Recycle Saturday Set For Feb. 17

Recycling has come to Woodville...and it's working! The Woodville Clean and Green Recycling Committee would like to thank all the dedicated people who have made our first two Recycle Saturdays a rousing success. According to Sue Tortello, Chairman of the W.C.&G. Recycling Committee, "Despite the fact that Mother Nature hasn't cooperated with us very well weatherwise, the response from the local folks for the two Saturdays we've had the Recycling Trailer open has been phenomenal. I was amazed at the number of people who braved the

rain to bring us their recyclables and I was particularly pleased to have so many repeat "customers" the second Saturday we were open." By Tortello's estimate, the trailer is approximately half full and the committee hope to have it completely stuffed and ready to return to Gulf Coast Recycling in Beaumont after the next two Recycling Saturdays on February 17, and March 3.

The Recycling Center is open on alternate Saturdays from 9 am to 2 pm. Items are accepted on a donation basis only and include newspaper, glass,

and aluminum cans. The money the Woodville Clean and Green Committee receives for the recycled material will be put back into the community in the form of city beautification and improvement projects. Guidelines for donations are as follows:

Newspaper: Black and White only. No "Slick" color pages or magazines.

Glass: Brown, Green, and Clear. Separate out by color. Remove lids or caps; labels are O.K. No windshield glass, light bulbs, or Pyrex.

Aluminum Cans: May be smashed or whole. Check cans carefully to be

sure they are made of aluminum! Regular Pepsi and Mountain-Dew and some store brands may not be.

"We are actively scouting the surrounding area for additional markets for our recyclables," Tortello reports. "Just this week we located an 'outlet' near Channelview that accepts plastic and as soon as we can work out the logistics on how to best accept, store, and transport donations of this type of material, we'll add it to our list."

The Recycle Trailer is located at the City Sewage Treatment Plant East of South Magnolia (Hwy. 69 South). "Some of you have had difficulty finding us, and I apologize for that," Chairman Tortello states. "We have had signs posted showing directions on both Saturdays we were open, but the wind and rain took their toll and made them easy to miss." To eliminate any confusion, here are directions to the Recycle Center: From Highway 69 South, turn East on Willow Street between A & M Motor Company's showroom and their car lot. Go approx. two blocks and turn right, just before the railroad tracks. Another entrance is from Wingate Street. Turn East from Hwy. 69 onto Wingate between the First National Bank of Woodville and the Jiffy Market Exxon. Drive through the Treatment Plant all the way to the trailer at the back gate.

15 YEARS OF SUPPORT—Deep East Texas Mental Health & Mental Retardation Executive Director Jim McDermott, of Lufkin, presented a plaque Monday to The Tyler County Commissioners for "Unfailing support for over 15 years from 1974 to 1989". According to McDermott Tyler County is considered "Kind of special to DETMHMR because of the quality people that have served within the organizations ranks over the years. Key among those," according to McDermott, is Former County Judge Alan Sturrock who has been a longstanding boardmember. Sturrock (left) is shown above presenting the plaque to Tyler county Judge Jerome Owens.

Contestants Announced For Go-Texan Action

The contestants in the several Area Go-Texan competitions at the Houston Livestock Show and Rodeo have been announced.

Jim Clark, Tyler County Ambassador to the Show, stated that various contests will be conducted this coming Saturday, February 17, 1990, at the Show and that representing Tyler County will be the Tyler County Ribbers in the World's Championship Barbecue Contest returning to Houston for the 9th consecutive year. The Ribber are composed of Ben Worthy, Webb Ashworth, Joe Jordan, Jane

Worthy, and Jim Clark. It will be remembered that in 1983 the Ribbers won the Go-Texas Championship and were finalists for the World's Championship.

Also competing in Houston in the horseshoe pitching contest are the following: Junior Division, Girls, Amy Gully and Stacey Whitworth; Junior Division, Boys, Bob David and Richard Thompson; Senior Division, Women, Ricki Gully and Betty Whitworth; and Senior Division, Men, Doug Vaughn and Tommy MacGinnis.

