The regular monthly meeting of the Woodville Garden Club will be held on Wednesday March 16; 1988 at the home of Mrs. Vera Nichols, Forest Lake Estates at 10:00 a.m. Mrs. Ethel Read will be o-hostess. Members should bring a sach unch, since we will have workshop learning the art of flower arranging and all members are urged to bring necessary supplies, such as con-tainer, cutting tool and available flowers. We will need to learn these skills in preparation for the annual flower show to be held on April 13,

The theme of the meeting will be "Visions of Beauty'' through design and the bird of the month will be the bluebird and a short program will be conducted by Mrs. Jane May on this

-sidents-are-urged to-be preparing their entries in the "Welcome Neighbor'' segment of the Flower Show. These entries can be a potted plant, flower arrange-

Hearing Tests Set For Senior Citizens

"We give FREE second opinions" WOODVILLE-Electronic hearing

test will be given by the Beltone Hearing Aid Service Friday, Mar. 11. at Tyler County Hos-Factory-trained Hearing Aid Specialists will be at this service center to perform the tests. Any-

one who has trouble hearing clearly is welcome to have a test using the latest electronic equip-ment to determine if his loss is one which may be helped. Some of the causes of hearing loss will be explained and diagrams of how the ear works will be shown!

Everyone should have a hearing test at least once a year if there is any trouble at all hearing clearly eny trouble at all hearing clearly.

Even people now wearing a hearing aid or those who have been told nothing could be done for them should have a hearing test and find out wheater the latest methods of hearing correction can help them hear better.

The free hearing test will be given Friday, Mar 11 from 10 acts to 3 p.m. at the Tyler County Hospital.

Sunny

the Mesquite Tree how it stood the hot and dry feet deep. Also with lateral roots that extend from fifteen to fifty feet out from the trunk of the tree. It bears a long podof beans which the livestock eat. The beans or seeds can lay dormant for several years. The trees are very difficult to get rid of on account of their root system. The cows will not eat the leaves because the tree limbs have a two inch thorns as sharp as needle. They bloom in the springtime and bees make good honey from TO BE WED-Dorothy Lynette Martin and Michael Lloyd Burnes will be married on Saturday, March 12, 3:00 p.m. at the home of her parents. The wedding ceremony will be officiated by Rev. Cary Modisette who pastors The wood is Shawnee Church of Huntington. The wedding will be followed by a fish fry and reception with entertainment. Dorothy Lynette Martin is the daughter and reception with entertainment. Dorothy Lynette Martin is the daughter of Andrew and Billie Sue Martin of Colmesneil and she is a student at Colmesneil High School. Michael Lloyd Burnes is the son of Dick and Shirley Burnes of Dam-B, Woodville, Texas. Michael is an 1987 graduate of Colmesneil High School and is employed by Martin's Traming & General Building Contractor's Inc. of Colmesneil. The couple plan to make their home in the big city of Colmesneil. All friends and relatives are invited than the press. posts plus the mexicans cook tortoises outdoors

with the wood. There use to be a small patch of Mesquite Trees not far from the Sunny Dell Church and will check them out soon to see i they still exist. Now have read more about the Mesquite Tree.

during the project and to date more than 65,000 been read. Although the statistics are still being LIGHT PLEASE' nalyzed, early indications are that nearly 400

"Peaceful Penitence"

When we were little children, we often found ourselves in some kind of trouble. During these times of stress, we were always confronted by an authoritative figure. The figure usually stood shakily, "I don't know."

In Holy Scripture, we are told that when we "grow-up," we should put away childish things. 'wages of sin is death!''

A spanking, or simple punishment, rendered Him and He with us. Praise be to God! unto us as a child might seem most welcome when (Any questions or comments concerning the compared to death. However, a choice of punish- column are welcome and should be addressed to ment for sin is neither given nor implied. It is a - the author in care of this newspaper.)

fact! Sin is anything that gets in our way to God. So, what then can we do about it? First, we must

The Bible tells us, "He looketh upon men, and if any say, I have sinned, and perverted that towering over us with a menacing frown and which was right, and it profited me not; He will piercing eyes. From the heights above as, a voice would boom down with exasperation saying, shall see the light." Another way of saying this "Why did you do that?" To this, our bodies is, "we must repent of our sins." To do this, we i-had melted into a blob of fear replied must confess our sins. To say, "I don't know," is no longer acceptable. As adults, we must now tholy Scripture, we are told that when we answer, "Yes, I did those things."

Just as our parents loved us, (even when we Upon entering "adulthood," we find that we are were in trouble), God also loves us. He knows our not only supposed to know what we are doing, but sins even when we refuse to acknowledge them. we are also held accountable for our actions! To rid ourselves of our own realization of personal There is no longer any excuse available and we can no longer claim ignorance as a justification for our behavior. We are also told, in Holy Scripture, that "all have sinned." And, we find that the hearts and "bind" cur wounds. He will take hold the strange of the least had be at pages with our strengths and we shall be at peace wit

Screening mammo-graphy, that is, mammo-graphy of asymptomatic women, can provide a "baseline" by which a woman's future mammograms can be com-

The ACS recommends a screening---baselinemammogram for women between the ages of 35 and 40 and then annual or biannual mammorams between ages 40-50. After age 50, women are encouraged to have a mammogram every year. Women with a personal of family hisory of breast cancer mammography before

Mammography, to-gether with monthly breast self-examination by the woman and an annual physical ex-amination by a physican

and Demonstration Project, a major study, funded jointly by the ACS_and the National Cancer Institute. Yet a recent Gallup survey indicated that only 15 percent of women over age 50 have a mamniogram every year. The poll also showed that 75 percent of all U.S. women are aware that

FOR EVERYONE

"My eyes are in East Texas."
I wanted my doctor here, too."

"When I got ready for cataract surgery. I turned to East Texas: Eve Associates for several important reasons.

One, my eyes are in East Texas. I wanted my doctor here,

"Two, I wanted to make sure I'd get a local follow-up exam:

Three. I liked the convenience of free transportation to and

from the hospital and the doctor's office.

"Four, I wanted medical experience. The ophthamologists at ETEA represent more than 134 years of combined service in handling eye surgery, cataracts, glaucoma and other eye problems. At the time, East Texas Bye Associates has been

in business here since 1959.

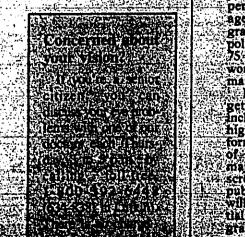

'Five, I like the convenience of a toll-free telephone number,

East Texas Eye Associates
