of cooperation. It's increasingly important that we, as Americans, learn to appreciate what we have our resources, the yarled qualities we have in each other. It is a time to reflect on the work and sacrifice of those who fought for our rights asceure, profitable life. Our veterans stand out in this group. Through the decades, from our very beginning, our service men have given the young risked personal safety and comfort to protect and prolong was wearow as the American Way of Life. Many have lost their liverions this time, we feel it crucial to honor the memory of those men and women, to keep it alive in all of us. It's time

start working together again to keep our values intact.
