Heritage Society Drive Underway

In anticipation of their annual meeting in January, members of the Board of the Tyler County Heritage Society last week voted to kick off a county-wide membership drive immediately.

Meeting in the newly completed exhibition room at Heritage Village, the board decided that all new memberships, beginning October 1, would be honored through 1989. It was

also agreed that membership in the Society would include free entrance into Heritage Village, which is owned and operated by the Tyler County Heritage Society, in trust, for the people of Tyler County.

According to Society President, Christine Sanders, by starting to build the membership three months in advance of the annual meeting, new members will have the opportunity to learn more about the

inner workings of the Society and be better prepared to participate in the business presented at the annual meeting.

Individual memberships in the Tyler County Heritage Society remain just \$10 a year, family membership \$20. Everyone interested in preserving Tyler County history is urged to join this vital organization and become active in its many projects.

A LITTLE LIGHT PLEASE

By Stu Hendrick
"THE SONG OF A TREE"
It was about mid-afternoon when I stepped out onto the long porch that stretches across the front of our house. The weather was so wonderful that I could not resist a few quiet moments sitting in my favorite glider. A book that I had been waiting for, his arrived in the mail. And so, I sat down to absorb the fresh air and the words that were printed on page one.
I am a fast reader, by nature, but as I began to read the enchanting story, I realized that something was disturbing my thoughts. Laying my eyes leave the printed page, I looked out across the lawn in front of me. All at once, the trees appeared to stand loudly in front of me. The brassy golds and crimson reds of the Sassafras and Maple trees seemed to call out from the splashing shade of the Ever-green Pines. And, the wind began to play a melody that would itself caressingly around each branch.
It was as if a great symphony of color had begun to sing a joyful sonnet. The chorus was a simple recitation of "Praise the Lord, Praise His Holy name". The landscape was simply bursting with the presence of God. The breeze caressed my cheek and the song settled in my heart.
"It's no wonder that I couldn't read," I thought. A post once wrote, "I think that I shall never see a thing so lovely as a tree". As I sat gazing at the magnificent beauty of the wooded landscape that surrounded me, I thought "is it any wonder that only God can make a tree?"

I continued to drink in the peace of the lovely afternoon as I sat out on the porch. My eyes began to "read" the patterns of the Fall-colored leaves. They proclaimed the story of a loving creator. Truly this story was far more interesting than the book that I had begun to read. And so, I set the book aside and allowed my thoughts to join in and sing, "Praise the Lord, Praise His Holy name."

19 88 Property Tax Rates in WARREN T.S.D.

This notice concerns 19 88 property tax rates for Warren T.S.D. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. Compare it to the tax rate the taxing unit proposes for this year. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Why can't we honor our own Tyler County folk instead of some out-of-county people who possibly, don't give Tyler County another thought after they leave here because they are caught up in their own home county? Why don't we give these honors to a Tyler County who has given years of work and service to make our county such a delightful place to live?

Why not honor these: Mrs. Winnie Matthews, who gave years of help to the residents of our county who deserve to be honored as a life of service which enriches our heritage in Tyler County. Why don't we honor someone who has done absolutely nothing to make Tyler County such a good place to live?

Notice of Effective Tax Rate

This notice concerns 19 88 property tax rates for Woodville T.S.D. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. Compare it to the tax rate the taxing unit proposes for this year. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Silver Haired Legislature Meets In Austin

With a call to order, an invocation and the pledge of allegiance, the second Texas Silver Haired Legislature convened in regular session in the Capitol House Chamber of Austin, Texas on Monday, Sept. 19. One hundred and sixteen (116) elected representatives and their officers encompassing 28 areas on Aging Districts throughout Texas, were officially sworn in by Secretary of State Jack Rains, at 9:00 a.m. in the Texas House of Representatives. The Texas Silver Haired Legislature Representative from this area is: Lenert H. Tiemann, Rt. 5, Box 19-2, Jasper, Tx. 75951.

The Silver Haired Legislature is a non-partisan representation body composed of and elected by Texans 60 and over. Its function is to study issues of concern to seniors and offer recommendations to the Texas Legislature.

The first order of business consisted of transfer of leadership from Ralugh Jackson, Speaker of the First Silver Haired Legislature (1986-1988) to Millard Guess, newly installed Speaker for 1988-1989.

Other newly elected officers for the second Silver Haired Legislature were installed as follows: Bill Harper, Speaker Pro-Tem, of Mt. Pleasant; James von Tungen, deputy speaker pro-tem; Kathryn J. Reding, secretary of San Antonio; Virginia Black, comptroller from San Angelo.

Immediately following recognition of visitors in the gallery, representing relatives and supporters of the Texas Silver Haired Legislature, the Legislature adjourned into the following standing committee meetings: 1) Legislative Action; 2) Operation; 3) Elections & Credentials; 4) Finance; 5) Information & Services; 6) Human Services; 7) Retirement & Aging; 8) Criminal Justice; 9) Utilities & Natural Resources; 10) Insurance; 11) Health & Human Resources; 12) State Affairs; 13) Ways & Means; and 14) Education.

Resolutions drafted in committees dealt with senior citizens needs for housing, safeguards to homesteads, maximum charge for all utilities, in-home based care, raising the allowable for Medicaid eligibility, regulation of boarding homes for the elderly, options for independent living (alternatives to institutional care-nursing homes), health insurance for persons not covered by Social Security/Medicare/Medicaid, as well as many, many others.

After all consent and resolution agenda items from the standing committees were introduced, discussed and voted on, priority issues were established.