Tyler County will be represented in the washer pitching contest by Pam and Doug Vaughn.

Everyone attending the Show on February 17 and 18 is invited to come to the Barbecue Contest and visit the Ribber's locations which is space #158 for a free sample of the Ribber's cooking.

Spurger Lions To Host 6th Annual Chili Supper

The Spurger Lions Club will hold their 6th Annual Chili Supper on Friday, Feb. 16, 1990 at the Spurger School Cafeteria from 5:30 - 9 p.m.

Tickets are \$5.00 for adults and \$2.50 for children 12 and under. Tickets can be purchased from any Spurger Lions Club member or at the door. There will be door prizes, entertainment, and a cake auction.

The Spurger Lions Club is involved in the work of Lionism as well as various Community projects. Your presence and support will be deeply appreciated.

Complete applications must be in the Area Agency on Aging office no later than 5 p.m. on March 30, 1990.

For further information, contact Holly Anderson or Ethel Bluit to the Deep East Texas Area Agency on Aging office, 203-A South Main Street, Jasper, Texas 75951 or call 409-384-9085.

Bids Applications Sought From Aging

The Deep East Texas Council of Governments Area Agency on Aging begins its request for bid procedures by accepting "Letters of Intent" to apply for bids as provided by the Title III Program of the Older Americans Act, the Options for Independent Living Program, the Omnibus Hunger Act Meal Program and the Department

of Human Services Contracted Meals Program. Funding will provide for necessary social and supportive services to persons 60 years of age or older residing in the 12-county Deep East Texas Region. Contracted services will consist of congregate meals, home delivered meals, Aging Supportive Services and Homemaker

services. The deadline for letters of intent is 5 p.m. on February 28, 1990.

Application packets will be mailed March 1, 1990. Those entities eligible include units of general purpose local governments, public or private non-profit agencies or organizations, as well as public or private for-profit agencies. These funds are not for individual assistance.

Complete applications must be in the Area Agency on Aging office no later than 5 p.m. on March 30, 1990.

For further information, contact Holly Anderson or Ethel Bluit to the Deep East Texas Area Agency on Aging office, 203-A South Main Street, Jasper, Texas 75951 or call 409-384-9085.

Red Cockaded Woodpeckers Need Love Too!

Biologists Play Matchmaker To Help Endangered Bird

In keeping with the Valentine's spirit, two public agencies in Texas are playing cupid to a bunch of birds.

The matchmakers, from the U.S. Forest Service and the Texas Parks and Wildlife Department, are trying to bring a little love into the lives of red-cockaded woodpeckers, a Sparrow-sized, threatened with extinction.

Agency wildlife biologists are capturing sub-adult females in the Raven District of the Sam Houston National Forest, an

area with a relative abundance of the birds.

Then, they're transporting them to areas inhabited by bachelor woodpeckers on the Neches and Trinity Districts of the Davy Crockett National Forest.

Forest Service wildlife biologist Larry Bonner explains the females are captured by placing nets over their roosting cavities in old pine trees. The birds are banded, placed into cloth mesh bags, then carried in pickup trucks to empty cavity trees near the

roosts of mature male birds.

The captures and transport take place in late afternoons, after the birds have fed and are resting.

After a female is placed in its new home, the entrance is plugged for the night.

The following morning, when biologists observe the nearby bachelor bird leaving its nest, they release the female in hopes the pair will bond and forage together.

Donner explains that, once the birds pair up, they

remain partners for life but retain separate abodes, each in its own roost cavity.

The Texas "augmentation" program, as it's called by the biologists, is modeled after a successful effort involving red-cockaded woodpeckers in national forests on the Atlantic Coast.

About 500 of the endangered birds live in the four national forests in Texas. Biologists have found 466 of their colonies, 199 of which are active.

TO: The Citizens Of Tyler County, Precinct 2

Bill Jefferson

March 13 is an important day for you and me. That is the day of our Democratic Primary Election. I encourage each of you to take advantage of your privilege to vote.

