og truck accidents jure three people

TYLER COUNTY - Three Tyler week in two accidents involving log trucks.

Darrell Grissom, 17, and Jacob Johnston, both of Woodville, were Johnston, Doin or Woodville, were taken to the Tyler County Hospital on Wednesday, July 20, following an accident on the Holly Fork Road five miles north of Dum B. Bryan Ray Delacerda, 29, of Colmesnell, suffered minor injuries in a second mishap on FM 1745 on Friday, July 22.

After being stabilized at the local hospital, Grissom was transferred to St. Elizabeth Hospital in Beaumont where he remained Tuesday, July 26. Johnston suffered a collapsed lung and was admitted to the Woodville hospital for treatment. He was discharged on Monday, July 25.

According to an accident report filed by DPS Trooper Denman B. Dunkin, Grissom and Johnston were injured about 12:44 p.m. July 20 when the 1990 GMC pickup driven by Grissom collided with a 1979 Freightliner truck tractor pulling a pole trailer.

Eugene Byerly, 54, of Burkeville, the driver of the log truck, was not

reported as injured in the collision. According to the report, the Grissom and Johnston were traveling north in the pickup at a speed above the posted roadway.

30 mile per hour limit when they saw County residents were injured last, the log truck coming toward them around a curve. Grissom reportedly locked the pickup's brakes and began a skid on the unpaved county road before colliding almost head-on with the truck

> Both Grissom and Johnston were transported from the scene by Eastex EMS ambulance.

The second accident occurred at 7:30 a.m. Friday on FM 1745 about 7.6 miles west of Colmesneil

According to a DPS report filed by Trooper Bobby Risch, the mishap oc-curred when Delacerda, who was drivinga 1989 Mazda four-door, fell asleep while traveling east on FM 1745. The Mazda drifted across the center line into the westbound lane.

A 1984 Ford truck tractor pulling a pole trailer was traveling west on the farm-to-market highway when it en-countered the Mazda. Richard Calvin Welch, 35, of Bronson, the driven of the tractor-trailer rig, swerved to the right and began driving off the northside of the pavement when the Mazda struck it on the back left quarterpanel.

Following the collision, the Mazda spun fee and left the northside of the

LIGHTS, CAMERA, ACTION! - Tyler County residents were treated to a visit by KFDM-TV Channel 6 News last week when the Woodville area was featured during the Friday, July 22 "Live At 5" program as well as during the 6 p.m. newscast. During the visit, which was part of KFDM's "Great East Texas Tour," the television crews set up an outdoor "studio" on the Tyler County Courthouse lawn. During the week leading up to the broadcast, television crews visited in and around Woodville shooting features about the community, which were broadcast during the two shows. County schools open beginning on Aug. 11

TYLER COUNTY — The end of the long, summer vacation for Tyler County's public school students is coming to an end with the first of the county's five school districts set to begin classes in just over two weeks.

The Colmesneil Independent School District will be the first of the local school systems to get underway with classes scheduled to begin at 8:05 a.m. Thursday, Aug. 11. Teachers in that district will report for work beginning

Tuesday, Aug. 9. Classes in the Chester, Spurger and Woodville school districts all will begin on Monday, Aug. 15. Information on the Warren ISD's opening scheduled was not available this week.

Chester will begin classes at 7:55 a.m. Registration of students new to the district will take place on the morning of Aug. 15 or parents may register their children during the week of Aug.

Students in the Spurger school district will begin their new school year at 8 a.m. on Aug. 15. Registration of students new to the district will be held during the week of Aug. 8-12.

In Woodville, classes on all campuses are set to begin at 8 a.m. New teachers will report on Aug. 9 and the rest of the teaching staff will begin work on Aug. 10.

An orientation program for kinder-garten students will be held from 6:30-8 p.m. on Monday, Aug. 1, at Wheat Elementary School in Woodville. The orientation will begin with a general session in the school auditorium at 6:30 p.m. and parents and students will then be invited to visit the kinderparten classrooms to meet the teach-

Darrell Grissom, 17, and Jacob Johnston, both of Woodville, were taken to the Tyler County Hospital on Wednesday, July 20, following an accident on the Holly Fork Road five miles north of Dam B. Bryan Ray Delacerda, 29, of Colmesneil, suffered minor injuries in a second mishap on FM 1745 on Friday, July 22.

After being stabilized at the local hospital, Grissom was transferred to St. Elizabeth Hospital in Beaumont where he remained Tuesday, July 26. Johnston suffered a collapsed lung and was admitted to the Woodville hospital for treatment. He was dis-

According to an accident report filed by DPS Trooper Denman B. Dunkin, Grissom and Johnston were injured about 12:44 p.m. July 20 when the 1990 GMC pickup driven by Grissom collided with a 1979 Freightliner truck tractor pulling a pole trailer.

Eugene Byerly, 54, of Burkeville, the driver of the log truck, was not reported as injured in the collision. According to the report, the Grissom

Grissom reportedly locked the pickup's brakes and began a skid on the unpaved county road before colliding almost head-on with the truck.

Both Grissom and Johnston were transported from the scene by Eastex EMS ambulance.

The second accident occurred at 7:30 a.m. Friday on FM 1745 about 7.6 miles west of Colmesneil.

According to a DPS report filed by Trooper Bobby Risch, the mishap occurred when Delacerda, who was driving a 1989 Mazda four-door, fell asleep while traveling east on FM 1745. The Mazda drifted across the center line into the westbound lane.

