Hobson New Band Director

The Woodville Independent School District Board of Trustees met Tuesday, June 18, 1991. and employed Travis Hobson as the High School
Band Director. Hobson
was recommended to the Board after being interviewed by the committee which consisted of eight a students, three Band parents, the High School Principal and the Superintendent. Hobson was the High School Band Director at

rector at Caldwell Junior High School. According to like a Band Director,...He understood pride and tradition...he understood our motto, "Whatever it takes."

In other business, the Board selected Citizens State Bank as depository for the district's funds for building will have a parti-the 1991-92 school year. tion with students in grades Prior experience includes the 1991-92 school year.

duced two major changes in the Student Handbook. School Detention, which has previously been held during the lunch hour, will now be held after school from 3:30 to 4:30 p.m. two days a week. The Alternative Learning Center will be moved into a portable building housed between the auditorium and the Elementary cafeteria, the

Both Citizens and Commu6-8 being on one side and stion to this will be one fifth students grades 9-12 being grade class of students who on the other side.

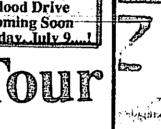

Graduate Band Director at Both Citizens and Commu6-8 being on one side and stion to this will be one fifth students grades 9-12 being on the other side. Major changes were made in instructional ar-

rangement for grades 3-5. According to Mary Nell Rainey, the changes were made after much research and thought. Under the new plan, all students in grades 3 and 4 will be in heterogeneous grouping. These students will have the same teachers for all classes. Students in grade 5 will change teachers for their classes. One excep-

need more structure. This class will remain with the same teacher all day. The Board approved biring an additional teacher for this

In other Board action, Charles Spurlock was appointed trustee to serve on the Tyler County Education District.

get a feel for the source of The Tyler County Little League will have it's closing ceremonies Tuesday, July 2, our nation's laws," enid at 6 p.m. The coremonies will present T-Ball, Minor and Major Little Princesses and the crowning of the Queen of each League. The League will recognize and give trophies to the T-Ball Champs; Blue Jays; Minor League Champs: Giants; Major League Champs: Astros; and Senior League Champs: Cubs. The All-Stars of each League will be recognized and trophles given to League Champs. We urge everyone to come out to Closing Ceremonies followed by a T-Ball All Star game between Woodville and Tyler County.

Headed by Preciact Justice Wanda Brasher on Tuesday June 18, a group of Community "agency" people got together to coordinate their various areas of expertise in order to: 1- create a referral list for quick reference in order to place "hids who have fallen through the bureaucratic cracks" and, 2- identify and locate "Attention Houses" in order to temporarily place those children, According to Brasher, "We are not going to be satisfied unless we can solve this problem. this expertise sharing will make everybody do their jobs better." Representatives from Department of Human Services, Adult and Juvenile Probation Departments, Woodville, LS.D., Microtal Health & Mental Retardation offices, the Tyler County Hospital, and area churches were among those represented at the organizational meeting. The activity to organize such a group has been mandated by the

Services, effective August 1, 1991, unless otherwise determined by

To help recover its costs, the Company is proposing to increase

the Commission. The Company has filed an application with the

the rates for Directory Assistance calls from \$.30 to \$.40 per call

(after the three-call allowance). Southwestern Bell is proposing that

there be no change in the number of free Directory Assistance calls

allowed each month (currently three) and that customers who qualify

for exemption of Directory Assistance charges because of visual or

physical handicaps continue to be exempt from these charges. The

Directory Assistance will increase the Company's annual revenues

by \$15.4 million, which is an increase of approximately one half of

1 percent in the Company's adjusted revenue for the twelve-month

period ending December 1990. This proposed rate change would

affect approximately 900,000 residence customers, approximately

155,000 business customers, approximately 500 private pay tele-

phone owners and all customers who make Directory Assistance

proceedings should notify the Commission as soon as possible

By Dr. Gary Tatum

Do you work with too little light? Or do you use amps which are improperly placed so that they produce a glare on your work? What about illowing too much contrast between light and dark areas of the room? Or perhaps, you have too much sunlight streaming in through the window, in the Middle East. or frequent places where excessive glare causes you to squint? These are some of the conditions which can produce eyestrain.

Many people have never had a thorough eye xamination. The examination should include a record of health, occupation, job and work habits. hobbies and sports. It will include precise tests to determine how well you see and will indicate if you have vision defects which need correction. An eye examination will take only a few minutes, but those minutes may be the most important
