

Flu vaccines urged for 'high-risk' persons

AUSTIN — The Texas Department of Health (TDH) warns each year that anyone who may be at increased risk of complications of influenza should be immunized before the flu season begins.

The U.S. Centers for Disease Control and Prevention (CDC) each year predicts which strains of influenza pose the greatest public health danger. The vaccine CDC has recommended for the 1994-95 season is designed to combat the A/Shangdong, B/Panama and A/Texas (first isolated in Houston in 1991) strains of the disease.

Flu vaccines are subject to yearly change, and the effectiveness of the shot declines with time. Therefore annual immunizations with the recommended vaccines are necessary for people most at risk.

People most at risk of severe or fatal complications of the disease include those 65 or older, anyone with chronic respiratory or heart problems and children weakened by disease.

Yearly, usually between December through April, influenza kills about 20,000 in the U.S., most of them in high-risk categories," Robert D. Crider

Jr., director of TDH's Immunization Division, said. "The elderly are among the hardest-hit by influenza and its complications."

"Fewer than 30 percent of Americans in high-risk groups heed our annual warnings to seek influenza vaccinations," he added. "We know that one reason some older people fail to be vaccinated is because of an unfounded fear that the vaccine can actually cause influenza. The truth is that a vaccinated person may still contract some strain of influenza, but not from the vaccine. If they do become ill, the

vaccine usually helps lessen the severity of the case."

The categories of people who are most likely to develop influenza complications are:

- Persons 65 years old and older.
- Adults and children with chronic heart or lung disorders, including children with asthma.
- People under medical care for chronic metabolic diseases, kidney or blood problems or weakened immune systems; and
- Children (18 and younger) who already are receiving long term aspirin therapy, which can place them at risk of developing Reye syndrome after influenza.

"We strongly recommend influenza vaccinations for all people in high-risk groups, especially if they are international travelers or if they are pregnant," Crider advised. "People infected with the human immunodeficiency virus (the virus that causes AIDS) also may be at increased risk for flu complications."

In addition, CDC recommends that physicians, nurses and other health professionals should be immunized against influenza to avoid spreading the disease to their patients. Residents and employees of nursing homes and other facilities treating chronically ill patients also should be immunized.

"We advise physicians to offer vaccine to their patients during routine clinic visits, beginning in September and throughout the influenza season," he said. "Children younger than 10 who have never received these influenza vaccines will need a first shot followed a month later by a booster. Adults, however, will need only one shot in a season, since CDC has found no added benefit in a second shot for adults in a single season."

Crider explained that all unimmunized residents of chronic care facilities, such as nursing homes, should be immunized during October and November. "Since immunity by the vaccine may not be complete for a few weeks following vaccination, waiting until flu cases occur in the community can be a tragic mistake. He added that high-risk persons who are hospitalized any time from now through March and members of their households are encouraged to be vaccinated.

Ear infection season underway

HOUSTON — It is the peak season for one of the most common childhood illnesses, and many parents don't even know it, says an ear, nose and throat expert.

"Middle ear infections, or otitis media, can occur at any time of the year, but fall and winter are especially bad," said Dr. Newton O. Duncan, an assistant professor of otolaryngology and pediatrics at Baylor College of Medicine in Houston. "Often, parents don't recognize the early signs of middle ear infections, much less that their children may be more susceptible this time of year."

Middle ear infections strike more than 80 percent of children by age 3. Duncan said it cannot be avoided especially since children are often in day care situations, but it can be treated. The "high-risk" ages are six months to three years.

Experimental drug aimed at diabetic leg problems

HOUSTON — An experimental drug may slow or reverse the nerve damage that leads to diabetic leg ulcers and amputations.

"Half of the nation's six million diabetics will develop nerve damage known as peripheral neuropathy," said Dr. Yadollah Harati, the neurologist conducting the drug study at Baylor College of Medicine in Houston.

There is no effective treatment for diabetic neuropathy, and physicians do not know its cause.

Symptoms often begin in the feet and include tingling, numbness and burning or shooting pain. The complication often extends up to the knees and hands causing foot ulcers, limb weakness and ultimately difficulty walking. It is one of the most common causes of male impotency.

"Neuropathy causes the nerve to malfunction," Harati said. "Damage can occur to the nerve cables or to the insulation, or myelin, covering them."

The study is part of an international clinical trial involving more than 50 centers and 600 patients.