A 1984 Ford truck tractor pulling a pole trailer was traveling west on the farm-to-market highway when it encountered the Mazda, Richard Calvin Welch, 35, of Bronson, the driven of the tractor-trailer rig, swerved to the right and began driving off the northside of the pavement when the Mazda struck it on the back left

WOODVILLE—Efforts to construct an assistant living center in the Woodville area appeared to be gaining speed last week with the Tyler County Chamber of Commerce launching a survey

of interested senior citizens.

One developer of such centers has expressed interest in establishing a project in Woodville and is seeking more information about the local mar-

"Specifically, we have been asked to find out how much interest there is in s project. We need to develop a list of names of people who would be interested in moving into such a center," said Donece Gregory, chairman of the chamber's community development committee.

The center would be composed of apartments for senior citizens as well as "common areas" that would include a cafeteria, game areas and meet-

ing rooms.
Some centers, such as one large facility opened about 18 months ago in Lufkin, have in-house ice cream parlors, beauty salons, barber shops and private dinning rooms which can be used by residents for large family gath-

"An assisted living center would be

something that might be considered by couples who would like to give up problems involving the repair of their homes and yard maintenance. It would allow them to move into more of a

retirement type lifestyle," she said. Centers of this type have nurses and nurses aides on staff to assist residents with their medication needs but do not provide the more controlled care found in nursing homes.

While the age limit set for residents of assisted living centers varies slightly depending on the company which operates them, the developer now looking at Woodville has a minimum age requirement of 62.

Therefore, the chambers is interested in hearing from anyone 62 years old and over who might be interested in moving into such an environment. A survey form appears on page 3A of this edition, or interested persons may call the chamber office at 283-2632.

Gregory noted that the local chamber has been working for about 2.5 years on attracting retirees to the Tyler

LIGHTS, CAMERA, ACTION! — Tyler County residents were treated to a visit by KFDM-TV Channel 6 News last week when the Woodville area was featured during the Friday, July 22 "Live At 5" program as well as during the 6 p.m. newscast. During the visit, which was part of KFDM's "Great East Texas Tour," the television crews set up an outdoor "studio" on the Tyler County Courthouse lawn. During the week leading up to the broadcast, television crews visited in and around Woodville shooting features about the community, which were broadcast during the two shows. Above, "Live At 5" host Sally Rieger (right) is shown during a live interview with Woodville Mayor Billy Rose. NACOGDOCHES - Calling for changes in regulations governing telephone companies, an official with Southwestern Bell Telephone told a group of East Texas leaders that the current rules could be slowing down the state's access to the information

During the July meeting of the Deep East Texas Development Association in Nacogdoches, Southwest Bell's new

technologies manager, Jim Cowan, said that unless changes can be made in state law, Texas will fall behind other states in hooking into the computerized information superhighway now being developed.

In a recent Lou Harris poll, one third of the general public had seen or heard something about the information superhighway, but very few really knew much about what it is,"

County schools open beginning on Aug. 11

TYLER COUNTY - The end of the long, summer vacation for Tyler County's public school students is coming to an end with the first of the county's five school districts set to begin classes in just over two weeks.
The Colmesneil Independent School

District will be the first of the local school systems to get underway with classes scheduled to begin at 8:05 a.m. Thursday, Aug. 11. Teachers in that district will report for work beginning

Tuesday, Aug. 9. Classes in the Chester, Spurger and Woodville school districts all will begin on Monday, Aug. 15. Information on the Warren ISD's opening scheduled was not available this week.

Chester will begin classes at 7:55 a.m. Registration of students new to the district will take place on the morning of Aug. 15 or parents may register their children during the week of Aug.

Students in the Spurger school district will begin their new school year at 8 a.m. on Aug. 15. Registration of students new to the district will be held during the week of Aug. 8-12.

In Woodville, classes on all campuses are set to begin at 8 a.m. New teachers will report on Aug. 9 and the rest of the teaching staff will begin work on Aug. 10.

An orientation program for kinder-garten students will be held from 6:30p.m. on Monday, Aug. 1, at Wheat Elementary School in Woodville. The orientation will begin with a general session in the school auditorium at 6:30 p.m. and parents and students will then be invited to visit the kindergarten classrooms to meet the teach-

Class rosters will be posted in order for parents and students to find the appropriate rooms.

All students attending the Woodville ISD kindergarten program for the 1994-95 school year are encouraged to attend the orientation. Cowan said that the information superhighway basically will be a nationwide computer network which will be used by government, business and individuals to transmit and make use of a wide variety of services.

"A trip to the local video rental store will be a thing of the past. You'll just call up any movie you want at any time you want to see it.

The Colmesnell exchange has patitioned for Expanded Toll-Free Local Calling to the Woodville, Warren and Spurger exchanges.

Within the next 30 days GTE will mail ballots to all customers in the Colmesnell exchange. After marking the ballot, customers should sign their name and return the ballot to the Public Utility Commission of Texas. A stamped self addressed envelope will be provided with the ballot.

Expanded Toll-Free Local Calling will allow customers in the Colmesneil exchange to call and be called by customers in the Woodville, Warren and Spurger exchanges. If approved, all subscribers in the Colmesneil exchange will be charged an additional monthly per line charge up to \$3.50 for residence and \$7.00 for business. This charge is in addition to your local exchange service rates, and will apply until GTE's next charges are the maximum that can be charged regardless of the number of exchanges that are approved by the voters in the Colmesnell exchange.

Expanded Toll-Free Local Calling will be granted to each exchange with a "Yes" vote from 70% of the people who actually return their beliots. Exchanges that fail to receive a 70% "Yes" vote will not be added to the local calling scope. If all exchanges fail to meet the requirements of the ballot, service will not change and customers will not be
