## Stover: Jury Indelibly Tainted

Criminal District Attorney Pat Hardy's motion to reassemble the 1987 Grand Jury term of the Grand Jury was denied in a "detailed order" issued on Monday April 25 by 88th District Judge Smokey Stover. Stover cited a series of newspaper articles which promote the order suggests compromise and impartiality of the grand jury. Since the foreman is the official spokesman of the grand jury, the conduct in this particular instance could be reasonably construed as formal action of the entire action of the grand jury, thereby subjecting the entire grand jury process to disrepute, ridicule and loss of public confidence.

Judge Stover's order was referring to a reported incident where Esler To Page 3A

## WISD Fills Key Positions

By Annabeth Willis

The Woodville Independent School District filled key positions Tuesday, April 19, 1988, as they employed Melvin Houston as Athletic Director and Head Football Coach, Mary Hymel as Assistant Band Director, and Don Boler as Shop Teacher. Houston, who was employed by the District as Athletic Director and Assistant Principal, will now assume the reins of Athletic Director and Head Football Coach. It is Houston's second time to serve as Football Coach in the District. Mary Hymel will fill the position vacated by Bob Renfro. Renfro has served as High School Band Director for two years and Assistant Band Director for three years with the District. Hymel graduated from high school in Houma, Louisiana, received her Bachelor of Arts in Music from Louisiana Tech University, and is presently completing her Master's Degree in Music from Lamar University. Don Boler will replace Shop teacher Phillip Brunett who retired in January. Boler's contract is for the 1988-89 school year. He will finish this year with the district as a substitute.

The Board signed a resolution commending Naomi Stagg and Twister Marguiss for outstanding academic achievement. The two Woodville To Page 3

**FATAL ACCIDENT**—A one vehicle accident claimed the life of 17-year-old Woodville High School student Jeffery Keith Simmons, of Woodville, early Saturday as his pickup failed to negotiate an extended curve some seven miles southeast of Colmesneil on Hwy 256 which was rain slick with low visibility. Burial took place at the Attoyac Cemetery in San Augustine on Tuesday. (Details on Page 8A)

## Hightower Announces \$300,000 Grant

AUSTIN-- State Representative Allen Hightower (D-Huntsville) announced today that 148 grants were awarded under the annual Community Development Project Fund. "I am very pleased that my District was competitive and received \$1,180,002 of the \$28,069,026 that was awarded." New Waverly will receive \$328,510 for rehabilitation of 31 sub-standard owner-occupied homes on a city-wide basis. Polk County \$160,820 for provision of water system improvements to a previously unserved area just outside the City of Goodrich. Shepherd will receive \$183,552 for installation of water distribution lines in northeast Shepherd, Tyler County. \$300,000 for construction of a 12,500 square foot multi-purpose center building and \$207,120 will be awarded to Woodville for sewer improvements including lines and taps/service connections/yard lines in the Railroad Street area.

These awards were selected through a shared process involving the Texas Department of Commerce and Regional Review committees in 20 of the State's 24 State Planning Regions. This year 541 applications were received.

## Richards To Speak At Peavy Switch

State Treasurer Ann Richards will serve as guest speaker at the May 5 open house and ribbon cutting for Peavy Switch Farm, a regional treatment center for individuals abusing alcohol and other drugs.

Peavy Switch Farm is located on 81 acres of land southwest of Lufkin on Farm Road 2497. The 48-bed, residential facility will begin serving the public on May 11.

Director Marty Walker said she believed Richards' participation in the opening of the center will send a message to residents of the Deep East Texas region that deserves their attention.

When Richards was elected State Treasurer in 1982 she became the first woman elected to a statewide office in fifty years. She is responsible for overseeing the handling of more than \$150 billion in transactions each year.

"Ann Richards consistently demonstrates her concern for the citizens of our state," Walker said. "Her support of Peavy Switch Farm is an indication that she understands the seriousness of chemical addiction and the need to provide treatment for those seeking the road to recovery."

Walker described chemical addiction as a "disease that only gets worse if left untreated."

## Moore Announces

I, Roy B. Moore, am asking for your vote and support in my quest for re-election in the May 7, 1988 Warren School Board election.

I am proud to have served for the last three years. I have always strived to better the education of our students and maintain a high moral standard to our school district as a whole.

It would give me great honor to be elected for a second term. I have two children that are currently enrolled in the Warren School District and am greatly concerned about their education.

I promise to continue doing my best for the students and for the advancement of our school district.

Roy B. Moore

## Salad Tasting Tea Friday

The Volunteers of the MHRM Sheltered Workshop will be having a Salad Tasting Tea Friday, April 29th. It will be at the Workshop, 203 Willow. Time will be 11:00 am to 2:00 pm.

The price is \$3.00 per person. Anyone wishing to donate a salad is asked to have it at the Workshop by 10:00 am Friday.

## Literary Outreach Program

By Fay Carter

Reading should be a pleasure, but to a lot of teens, and even adults, it is not only a chore, it's an impossibility! There have been training programs in the metropolitan areas for a long time, but now there is help locally!