The study tests the effectiveness of acetyl-L-carnitine. The compound has already proven to prevent progression of neuropathy and to promote nerve regeneration in animals with experimentally induced neuropathy.

This specific form of carnitine is available as an investigational drug, Harati said. "The carnitine available in health food stores will not help neuropathy."

Participants in the 18-month study receive either the medication or a placebo. Evaluation includes nerve conduction tests, blood tests, EMG, and histological exams, and nerve biopsies at the beginning and end of the study.

The nerve biopsies, Harati says, provide before and after comparisons for evidence of nerve regeneration and improvement.

"If this drug can produce the same impressive results in humans, then we may have an effective treatment for diabetic neuropathy," he said.

"At present, the only way to fight neuropathy is with good control of diabetes through diet, blood sugar monitoring and anti-diabetic drugs.

Duncan suggests parents watch for early indicators of this painful and potentially dangerous infection.

"At the first sign of fever, fussiness, tugging or rubbing of the ears, upper respiratory infection, nausea or vomiting, or any combination of these, parents should suspect middle ear infection," he said. "It certainly warrants an examination within 24 hours

of the onset of symptoms."

Middle ear infections occur when bacteria invades the middle ear, causing inflammation. This results in a painful buildup of infected fluid behind the ear drum due to obstruction of the eustachian tube that leads from the sinuses to the middle ear.

Untreated middle ear infections can result in serious complications such as

a ruptured ear drum, meningitis, brain abscess, or even hearing loss. Early treatment may prevent such serious complications.

"Antibiotics are the main therapy," Duncan said. "Persistent cases may require special antibiotics or surgical drainage."

In more serious cases, ear tubes may

be surgically inserted to help relieve fluid buildup and frequently occurring infections. There are vaccine studies underway, but nothing has proven effective yet, Duncan said.

How can middle ear infections be avoided? Duncan suggests:

- Avoid exposing children to colds, flu or other viruses, although this is often not easy or realistic.

KISS THAT PIG!—Tyler County Hospital staffers got a kick out of watching Clint O'Neal, D.O. kiss a pig as part of a fundraiser to help defray student nurse expenses to an upcoming three day seminar. Organizers said everyone had a blast and helped put on the event which raised a good sum of money towards the project. Shown above O'Neal bends over to plant one on the porker who squealed with delight. (Photo by John Morrison)

DETCOG legislative forum

JASPER — The Deep East Texas Development Association will review 1995 legislative issues likely to affect the region in a Deep East Texas Legislative Forum set for Friday, November 18 at Jasper.

The forum, scheduled for 10 a.m. at the Jasper Ramada Inn, will feature observations from Deep East Texas legislators. The forum is open to public officials and others who are interested.

Invited are State Senators Jim Turner of Crockett, Carl Parker of Beaumont, and the winner of the Nov. 9 race in Senate District 3, and state Representatives Allen Hightower of Huntsville, Billy Clemmons of Pollok, Jerry Johnson of Nacogdoches, Zeb Zbrancek of Liberty, Ron Lewis of Mauriceville and Elton Bomer of Montalba.

Bridges scheduled for inspection

BEAUMONT — The recent heavy rains and flooding in Southeast Texas may have put a strain on the bridges crossing the area's waterways. The Texas Department of Transportation in Beaumont says it will begin to inspect at least 29 bridges in the region as soon as the water levels have receded enough to get under the structures.

TxDOT Public Information Officer John Hurt says the major concern after a flood is scouring around the bridge piling. Scouring occurs when the rapidly moving waters wash out large areas of the river bottom around the pilings.

"Scouring occurs naturally around all bridges," says Hurt, "but during flooding conditions it can happen more quickly than it does when the water flows at normal rates. Many of these bridges are over gently flowing streams that became fast moving waterways when the flooding occurred."

Beautify the Square benefit Nov. 12

WOODVILLE — There will be a "Beautify the Square Benefit Style Show" featuring fall and holiday fashions from Jacques and J.B. Best & Co. with a silent auction and refreshments at 2 p.m. on Saturday, Nov. 12 at the Allan Shivers Library. \$5 donation.

Election reveals strong GOP effect in county

Despite political experts opinions that a low voter turnout was necessary for a Republican win in Tyler County Tuesday, a surprise 50 percent voter turnout here, provided a resounding message to the contrary to Democrats.

