

# Hill Hits At Bell For Overcharging Customers

AUSTIN—In a story that will echo through the entire U.S. telecommunications industry, the Texas attorney general has accused southwestern Bell Telephone of overcharging residential customers in Texas to finance a price war against competitors.

In a 17-page document, Atty. Gen. John L. Hill stepped recently into a complicated pricing dispute between the Texas Public Utility Commission and one of its competitors, Fisk Telephone Systems of Houston.

The battle before the Texas Public Utility Commission, with a decision expected sometime this month, originally stirred little interest outside industry circles. The crux of the battle was a charge by Fisk and the Texas Interconnect Association, a trade group, that Bell was pricing its Dimension switchboard below any reasonable cost value and financing the price war with overcharges to residential and other Texas basic service customers.

It is a claim that Bell's competitors have made nationwide, most often through the Washington-based North American Tele-

phone Association. This is a trade group that represents the major manufacturers and contractors dealing in telephone systems equipment sold in competition with Bell and its allies among the 1,600 U.S. independent telephone companies or common carriers.

There have been several findings of underpricing, but no major government official has accused Bell in such harsh terms of anticompetitive tactics as did Hill in his intervenor's brief filed Nov. 30 but not circulated widely until some weeks later.

In his statement, Hill reminded the commission that Texas law required it to "affirmatively condemn all practices of public utilities that tend to restrict or impair competition between the utility and any entity selling, leasing or performing services in competition with the utility." He said that commission was required to "take whatever action is necessary to stop such practices."

Hill's intervenor's statement said: "It is the conclusion of this office that the actions of all members of the vertically inte-

grated Bell system are consistent only with their overall objective of pricing the Dimension PBX unit (switchboard) below its over-all cost of development, production and marketing in order to control the available PBX market. As a necessary aspect of such pricing scheme, portions of the uncovered costs of the Dimension PBX were paid by the general residential telephone rate payer. As hereinafter discussed, the explanation for actions by the Bell system members have been inadequate to carry their burden of persuasion that such practices are not condemned as anticompetitive under the law setting up the state's Public Utility Commission.

The Hill document also noted: "Predatory pricing to gain or hold monopoly power is recognized as a classical violation of the antimonopoly laws of the United States."

"It is summing up the case against Bell, Hill noted that Bell had a 90 percent share of the PBX market, which he called a "monopoly." The document then said:

"Each policy decision made by Bell in connection with the development and marketing of the Dimension PBX was designed

to promote and solidify southwestern Bell's monopoly position in the Texas market through the elimination or restraint of competition."

A Federal Communications Commission report to Congress said nationally the Bell System may be losing some \$2.25 billion on telephone equipment, including the Dimension PBX, Bell offers in the competitive sphere. The deficit is made up, the FCC said, by overcharges against monopoly service Bell customers, including homeowners and small businesses. In Texas, the overcharge on a statistical basis would be about \$12 million annually. NATA and its economists have said.

John McShea, president of the North American Telephone Association, said of Hill's submission to the Texas commission: "Mr. Hill has given a clear view of Bell's predatory pricing and other monopoly tactics. It is also clear that Bell has embarked on this course because it has failed to convince the FCC, the courts or Congress that monopoly best serves the interest of the American telecommunications consumer."

### White Opposes Hospital Rules

SHERMAN—The U.S. Department of Health, Education and Welfare is making a grave mistake by proposing strict regulations which would force many Texas hospitals to close, Attorney General candidate Ben White said today.

"I am pleased that HEW Secretary Joseph Califano has publicly said that these proposed guidelines will be revised," White said. "But the point is that they should never have been written in the first place."

"Eighty-nine percent of our 400 short-term care hospitals in Texas could not meet the unreasonable guidelines. This is a perfect example of federal bureaucrats using their power in an attempt to legislate. In this particular case, the effects would be so widespread and disastrous that they were forced—or at least they have promised—to back down."

White made his remarks in a luncheon speech to the Grayson County Bar Association.

"There are many cases in which federal bureaucrats run rampant over the rights of people simply because their rules and regulations go unchallenged," White said. "Many of the industries they inflict upon the taxpayers are less noticeable than the proposed hospital regulations, which undoubtedly would result in denying medical care to a great many people."

