Caring/Sharing Serves Over 430 At Christmas Meal

The elderly and needy of Tyler County were treated to Christmas Dinner on Saturday, December 19th at the Woodville Inn. This was a joint effort of CIS, area churches, and the Woodville Inn. At least 430 dinners were handed out with 229 dinners being served in the dining room. The balance of the meals were delivered by the Woodville Police Department and various volunteers. While CIS provided the turkey, cranberry sauce, and paper products, most of the food was prepared by area churches. Rainbow and Sunbeam donated the bread. There were around 20 volunteers to assist with the dinner and even Santa Claus showed up to help celebrate.

'Gratitude'

Caring is Sharing wishes to extend their heartfelt gratitude to all the kind-hearted people who helped with the Annual Christmas Dinner for the needy. We wish to especially thank Rainbow Bread, Sunbeam Bread, and the Woodville Inn for their donations and help. Also special thanks to the churches that donated food and its preparation and to our volunteers for serving and Santa Claus for coming. Special mention to the Woodville Police Dept. for delivering meals to the Shut-ins and the Senior Citizens mini bus for delivering meals and furnishing transportation for those in need.

Cencom Cable Buys Woodville

ST. LOUIS, MO., Dec. 18, 1987 - Cencom Cable Associates, Inc. has completed its acquisition of 17 cable television systems from Adam Corp., a Bryan, Texas-based cable company, it was announced by Robert A. Brooks, chairman and chief executive officer of Cencom Cable. The acquisition boosts the number of subscribers served by St. Louis-based Cencom from approximately 175,000 to 250,000, Brooks said. The acquisition of the Adam Corp. properties is consistent with our growth-oriented strategy at Cencom, Brooks said. We're very proud of the growth and customer service records that we've established in each of our systems, and we look forward to maintaining Adam Corp.'s tradition of excellence in Texas Group providing these newly acquired customers with the best possible cable service. Brooks said the acquired systems are located in Texas, Clarksville, Tennessee; and Hopkinsville, Kentucky. Texas Group Angleton, Buffalo, Hemet, Kingsville, Marlin, Woodville, Bellville, Cleveland, Jasper, Madisonville, and Sealy, Kentucky. Military Group Fort Hood, Texas; Fort Gordon, Georgia; Wurtsmith Air Force Base, Michigan; and Camp Lejeune, North Carolina.

The following is a candidacy announcement by Wade Skinner, for sheriff of Tyler County.

I, Wade Skinner, 35 wish to announce my candidacy for the Office of Tyler County Sheriff. I am a native of Tyler County and am the son of Wilma J. Skinner and the late Derral Skinner of Doucette. I now make my home in Colmesneil with my wife Jackie. I graduated from Kirby High School in 1971. I chose Law Enforcement as my profession in which I have had 13 years experience. I began my career in Law Enforcement as a Correctional Officer 1 and was later promoted to an Industrial Supervisor 3 (Lieutenant). In 1980 I resigned my position with the Texas Department of Corrections to become a Deputy Sheriff for Tyler County under Sheriff Leon Fowler. This position I held for 3 1/2 years and was then promoted to Chief Deputy which I held for 3 1/2 years. I received my Law Enforcement training from the East Texas Police Academy through Kilgore Junior College. Upon my completion I received my permanent license as a Certified Peace Officer and a Permanent Licensed County Jailor. I now seek election for the Office of Tyler County Sheriff. With my experience in the Sheriff's Office I feel I am fully qualified to carry out all duties and responsibilities associated with this office. The people of Tyler County with whom I have associated with both personally and professionally know my reputation of being a fair and just officer. I look forward to meeting and talking with you in the near future and I assure you my support will be appreciated.

CARING IS SHARING KIDS - The big smiles and full stomachs show the success of the Caring is Sharing Christmas Dinner held at the Woodville Inn where over 430 meals were served.

John Leggett had his chance a little later but all he got was a little bark knocked off of some trees as the buck shot and slug from a 16 gauge shotgun win sailing over the deer. John got to help Ken carry the deer out of the woods, skin them, cut them up, ice them down and bring them back to Woodville. I don't know how much of the meat John received for his work. I don't think he lost his shirt tail for missing.

Fishing Report

I didn't go fishing a time last week and don't know how many fish I did catch. I caught 5 fish but 4 of them were keepers. Larry caught two on a long A and Boots used worms and jigs.

Is there a Santa Claus?

It is the question that has troubled the minds of many since the publication of the poem "A Visit From St. Nicholas" in 1822. The poem, written by Clement Clarke Moore, is one of the most popular of all Christmas poems. It is a poem about a boy named Tom who is skeptical about the existence of Santa Claus. He asks his friends and family if there is a Santa Claus, and they all tell him there is. He then goes to bed and dreams of a night with Santa Claus and his reindeer. The poem is a classic of children's literature and is still popular today.

The covered wagon was first built by the German farmer of Pennsylvania.

In Newfoundland, it was once believed clover in the bath would cure skin diseases.

Cool days used to be a time when Mom would put a big pot of homemade soup on the back burner to simmer all day long. After an afternoon of outdoor work, a hot bowl of soup would be just the right thing to rid us of chill.

Although schedules have become busier over the years and less time is spent in the kitchen, hot soup is still a favorite meal to chase away the chills. When juggling work, kids, and an upcoming holiday season, time becomes very limited. Home-made soup also doesn't have to be ruled out of those hectic evenings.