In the only local race of interest incumbent Commissioner Precinct 2, A.M. (Pete) Barnes, (D), of Chester defeated Marion Houser, (R.), of Woodville, with votes of 705 for Barnes to a 514 vote total for Houser.

United States Senatorial race saw Kay Bailey Hutchison, (R.) outdistance her democratic challenger Richard Fisher by 2,541 to 2,392.

U.S. Representative candidate incumbent Charles Wilson, (D), of Lufkin, outpolled challenger Donna Peterson, (R.), of Orange by 3,235 to 1,829.

In the Governor's race incumbent Ann Richards, (D.), squeaked out a victory in Tyler County over challenger George Bush by only 13 votes. Richards polled a total of 2,549 to Bush's total of 2,536.

In District 3 State Senatorial race activity Curtis Soileau, (D.) earned 3,157 votes to Republican Drew

Nixon's vote total of 1,580. District 18 State Representative voting saw State Senator Allen Hightower defeat Earl Carter with vote totals of 3,410 to 1,334. (Complete election totals, Pg. 4-A)

A.M. (Pete) Barnes

Guilty verdict in Hillister case

District 1-A Court jurors delivered a guilty verdict Monday against Lester, Lee, Jr., 19, of Hillister, who was charged with the capital murder of Tahara Moye, in a shooting incident which occurred on March 8, 1993, where Lee reportedly walked into the Herman and Gwinda Howard residence and began shooting, leaving one dead and three injured, according to reports.

Tyler County Criminal District Attorney Jim Clark said that the death penalty was waived in the case. The court automatically sentenced him to life in the Texas Department of Criminal Justice.

"Authorities said there" was blood in every room in the house." Lee apparently fled the scene but surrendered two hours after the midnight episode.

The original charge also included attempted capital murder implications but Lee's Defense Attorney, Mike MacDougal, of Conroe, made a severance motion to have only the murder charge considered.

Injured at the scene were Herman and Gwinda Howard and Danyon Blue. Two other juveniles were present but not injured.

Jury selection and the trial itself lasted five days. Clark said his office put on two days of evidence in the case.

With Chamber Ribbon Cutting Hometown IGA open

Bestway Foods has changed its name to Hometown IGA in Woodville as part of a Grand Opening Ceremony, and Chamber of Commerce Ribbon Cutting held last week, on Wednesday, to mark the occasion.

Owner Mike Wiley, of Jasper, said he was grateful to the people of Tyler County as customers of the store. He said he appreciated the Chamber's response to the Grand Opening and invited everyone to come buy and visit.

Store Manager Keith Baird had a new sign erected along the Hwy 69 entrance to the store and the store was officially reset for the event. Executives from the IGA East Texas Group were also on hand for the event.

The IGA Profile included several facts about the company:

- it is the world's largest voluntary retail food network;
- it has over \$16 billion in sales worldwide;
- it is ranked 6th in the world in food industry sales- 3rd in the U.S.;
- it has 21 owning wholesale companies; 65 wholesale distribution centers;
- almost 4,000 affiliated supermarkets located in 49 of the United States, Australia, Canada, Japan, Korea and Papua New Guinea.

IGA Hometown in Woodville will be part of the "Hometown Proud" campaign which focuses on the relationships between the IGA retailer and the consumer.

Local scouts to sell popcorn

WOODVILLE — The Three Rivers Council of the Boy Scouts of America is holding its annual Trail's End Popcorn Sale through November 14. During this time, scouts in the Woodville area will be selling popcorn to help finance the activities of their Unit and the council.

Council Popcorn Chairman Steve Hale emphasized that the primary income for scouting comes from community support through United Way and the Council's Friends of Scouting program. "However, escalating costs, the need for camp equipment and maintenance, and continued growth have prompted us to seek additional sources of support," said Hale.

Trail's End Gourmet Popcorn is available only through this Scouting sale. Popcorn is the fastest growing non-sweetened snack in the country. It is high in fiber and low in calories.

Scouts from Pack 37 will be selling different popcorn products door-to-door in the coming weeks to help finance the various projects they undertake throughout the year. For more information, contact Cynthia Kelley at 283-3647 or Mark Baird at 409-842-5240.

IGA HOMETOWN STORE MANAGER KEITH BAIRD —and (l. to r.) Department Managers: James Nash, Grocery; Peggy Simen, Produce; Joe Cook, Market; Assistant Store Manager, J.R. Williams; Owner, Mike Wiley and Chamber of Commerce executives and guests.

