The foundations of this city Are made of precious stones

Shines round my fathers throne

There's no darkness in this city Day will never turn to night For the glory of the Son of God

I'm so glad I trusted Jesus When I heard of his great love How He died for me on Calvary And redeemed me with His blood

On that day so long ago I'm so happy I surrendered So glad I didn't tell him so

Never once did He forsake me He stayed with me till the end Leading gently by His Smirit He stuck closer than a friend

And I'll mest you in the morning