Bethel Baptist Church in Warren is the Host Church in the New Bethel Association for the Literacy, Mission Program co-sponsored by the Baptist General Convention of Texas (BGCT) and Baylor University. Mrs. Darlene Leger is the Co-ordinator for the program at Bethel.

Earlier this year, Dean and Joyce Richardson, retired Southern Baptist Missionaries, came to Bethel to conduct a Literacy Seminar for volunteers interested in this area of missions. The seminar was comprised of 16 hours of intense study, training those volunteers to conduct one-on-one reading classes for adults as well as teaching them to train others for the program.

Most people do not realize that the inability to read is a wide-spread problem, but in a meeting recently with the Texas Literacy Council, State Commissioner of Education William Kirby said that "twenty percent of adults in Texas are functionally illiterate." And he added that "another thirty percent are only marginally literate and thus are not prepared to compete in an increasingly word-oriented society."

Now that we have trained volunteers, we need students," says Mrs. Leger. "Not many people, especially adults, want to admit that they cannot read, so if you know of anyone who has difficulty reading, please have them call me at 547-3104 in Warren. The training is completely private, at the student's convenience, for one or two hours per week, or even more if the student so desires. There is normally a small charge for books, but if that is a problem, arrangements can be made. All we ask is that the

## Hill Is Candidate

I, Royce Hill, announce my candidacy for place 3 on the Woodville Independent School Board of Trustees.

I am a graduate of Livingston Public Schools and Sam Houston State University, Huntsville, Texas. My family and I are members of the First Baptist Church of Woodville. I am active in both the Woodville Volunteer Fire Department and the Tyler County Little League.

I am employed as a territory manager for Mustang Tractor and Equipment Company. My wife, Effie, teaches kindergarten in the Woodville Public School. I have two children, Stephanie, a student at Sam Houston State University, and Stephen, a student at Woodville High School.

I would appreciate your consideration for this important office.

Royce Hill

## Long Files For Warren Board

John L. Long of Fredes in Place 7. Mr. Long has been on the Warren Board for the past three years. "I believe a great deal has been accomplished during the past three years. School buildings have been upgraded and a new, much-needed, elementary building is being constructed for Warren. Each campus has an excellent staff of teachers. Numerous other improvements have been accomplished. I am grateful to have had a small part in seeing that our school system is striving to be the best."

Mr. Long supports an active participation of the citizens of the community in school board meetings. Through passage of the "open forum" policy by the Board, citizens have a time to address concerns to the Board without having to be on the agenda. "I believe that when the community feels comfortable about expressing themselves either negatively or positively at school board meetings, it leads to better working relationships and understanding."

## Booster Sponsors 'Best Mom' Contest

The TYLER COUNTY BOOSTER is giving its readers the chance to give their favorite mom that "something special" for Mother's Day, May 8. The BOOSTER is holding a contest to find this "spectacular mom" and all you, the reader, has to do is write a detailed letter describing why you think your candidate should be Tyler County's "Mom of the Year." Then send it to: The Tyler County Booster, P.O. Box 248, Woodville, Texas 75979; or bring your letter in Attention: John P. Morrison, Publisher.

Our winning Mom will receive a bouquet of roses from All Occasion Flowers and Gift Shop, and her picture in the paper along with the one who entered our winning Mom, and the winning story will be printed.

Show your mom or favorite mom, that she is really special, despite the "hard times" you love her today!

Deadline for entries is May 2, 4:30 P.M. To start your stories today!

**SCHOOL BELL AWARD WINNERS**—TYLER COUNTY BOOSTER Reporter Annabeth Willis (left) and KVLL's newscaster Vicki Thompson were presented the coveted School Bell Award as presented by the Texas State Teachers Association in Dallas on Friday. The duo has each won several other School Bells in recognition of their continuous quality of education in Tyler County Schools.

These beautiful frames by Sisk Hebert, a master craftsman of East Texas, has taken the heart of these primitive farmhouses. The last wagon wheel (painted) building the Innings. These houses are vanishing slowly in the hills of East Texas. The houses that the wood was taken from were at least 80 years old and the vintage lamp from 300-400 years old at the time, and soon these frames will be antique.

Both Stagg and Marquis have been invited to study at Duke University and take the SAT, a college entrance exam usually taken by seniors in high school. Both Stagg and Marquis have been invited to study at Duke University for two weeks this summer. Another resolution was signed by the Board commending Sergio Ramos for his outstanding tennis record with the district. Ramos has been the Tennis Coach in Woodville for eighteen years. The Woodville Tennis team has won the District Championship for the past seven years. The Board presented a Plaque of appreciation to Board President Alva Cook. Serving on the Board from 1979-1988 and as Board President from 1981-1988, Cook will be vacating his position this year. The Board approved the estimated budget in the amount of \$5,277,000. This action allows the District to place orders for the 1988-89 school year. Adjustments will be made in the estimated budget and the actual budget will be resubmitted for approval at a later date. Budget amendments were approved in the amount of \$7,000. This amount, \$6,500 will go toward athletic expenses.

Hardy said that the tape recording made of the Ester-Yearwood conversation "will tell the story."