Obituaries

Ella Tucker Pedigo
WOODVILLE — Services for Ella Tucker Pedigo, 96, of Woodville, were held at 11 a.m. Monday, Nov. 7, 1994, at First Baptist Church in Woodville with Dr. Chet Haney, pastor of Woodville First Baptist Church, officiating. Burial followed at Pedigo Cemetery in Town Bluff.

Roberta "Robbie" May Berlin
NEDELAND — Services for Roberta "Robbie" May Berlin, 53, of Chicago, Ill., were held at 1 p.m. Friday, Nov. 4, 1994, at the First United Methodist Church in Nederland with the Rev. George Rodonia officiating. Burial services were held at 4 p.m. at the Pedigo Cemetery near Dam-B. Mrs. Berlin died Nov. 1 at Sarasota Memorial Hospital in Sarasota, Fla.

Mrs. Ella Pedigo
Born Ella Tucker in east Tyler County, Mrs. Pedigo's life began in the closing years of the 19th century and covered most of the 20th, and so spanned two centuries. She lived on West Bluff in Woodville most of those years, and remained at home until the day of her death.

Chili cook-off set
WOODVILLE — The White Tail Ridge Volunteer Fire Department and auxiliary of Woodville are holding a chili cook-off and jam session fundraiser on Saturday Nov. 26. Teams are needed for the cook-off and musicians for the jam session. Please call Sam at 283-3170 or Frances at 283-3614 for more information.

TOPS No. 1486 meets in Spurger
SPURGER — Spurger Take Off Pounds Sensibly (TOPS) Chapter No. 1486 met for its regular weekly meeting on Nov. 3, recording a total weight loss of 2 1/2 pounds. The members participated in a group discussion about preventive eating.

Sylvia Lee Bourg
WOODVILLE — Graveside services for Sylvia Lee Bourg, 71, of Woodville were held at 2 p.m. Saturday, Nov. 5, 1994, at Fairview Cemetery near Dam-B with Bro. W.C. Haynes and Bro. Steve Benhath officiating. Mrs. Bourg died Nov. 3 at her residence. She had lived in Houston most of her life before moving to Woodville 10 years ago.

Glen W. Clow
WOODVILLE — A private service was held for Glen W. Clow, 82, of Woodville, who died Tuesday, Nov. 1, 1994. Survivors include his wife Reda Mae High Crosby; one son, Gary Wayne Crosby of Carroll, CA; four daughters, Juanita Bobo of American Fork, UT, Ouida Alice Odom of Spangler, Doris Tregaskis of Orem, UT, and Caroline Bliss of Wellsville, UT; two sisters, Gladys Daugherty and Rosie Mae Stafford, both of Woodville; 28 grandchildren; 98 great-grandchildren; 12 great-great-grandchildren.

KISS THE PIG CROWD—Members of the Tyler County Hospital were on hand recently for the fund raising event designed to assist some 14 nursing students defray the cost of a 3-day-long test seminar as they approach their final exam date in December. Dr. Clint O'Neal was the lucky pig kisser to the delight of everyone present.

Shop-At-Home banquet a success

The Tyler County Chamber of Commerce Shop at Home Banquet was a great success according to organizers. Featured speaker Ray Stone told the group, "You ought to be ashamed if you're not spending your holiday shopping dollars at home. Purpose of the banquet was to inform locals about the importance of shopping at home. (PHOTO RIGHT) shows Dallas Cowboy Talk Show Host Stone drawing Richard Best's name from a see-through case donated by the Mautner Company of Woodville. The case contained an official team autographed football from the Dallas Cowboys (PHOTO RIGHT) shows Richard and Pam Best accepting their prize with Gene Koci of Citizens State Bank and Missy Ogden representing the Chamber of Commerce. Navy Lt. Andrew Caldera receives commendation medal

WASHINGTON, D.C. — Navy Lt. Andrew L. Caldera, whose wife, Amy, is the daughter of Betty J. and Joseph S. Henderson Jr. of Woodville, recently received the Navy Commendation Medal. Caldera was cited for meritorious service while serving as an intelligence officer with Attack Squadron 85. The commendation medal singles out an individual service member for his initiative in making a significant contribution to the accomplishment of the command's mission. The award, presented during formal ceremonies, is official recognition for meritorious accomplishments, achievements and performance of duty. Caldera is currently assigned with Director, Office Of Naval Intelligence, Washington, D.C. The 1993 graduate of Cincinnati Country Day School of Cincinnati, joined the Navy in July 1984. Caldera is a 1988 graduate of the U.S. Naval Academy, Annapolis, MD., with a BS degree.

