Church News

Wildwood church plans cantata
WILDWOOD — The Wildwood/Village Mills United Methodist Church choir will present its annual Christmas Cantata, "Silent was the Night" by Lam Smith at 7 p.m. December 16. The cantata is under the direction of Lavergne DePugh. Solo parts will be sung by Gale Gorman and Leota Hooper. Teddi Gorman will serve as organist.

Big Thicket nativity scene set
WILDWOOD — A different Big Thicket version of the traditional nativity scene proclaiming "Joy to the World" will be presented by members of the Wildwood/Village Mills United Methodist Church from 6:30-8:30 p.m. Friday, Dec. 17, through Wednesday, Dec. 23.
This unique display will feature a tableau of the manger scene and some of the creatures that would be present if the birth of Christ had occurred in the Big Thicket today, including an armadillo, a skunk, squirrels and native birds as well as the traditional animals.
This is the second year that the Proclamation of Joy has been enacted, according to Eldon Reed, pastor of the church. Over 50 members of the church embarked on this venture with work

Medicare now covers 100 percent of flu shot costs
LUFKIN — As of May 1, 1993, Medicare Part B pays for flu shots. Medicare beneficiaries who get shots do not have to pay the usual co-insurance or deductible amounts. Medicare pays those amounts, along with an amount for the vaccine and the person who administers the shot.
The person administering the shot accepts the Medicare payment as payment in full (that is, the person "takes assignment"), there is no charge to the beneficiary. Medicare beneficiaries who get shots from physicians who do not accept assignment will be responsible for charges for excess of what Medicare pays.
Medicare's decision to cover flu shots was based on a four-year demonstration that began in October, 1988. The evaluation of this demonstration showed that when free vaccinations were offered to the elderly, more of them sought immunization and fewer were hospitalized for flu-related pneumonia.
Influenza is a major, potentially life-threatening disease with frequent and serious lung involvement. Symptoms include, but are not limited to, fever, chills, weakness, loss of appetite, coughing, and body aches and pain.
People 65 years old and older are at high risk for complications when they contract influenza, particularly those elderly people with chronic disorders of the pulmonary or cardiovascular systems. In any given year, on average, 30 million people in the United States die from influenza and 10,000 to 40,000 will die as a result of its complications.
People who have severe egg allergies should not be given influenza vaccine without consulting their doctor. Neither should people with acute illnesses that cause fevers, until their symptoms have abated.
For more information, call the Medicare Issues Hotline at 1-800-638-6933.

Katy Baptist celebration slated
The adult choir will then present a Christmas cantata at 11 a.m. Mr. and Mrs. Santa Claus also are scheduled to visit with the children immediately following the morning worship service at the church.
Pastor Durl Patrick has invited the public to attend the church's special Christmas celebration.

Congregational singing planned
DOUCETTE — The Emmanuel Baptist Church located north of Doucette on Highway 69 will host a congregational singing at 7 p.m. Saturday, Dec. 18.
Refreshments will be served following the singing. The public is invited to attend.

Warren church presents 'Messiah'
WARREN — Handel's Messiah, including Christmas observances and solos arranged by Larry Pugh, will be presented by the sanctuary choir of the First Baptist Church of Warren at 7 p.m. Sunday, Dec. 19.
The church is located 1 1/2 miles north of Koumoutz off Hwy 69 at the gates of Wildwood.
The presentation is open to the public and all area residents are invited to attend.