"Unfortunately, the bureaucrats' power to create rules and regulations goes virtually unchecked on the federal level. Up until very recently, this was also the case on the state level," said White.

White explained that the last state legislature passed a recommendation of the Hobby Commission, while he was Secretary of State, which allows them to at least review the agency's proposals and issue an opinion.

# December Newcomers Fill Tyler County

By SUSAN RAMOS  
 "It is the season to be jolly," and we really have a reason to be jolly. Jesus was born in Bethlehem 2,000 years ago. But we have even a mightier reason than this to celebrate—He still lives today.

I hope everyone is having a wonderful Christmas, and certainly hope our newcomers are thoroughly enjoying their first Christmas in Tyler County.

Harold and Nancy Timmons moved to the Vanhook area from Del Rio, Texas, Mr.

The Howards, Charlie and Louise, are living in Woodville now, but Mr. Howard commutes to Beaumont where he is owner of Tri-City Tractors. They have one married daughter who lives in Kanosh, Wisconsin.

Moving to Spuriger from Buns are Burnett (Bud) and Martine Rich. Mr. Rich is a heavy equipment operator for Charlipon International Paper. Fifteen year old Haven is a freshman at Woodville. Another daughter, 14 year old Deanna is completing her last semester in Buns. The Riches have three other children who are married and live out of the area.

Moving to Warren after leaving their home in Deer County, Connie, and their three children 16 year old Gary, 12 year old Tim and 7 year old Melissa. The Benoit children are attending Warren schools and Mr. Benoit is an instrument operator for Foster Wheeler out of Orange.

James and Mary Wells moved to Woodville from Cincinnati, Ohio, for good. He is a retired minister of the Church of the Nazarene. They have three sons; one in Houston who works for Brown and Root, one in Detroit who works for Cranbrook Institute of Science, and one who is principal of a high school in Knoxville, Tennessee.

In October, Bobby and Regina Dockens left Splendo. Their three children attend Woodville schools: Kathy, 15; Eric, 13; and Karen, 9. Mrs. Dockens is an electrician for Local 479. In January Mrs. Dockens plans to open up in her home, "Glen Watson Realty," located two miles out on Town Bluff Road.

Retiring as veterinarian for Texas Department of Health is Dr. L.W. Pessara. He and his wife Mary have moved from Austin after building a new home in the Harney community.

Mrs. Dickie Martin has returned to Chester after having been gone for twenty-two years. She was born and raised in Chester and is glad to be back home. She moved to Tyler County from Baytown and is already attending Caney Creek Baptist Church. She has two sons: one living in Baytown and one who just moved to Chester also along with his family.

This is Jasoo and Brenda Martin and 14 month old Tammy. Renee, they are formerly of Baytown and are also attending Caney Creek Baptist Church in Chester. Chester is also happy to have Mr. Kerry Dale Boyd from Houston who is employed by Champion Building in Carriagan. He moved to Chester in August.

Moving to Doucette from New Orleans are two sisters: Misses Della Gibson and Kate Gibbon.

Warren has a new couple: Kenneth and Evelyn Griggs from Lumberton. Mr. Griggs works for Mobile Chemical in Beaumont. They have two married daughters: one working for Mobile Oil Company in Robert Wells.

Joe K. Sample has been elevated from Field Sales Manager to Vice President. Harold C. Maxwell, formerly Vice President/Marketing of Temple Division, is now Vice President/Operations.

Sample and Temple in 1964 as a sales rep, was named sales representative in Tyler, Texas the same year and Field Sales Manager in 1970.

A native of Pinedale, Texas, Sample received his Bachelor's degree in Marketing from Lamar University.

# License Notices Coming

AUSTIN—License plate renewal notices for almost 11 million motor vehicles are in U.S. post offices throughout Texas for delivery to owners beginning the day after Christmas.

R.W. Townsley, director of the Motor Vehicle Division, said the notices were stuffed into envelopes, prepared by zip code, boxed and delivered to post offices to expedite delivery. Work to get the renewal notices ready for delivery started in early October.