Gulf retirees to meet

SPURGER — The Tyler County Gulf Retirees Club will hold its annual Thanksgiving dinner meeting this Friday, Nov. 11 at Lion's Den in Spurger. Dinner will be served at 6 p.m. and various domino games will be played after the meal.

There will be no club meeting in December. The next meeting is scheduled to be held January 13, 1995.

If you are retired from Gulf Oil/Chvron Corporation or any of their subsidiaries and are not a member of the club, you are invited to come and renew old acquaintances.

Fireman's Association to meet Nov. 14

WOODVILLE — The Tyler County Fireman's Association will hold their next meeting at 7 p.m. Monday, Nov. 14 at the Woodville Fire Station.

Autumn color rail tours

The Texas State Railroad has scheduled special autumn color rail tours for the first three Saturdays of November. The historic steam train winds through 50 miles of beautiful East Texas hardwood creek bottoms, providing a unique opportunity to enjoy the autumn scenery. For reservations, call the Texas State Railroad at 903-683-2561 or 1-800-442-8951 (Texas only).

INSTALL SEWER IN COLMESNEIL

Taking matters their own hands Monday are Colmesneil Mayor C.J. Riley and fellow workers Ronnie Hearn, John Carnley and James Endsley. The men are shown installing a sewer system "by hand" at a cost of \$7,800. According to Riley, the sewer, which is about 6,000 feet, will serve about 12 homes along Hwy 69 and is being paid for out of city sewer revenues. "By doing it this way we didn't have to float a bond," Riley said.

FRIDAY, Nov. 18: Chili dogs, fries, chilled fruit and choice of milk.

'Don't be shut out'

Thursday, Nov. 17, the Angelina College Procurement Assistance Center will host an Electronic Commerce (EC/EDI) Seminar from 9 a.m. to 3 p.m. in the Health Careers Building, room N-110 at Angelina College. By far the most sweeping change in recent years by U.S. Businesses and the U.S. Government is the electronic revolution. Electronic Commerce is currently changing the way America does business. The computer to computer exchange of information is becoming routine in today's business world, using standard computer formats. In today's evolving global marketplace, Electronic Data Interchange, coupled with the re-engineering of business processes, are essential for companies to successfully reduce the cost of doing business, increase productivity, and ultimately become more competitive. Different than ever before, firms can learn to respond to this electronically. Also, they will be educated on how to handle purchase orders, invoices, shipping notices, and anything else requiring current paper transactions that are done electronically. This seminar places emphasis on commercial business, whether that business is in manufacturing, distribution, retail, construction, wholesale or the service related industry. Also, some information will be presented on Government Contracting formats for EDI. "Don't be shut out" in the 21st century. Business owners are urged to call by November 4 for reservations (seating is limited). Contact Karl Boyd at (409) 639-3678 or Community Services at (409) 633-5206. Costs \$15 per person and includes lunch and materials.

The pastors and congregations of these area churches invite everyone to attend the church of their choice.

Church News

Calvary Baptist to have Thanksgiving dinner

WOODVILLE — The Calvary Baptist Church of Woodville will hold their annual Thanksgiving Dinner for senior citizens on that, on Saturday, Nov. 19, at 10:30 a.m. on Nov. 19.

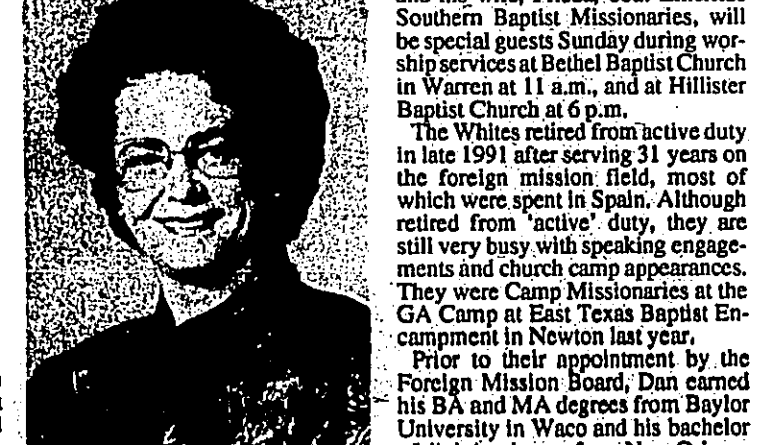

Church bazaar to be held Nov. 12

You'll also find a bake sale with homemade crafts which will include a variety of Christmas gift items and decorations. The church is located on FM 3063, one mile west of Highway 69 at Woodwood. Everyone is invited to join in the activities.

