like talented Sharon McAlister, eighth grade student at Woodville Middle School, have been sewing many of their new outfits themselves. Sharon not only loves to sew, but says that by making the garments herself she can select just the right fabric for just the right style and saves money.

Sharon selects most of her patterns and fabrics from GC Fabrics, 219 West Bluff. According to Sharon, hot new looks include bright, small checks, such as mustard vellow with black or red with black, both available at GC Fabrics. Other popular looks include big tops with jeans of tight peddlepushers, the layered big top look, and jams.

In fabrics, almost anything in stripes is a hit.

Likewise, paisleys are back and are big in tops or peddlepushers. For the newest look, wear paisleys with a complimentary stripe. Big, bold tropical prints with splashy flowers are another winner. Sharon says the tropicals, usually cotton, are especially good for jams. If you're building a more traditional fall ward-