The plate renewals for passenger cars and light trucks (such as pickups) will be different from last year. A new law requires that renewal data be spread as equally as possible over 12 months, rather than have all expire at one time (April 1) each year.

Since the Motor Vehicle Division does not maintain records by owner's name or birth date, the license number of the vehicle has been used to determine the month of registration renewal in the future.

Renewal notices have been issued to reflect the number of months and the prorated fee to be paid to register each

vehicle under the new system. A complete explanation of the new system is enclosed with each renewal notice for passenger cars and light trucks (one ton or less). It is imperative that vehicle owners not lose the registration notice as it must be presented at the county tax collection office to obtain new license plates.

Because of the new system, registration may take longer this first year than ever before. The new law authorizes county tax assessors to start processing the renewals a month early.

Your county tax assessor collector is ready when you are any time starting with the county's first work day in 1978.

Look for your postman to bring your license plate renewal notice shortly after Christmas, Townsley said.

Ramblin' 'Round Rockland

PRICES GOOD DECEMBER 28, 29, 30, 31, 1977 and JAN. 2, 3, 1978

By ALOHA FREELAND  
Hello again from Rockland. We do hope you had a wonderful Christmas and will have a nice New Year's holiday as well. And a special wish for a wonderful holiday season from me to W.A. Cockrell Jr. and his friends at the Veterans' Hospital in Little Rock, Arkansas. Thank you for your wonderful letter. Rev. Cockrell really enjoyed hearing from you. Most of us in and around the Rockland area have been celebrating the Christmas season with the usual Christmas festivities. Last Wednesday evening, the Baptist Church had its Christmas party. Lots of kids were in attendance, who, after a short devotional, played a rhythm band number for the adults and then had a surprise visit from Santa who gave them a little Christmas sock filled with candy and fruit. Everyone seemed to have a wonderful time.

We welcome Mr. and Mrs. J.D. Gilchrist, Jr. and their children to Rockland. They moved from Fort Arthur recently into the Kirby Cowart home which they purchased.

We are so glad that Jack Grounds got to return home from the hospital in time for Christmas and we hope he continues to improve rapidly.

Christmas Eve visitors with Mr. and Mrs. L.D. Brooks were Mr. and Mrs. Billy Freeman of Norman Park, Georgia.

Anderson Green of Houston was a Friday night visitor with Mr. and Mrs. Joe Greenwood.

Dan and Betty Jacks of Houston enjoyed a visit this week with their grandmother, Mrs. Jimmie Brown.

Christmas week-end visitors with Mrs. Ida Davis were her son, Dr. Tom Davis and wife, Betty, and their daughters Karen and Ginny.

Among those going out of town for the Christmas festivities were Mrs. Gladys Jeanes to Palestine to be with her son and family, Mr. Alvin Dean to Longview to visit his daughter and family, Mr. and Mrs. James Pace to Lufkin to have Christmas dinner with their son and family, Mrs. Donna Micham and children to Pasadena to visit her parents, and Leon Snell to Dallas. The Texas to visit his mother and other relatives.

So long for this time. God bless you, and may your holiday be everything you wish it to be.

**Clinic Set For Jan. 6**  
The Texas Department of Health Resources, Public Health Region 7 office announced plans today for a monthly immunization clinic for all children to be conducted at the Lions Den, on the Jasper highway west of Woodville. The next clinic will be held Friday, Jan. 6, 1978. Clinic hours will be from 9 a.m. to 1 p.m. Future clinic dates will be announced.

**Thomas Joins Thomas Florist**  
Kathleen Thomas has joined Thomas' Nursery and Florist as manager and designer. Kath brings with her several years of experience. Following graduation from high school, Kath attended Shiloh's School of Floral Design. While at San Houston State University, she worked for Jim Woodrum Florist. Miss Thomas then attended and graduated from the University of Texas at Austin. While in Austin, she worked for Airport Florist for one year, and Connelly Florist for two-and-a-half years. She has trained under designers who are well known throughout the state. Kath's specialties are weddings and silk arrangements, but she is skilled in all phases of floristry.
