the eight-person level.

The revised economics of scale developed by ARB is designed for households of four or more persons, that have been applied in the USDA food plan. Economics of scale are unchanged for households of three or less.

New Texas Almanac Released

The American Revolution of 1776 set in motion events that led to the colonization of Texas and eventually to its own struggle for self-government. Since the new 1976-77 edition of the Texas Almanac, published by A.H. Belo Corporation, publishers of the Dallas Morning News, those historic events affecting Texas have been integrated in an article written especially for the new Almanac by the late P. H. Shaffer, editor, historian, and at the time of his death in 1973, director of the Bicentennial section of the Institute of Texan Cultures at San Antonio.

"Those historic events affecting Texas have been integrated in an article written especially for the new Almanac by the late P. H. Shaffer, editor, historian, and at the time of his death in 1973, director of the Bicentennial section of the Institute of Texan Cultures at San Antonio.

Alexander Gammie, Sr., chairman of American Revolution Bicentennial Commission of the Institute of the Americas, "Shaffer was simply the first step in the planning of the Americas," Shaffer wrote in his article.

U.S.D.A. Urges Vaccination Of Heifer Calves

Upon a total of 10 percent of all the known herds infected herds in the U.S., the U.S. Department of Agriculture (USDA) is starting a federal animal health plan to vaccinate their herds for calves against brucellosis. The Animal Health Inspection Service (APHIS) recommend vaccinating beef cattle daily before calving. The USDA says "officially vaccinated" and allows the approximate time of vaccination to be stamped on the ear. According to Dr. E.S. Corcoran, veterinarian in charge for APHIS, Brucella abortus is a live bacterial product and should be administered by a veterinarian or other qualified animal health agencies. A tattoo applied to the right ear at time of vaccination gives a permanent mark.

Strain 19 vaccine is a live bacterial product and should be administered by a veterinarian or other qualified animal health agencies. A tattoo applied to the right ear at time of vaccination gives a permanent mark. Strain 19 organisms are not transmitted from vaccinated to non-vaccinated animals.

According to Dr. E.S. Corcoran, veterinarian in charge for APHIS, Brucella abortus is a live bacterial product and should be administered by a veterinarian or other qualified animal health agencies. A tattoo applied to the right ear at time of vaccination gives a permanent mark.

Strain 19 vaccine is safe and effective if it is used properly. It is the only brucellosis vaccine available officially recognized in this country. Heifers, when vaccinated at the proper age, will need low doses of vaccine which results in development of immunity. During this period of immunity, the greater the dose of vaccine, the greater the chance of transmission of the disease.

Strain 19 vaccine is safe and effective if it is used properly. It is the only brucellosis vaccine available officially recognized in this country. Heifers, when vaccinated at the proper age, will need low doses of vaccine which results in development of immunity. During this period of immunity, the greater the dose of vaccine, the greater the chance of transmission of the disease.

The Tyler County 4-H Adult Leadership Association met in the Tyler County Courthouse's Courtroom at 7 p.m. on Tuesday, Dec. 2, in the auditorium. The meeting was opened with a brief devotion, and set the date for the 4-H Awards Banquet.

The following 4-H Adult Leaders attended: Milton Williams, Mrs. F.C. Richele, Mrs.

Why Be Immersed?

The saying "If any man be immersed in the water of baptism, he is baptised into the death of Christ" (Rom. 6:3-5) is often used to mean that baptism is the immersion of the entire person.

What does it mean to be immersed? To be immersed means to dip, plunge or immerse, never to sprinkle or pour.

Why do we want to be immersed? To be saved! "He that believeth and is baptized shall be saved" (Mk. 16:16; I Pet. 3:23). BAPTISM IS THE SACRAMENT OF SINS: "...repent and be baptized in the name of Jesus Christ for the remission of sins..." (Ac. 2:38).

INTO CHRIST: "For as many of you as have been baptized into Christ" (Gal. 3:27). Salvation is in Christ (II Tim. 2:10), and baptism is the immersion into Christ.

TO GET INTO THE BODY OF CHRIST:

"...the Spirit are we all baptized into one body..." (I Cor. 12:13). The body and the church are the same (Eph. 1:22, 23); therefore, one is baptized (immersed) to get into the church. TO HAVE SINS WASHED AWAY: "...christen, and be baptized and wash away thy sins, calling on the name of the Lord" (Ac. 22:16).

Why be immersed? To be saved, for the remission of sins, to get into Christ, to get into the body of Christ which is the church, and to have sins washed away.

The person however must be baptized (immersed) in water to go to heaven.