SSI childhood disability rules revised

LUFKIN — Recent regulations make substantial changes in the way the Social Security Administration evaluates disabilities in children applying for Supplemental Security Income (SSI) payments. One of the regulations significantly changes the process and standards used to evaluate children's cases. Two other regulations make specific revisions to the medical criteria used to evaluate disability in children with Down syndrome, mental impairments and other serious hereditary, congenital and acquired disorders. In the Lufkin decision, the Supreme Court found that Social Security used a narrower test for evaluating the disabilities of children under 18 than it

Bethel Baptist and Hillister Baptist host missionary visit

Daniel White. Attend the church of your choice this Sunday.

WARREN — The Rev. Daniel White and his wife, Frieda, both Emeritus Southern Baptist Missionaries, will be special guests Sunday during worship services at Bethel Baptist Church in Warren at 11 a.m., and at Hillister Baptist Church at 9 a.m. The Whites retired from active duty in late 1991 after serving 31 years on the foreign mission field, most of which were spent in Spain. Although retired from active duty, they are still very busy with speaking engagements and church camp appearances. They were Camp Missionaries at the GA Camp at East Texas Baptist Encampment in Newton last year. Prior to their appointment by the Foreign Mission Board, Dan earned his BA and MA degrees from Baylor University in Waco and his bachelor of divinity degree from New Orleans Baptist Theological Seminary, Frieda attended Lamar College (now University) in Beaumont and LSU in Baton Rouge before moving to Waco and Baylor University where she completed her BA degree. She then attended New Orleans Seminary. The Whites took their language study in San Jose, Costa Rica and then were assigned to Madrid, Spain. They served 10 years in the Canary Islands off the northwest coast of Africa, and then returned to the States.

Monthly singing

WOODVILLE — The Christian Life Center at White Tail Ridge is having a monthly singing on Friday, Nov. 11 at 7 p.m. For those who are unfamiliar with the location, there will be signs along the direction of the Christian Life Center.

Heaven Sent

SPURGER — The South Spurger Miracle Worship Center will be hosting the "Heaven Sent" group from Honey Island on Sunday, Nov. 13. There will be preaching at the 11 a.m. service, followed by dinner on the grounds, and singing in the afternoon. Everyone is invited to come worship with them and receive a special spiritual blessing.

Colmesneil Bulldog's headed for play-offs despite loss to Burkeville

By Cathy Allen
Sports Writer

COLMESNEIL - The Colmesneil Bulldog's were headed into post-season play despite last Friday night's loss to Burkeville, where the Burkeville team pounded the Dogs, 26-0.

There was a three way tie for second place in District 24-A between Colmesneil, Apple Springs, and Evadale, but the Bulldogs having defeated Apple Springs by 14 points won out for the play-off spot.

There will be a 35-District play-off game this Friday night between Tenaha and Davin, and the Colmesneil Bulldogs will face the victor in their first round of post season play on Friday night, the 18th. The location of the play-off game has not been set yet, and will depend on who wins the Davin game Friday.

Colmesneil's Head Coach Mike Jacobs said that he would rather play Tenaha, despite the fact that they boast a better season record than Davin. "We played them last year, and I

think the boys would like to meet them again. It's a little disappointing losing the last two games of the season, if I had to lose two, I would have preferred losing them earlier on, but I'm proud of these boys making it into the play-offs."

The Burkeville team featuring "Spike" (sounds like he should be a Bulldog) routed the Dogs last Friday night, despite a tough effort shown by the Bulldogs, who no way just rolled over for this undefeated, brutal team. The Bulldog's were credited for five penalties compared to Burkeville's six, but the curbs just didn't fall right for the Dogs to break through and score.

