MEETING THE PHYSICAL CHALLENGE...

Today's finished orthotic or prosthetic product bears little resemblance to the old appliances, which were heavier and rather unsightly, with hooks and exposed cables.

Modern technology has made it possible to produce normal-appearing, flesh colored appliances, hardly distinguishable from the human original, and so sensitively activated by electrodes that the limbs and extremities are actually operated by a person's

Created using materials which include titanium, one of the most durable metals in existence, and graphite, which is light, flexible and durable, Taylor Orthotics & Prosthetics is meeting the physical challenge.

Upper & Lower Extremity Orthotics • Ultra-Lite Prosthetics Myoelectrics • Pediatric Prosthetics & Orthotics Diabetic Footwear • Sports Bracing Consultations at No Charge • Written Warranties

SFA All-American to coach girls program at Woodville

WOODVILLE — A two time AllAmerican for Stephen F. Austin State
University has accepted a position as coordinator of womens athletics for Woodville High School.

Doris Dennard, who coached class 5A Clear Creek to four district girls basketball titles and had a state semifinalist in 1981, has been hired by Woodville ISD to head the girls sports program and serve as the girls head basketball and track coach.

Dennard will be joined in Woodville by her husband, Ron, who last year was the head football coach at Rio Vista, a 2A school near Fort Worth. He has been hired as a classroom math feacher, but may also coach.

Total We were tooking for a school that we both could get into, "explains the new women's coordinator. "We like the area," says Dennard. "Ron is from Texas City and I played at SFA."

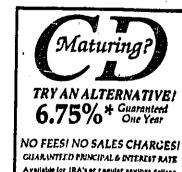

Dennard has been out of coaching for several years. For the past three years she has worked as a recreational therapist at Oak Bend Hospital in Fort Worth. Prior to that she taught at University of Texas-Arlington.

After graduation from high school at Meunster, near Gainesville, Dennard played basketball at Wyound Baptist in Plainview. In 1974 she joined the Lady Jacks of SFA where she was selected as a Kodack All-American in '76 and '77 as well as being named to

ieacher, but may also coach.
The Dennards reasons for moving the Hanes All-American Team. While to Tyler County are simple and twothere she received the Ralph Todd Memorial Award for the most outstanding athlete in her sport.

Upon graduation she stayed on with her coach. Sue Gunter, as a graduate assistant for one year before taking the

"I am looking forward to the Wood-"I am looking forward to the Wood-ville move?" said Dennard. "I think it will be good for us. From what I un-derstand, there is a lot of talent walk-ing the hallways in Woodville." Ironically, one of Dennard's chief foes in girls basketball will be her former roommate. Kathy Hooks, for-merly of Colmesnell and Sam Hous-ton State University, is the head girls basketball coach at Kirbyville.