I would appreciate your vote for me as Commissioner of Precinct 2. I feel that my past job experiences qualify me to be your commissioner. I have had experience as a personnel supervisor and as a construction supervisor. I worked in the past with the Commissioners and several other governmental agencies. In addition, I owned and operated a successful dry cleaning business.

As personnel supervisor for Southwestern Bell, I coordinated job assignments for up to fifteen (15) employees. At the same time I was responsible for supervising the maintenance of fleet vehicles.

My experience as a supervisor and later running a dry cleaning business taught me that staying within a budget and spending wisely is essential. My experience also taught me the importance of communicating well with people.

If elected, I will work closely with all Commissioners of Tyler County. I would like to see all roads improved and as many roads as possible blacktopped. I would also like to see the business of Tyler County run more efficiently and more effectively.

I have met many of you fine voters of Precinct 2 and I will continue to meet more of you as I campaign for this office.

Please vote for me, **BILL JEFFERSON**, No. 1 on your ballot for Commissioner Precinct 2.

Please exercise your right to vote on March 13th.

Sincerely, *Bill Jefferson* Bill Jefferson

CARD OF THANKS
I want to try and say thank you, and God Bless everyone that had a part in my surprised birthday party, February 4th. To my girls, grandchildren, sister, kind folks by the dozen and all my wonderful friends from all over. A special thanks to the gang at the Middle-buster, my Sunday School class, McDonald's, Ivanhoe Civic Club, and the lady that baked that beautiful, delicious cake. You are the most wonderful people in all the world, and the biggest bunch of shut mouths there ever was, everybody knew all this a month before but me. It was a complete surprise until I topped the hill here at my house after church that Sunday and saw all the cards and kinfolks everywhere. So many girls, cards, even one from Germany. Thank you dear people for a perfect surprise birthday party. I love you and God loves you too.

The Promised Land Christian Book Store Book of the Week!
Freedom of Simplicity by Richard J. Foster
Foster offers new thoughts to ponder and instill in your life in the same accessible style as his best selling Celebration of Discipline. Learn how to live in harmony with the rich complexity of life by putting Jesus at the center and blocking out all the things that distract you from Him. Foster stresses the relation of simplicity to prayer, solitude and all the Christian disciplines.

Currently, we are conducting a survey of Woodville and Tyler County, to determine the demand for a recreational and social facility featuring a nine hole golf course and swimming pool. In our survey, we are contacting local businesses, civic organizations and individuals in an effort to obtain the attitudes and opinions of the community toward the availability of a private club. The information collected from this survey will be beneficial in the development of recreational and social activities best suited to the needs and desires of the people in the local area. This is a confidential survey and we do not ask you to give your name. We sincerely appreciate your taking the time to share your opinions and ideas with us. Thank you.

He's Got One Hand In The Leftovers, And One Foot In The Grave.

The minor shows you one result of enjoying too many midnight snacks. But the Heart Network wants you to see the harm a poor diet may be doing to your heart.

Every fatty, cholesterol-heavy meal takes you one step closer to heart disease - the nation's leading killer, with over half a million victims every year.

Some risk factors associated with heart disease and heart attack, such as age, sex and heredity, cannot be controlled. But other risk factors can be controlled. And a diet high in saturated fats and cholesterol is one of them.

Foods like beef, pork, egg yolks and whole milk increase the level of cholesterol in your blood, clogging arteries and promoting heart disease. But every time you reduce your blood cholesterol by one percent, you can reduce your risk of heart attack by as much as two percent.

How likely is heart disease? Complete our free Heart Risk Assessment and find out. You can pick up a form at your doctor's office or your local Heart Network member hospital. And ask your doctor to check your blood cholesterol level, too.

But first, start eating heart-smart today.

MAKE THESE CHANGES FOR LIFE:

- Stop smoking
- Maintain a healthy weight
- Follow a low-fat, low-cholesterol diet
- Exercise regularly
- Learn to manage stress
- Control high blood pressure
