Lions Rodeo

March 28

The first Lions ATV Rodeo of the season will be held this Saturday, March 28, at the Lions Rodeo Arena in Jasper, according to ATV Rodeo committee chairman. Mark Pustka:

Registration for the junior class, age 12 and under, will begin at I p.m., with competition ollowing at 2 p.m. Adult class registration starts at 2 p.m., with competition set for 4 p.m.

"The younger riders will compete in all their events first; and the tro-. phies and awards will be presented to them before we begin the adult competition." Pustka said. 'That way we will not have any delays in the adult events, and the younger riders and their parents will not have to stay until the end to find

out who won." Admission is only \$2.00 per person, with children under age 6 free, and the concession stands will be open. All proceeds of the rodeo will benefit the Lions Club charities. For more information call 384-2591, 384-7691 ог 384-3583.

BROTHERLY LOVE- Local folk hero John B. (Brad) Smith (L.) was honored this past week with a visit from his brother Leonard S. Smith of El Paso. The two had a chance to visit THE BOOSTER to tell stories on each other. Leonard said of Brother Brad "He didn't miss with a lariat...even when roping little bitty piglets" Leonard also reported that Brad was a good baseball player (at any position). He also referred to Brad as a good writer. The two reminiced about hemming up and riding steers to pass the time when they were kids. Leonard, later on worked for the Texas Department of Highways, began the improvements which were started on Hwy 190 some 40 years ago. 'Back when they planted Dogwoods for the Dogwood Festival.'

LETTER TO THE EDITOR:

Sir, with the current interest of bringing new business' and industry to Tyler County. Lam compelled to write regarding a social institution making a valiant effort to upgrade the quality of life in East Texas, Namely, the Wood Fain Opera House and it's governing body, the Lamplighter

At the recent theatrical workshop and following performance by a professional acting and touring group, it was great! My thanks to the Lamplighters for bringing the A.D. Players to the Opera

The small number of folks attending the evening performance was, I'm sure, a disappointment to the Lamplighters. But then in general, it was an expression of the lackadaisical, self centered attitude of our local churches.

To use the adage, 'you never miss a good thing till it's gone,' might well be the Wood Fain Opera House without more community support. The really amazing thing is in most of the activities and productions at the Opera House being on a donation basis. Could it be that the one eyed monster.