It was the talents of Cody Widner, who pounded out 17 tackles and recovered two fumbles, Marcus Allen, with 15 tackles, Daryl Douglas who punched out 10, Ray Dobbins with nine, and also Herman Allen, and Joey Brown that played big roles in keeping this game from being the massacre that Burkeville has leveled against other fine 24-A teams.

JR Pittman shone for the offense more so than before, sharing the spotlight with Greg Bean and sophomore Ronnie Douglas.

Burkeville started out strong scoring with 8:32 left in the first quarter, on a four yard touchdown run by "Spike".

The extra point attempt was shut down, and the Bulldog's succeeded in holding the Burkeville team to a six point lead until seconds before the half, when Burkeville again scored, after having taken possession on the Bulldog's 35 yard line.

Freshman Daryl Douglas has saved the touchdown a few plays earlier on first down, when he stopped Stevens plover a hole for Renfro on the next play, and Bean open to pick up the Bulldog's one yard line. A penalty against Burkeville then moved it back to the six. Cody Widner, Greg Bean and Herman Allen sacked the Burkeville quarterback for a loss on the next play, but he found "Spike" open on third down in the end zone, and Burkeville was up 12-0.

On second down, Lee Van Brewer broke through the secondary and scrambled for 38 yards, bringing the Bulldog's into Burkeville territory. Jack Jacobs threw a block on first down that left Bean open to pick up the Bulldog's five yards.

The Bulldog's were gaining ground until they again fumbled, turning possession over once again, this time on their own 35 yard line.

On first down the same slant play that hurt the Bulldog's before hit them again, with "Spike" going around to the right where no one was home on the Bulldog secondary, for the final score of the night. Daryl Douglas

had driven in to the 25 yard line, and on a second down and short four to go, the Bulldog's fumbled, and the momentum shifted, as the fourth quarter began.

Burkeville came back hot, scoring after a ten play, 85 yard drive. It was on fourth down and eight to go to the goal play, that Burkeville's quarterback hit #81 with a pass for the touchdown, on the same slant option play that "cost" them "two" points on Burkeville's conversion just before the half.

Later in the third quarter, Marcus Allen, Bo Bendy, and Jack Jacobs shut down the Burkeville team when they were knocking from inside the five. Taking over on their own four yard line.

They had driven in to the 25 yard line, and on a second down and short four to go, the Bulldog's fumbled, and the momentum shifted, as the fourth quarter began.

upped the pass that otherwise would have put up two more Burkeville points, and the final score was 26-0.

Warren Warriors close season with good showing

By Cathy Allen
Sports Writer

WARREN - The final football game for the Warren Warriors this season turned out to be their best offensive tally for the year, but was still just enough for the game to be called a competition, with the Kirbyville Wildcats being the victors in a 47-20 match.

Steve Mitchell had a great final game of High School football, carrying the ball 17 times for 134 yards. John Ferguson closes out his H.S. football career with 18 carries for 71 yards in this game, while Chris Renfro was also effective in moving the ball, carrying nine times for 50 yards.

The game started out hot and was alive with action when the Wildcats moved quickly down the field, being helped along by two big pass plays, one for 20 and the other for 27 yards, that brought them in to the Warriors three yard line. They brought in the first score of the game from there, and

the kick was good for the extra point. The Warriors came back with fury and drove down to the Wildcats thirty, but then they threw a pass that the Kirbyville team managed to pick off, the first crucial turnover of the night.

The Kirbyville team began to march back to Warrior territory, but Chris Renfro answered their interception by picking off one of their passes, but an inadvertent whistle blown by one of the refs brought his 96 yard touchdown run back, and unfortunately for the Warriors put momentum back on the Wildcats side.

The Warriors managed to hold them though, dropping them for losses, and eventually forced them to punt. The Warriors took possession deep in their own territory, and were driving along well until the Wildcats again intercepted a Warren pass, this time in mid-field.

The Warriors again managed to hold them and soon were on the march once

again. Twelve plays brought them slowly down the field, the Warriors being patient to take what they could get, soon found themselves at the Wildcats ten yard line.

Shane Moses completed a nine yard pass to Colby Rodriguez who was brought down at the one. Charles Stevens plover a hole for Renfro on the next play, and Bean open to pick up the Warriors first touchdown in quite a while. The Warriors went for two points, but the attempt was no good, and the Warriors were down by one, at the end of the first quarter.

