My husband suffered a stroke in January, 1992 and passed away June 23, 1994. After he left the hospital we became affiliated with Tyler County Hospital Home Health Care. They did many things for us during his illness. Aides bathed him seven days a week. LVNs came every day when he was real sick. They brought supplies and did things too numerous to mention. Thanks to them I was able to keep him at home until the end. I can never than them enough. They were wonderful.