Play swapped back and forth until late in the second quarter, when the Wildcats completed a 25 yard pass that brought them into the Warriors 20. On first down, they again took to the air with another long pass, this was complete for another Wildcat touchdown. The kick for the extra point was good.

The Warriors responded with Steve

Mitchell scrambling to open up the next drive, for 30 yards. John Ferguson was right behind him on first down, for 15 more, and another Warrior first down. Moses then completed another pass to Rodriguez, which brought the Warriors to the Wildcats six.

Stevens again led Ferguson through the defensive line, and the Warriors closed the Wildcats lead with another touchdown. Moses launched another pass to Rodriguez which was also complete, the Warriors successfully converting for the two extra points needed to tie up the game, with 44 left in the half.

The Warriors kicked off to Kirbyville, and on the first and only play that they would have time to get off before the half, Kirbyville's quarterback Jerome Allen connected with Wildcat Diamond Bluetit, for 65 yards and another touchdown. With the score being a close 20-14 at the half the Warriors thought they had

a pretty good chance, but the Wildcats came out tough in the second half.

They kicked off to the Warriors to open it up, and the Warriors were again on their way down the field when they had yet another pass picked off. Kirbyville took over and Allen scrambled for forty yards on first down to the Warriors ten.

A penalty against the Wildcats moved it back out to the twenty, but Allen hit Kevin Nation with a bullet pass on the next play, and the Kirbyville team was up six more. A pass play conversion attempt failed.

The Warriors were forced to punt on their last possession, and the Wildcats again took to the air and scored on another long pass to Bluetit, this time a 39-yard touchdown play.

from Moses. Renfro scampered for 17, and Steve Mitchell finally had the honor of bringing in the final Warrior score, from just two yards out. The conversion attempt was no good.

The Wildcats scored two more touchdowns in the fourth quarter, and succeeded in shutting down the Warriors after this point. Their final scores came on a 12 yard run, with the two point conversion good, and in the final seconds of the game, the Kirbyville team scampering 75 yards for the final touchdown, while Kirbyville for one more also good.

Warren Warriors close season with good showing

By Cathy Allen
Sports Writer

WARREN - The final football game for the Warren Warriors this season turned out to be their best offensive tally for the year, but was still just enough for the game to be called a competition, with the Kirbyville Wildcats being the victors in a 47-20 match.

Steve Mitchell had a great final game of High School football, carrying the ball 17 times for 134 yards. John Ferguson closes out his H.S. football career with 18 carries for 71 yards in this game, while Chris Renfro was also effective in moving the ball, carrying nine times for 50 yards.

The game started out hot and was alive with action when the Wildcats moved quickly down the field, being helped along by two big pass plays, one for 20 and the other for 27 yards, that brought them in to the Warriors three yard line. They brought in the first score of the game from there, and

the kick was good for the extra point. The Warriors came back with fury and drove down to the Wildcats thirty, but then they threw a pass that the Kirbyville team managed to pick off, the first crucial turnover of the night.

The Kirbyville team began to march back to Warrior territory, but Chris Renfro answered their interception by picking off one of their passes, but an inadvertent whistle blown by one of the refs brought his 96 yard touchdown run back, and unfortunately for the Warriors put momentum back on the Wildcats side.

The Warriors managed to hold them though, dropping them for losses, and eventually forced them to punt. The Warriors took possession deep in their own territory, and were driving along well until the Wildcats again intercepted a Warren pass, this time in mid-field.

The Warriors again managed to hold them and soon were on the march once

again. Twelve plays brought them slowly down the field, the Warriors being patient to take what they could get, soon found themselves at the Wildcats ten yard line.

Shane Moses completed a nine yard pass to Colby Rodriguez who was brought down at the one. Charles Stevens plover a hole for Renfro on the next play, and Bean open to pick up the Warriors first touchdown in quite a while. The Warriors went for two points, but the attempt was no good, and the Warriors were down by one, at the end of the first quarter.

Play swapped back and forth until late in the second quarter, when the Wildcats completed a 25 yard pass that brought them into the Warriors 20. On first down, they again took to the air with another long pass, this was complete for another Wildcat touchdown. The kick for the extra point was good.

The Warriors responded with Steve

Mitchell scrambling to open up the next drive, for 30 yards. John Ferguson was right behind him on first down, for 15 more, and another Warrior first down. Moses then completed another pass to Rodriguez, which brought the Warriors to the Wildcats six.

Stevens again led Ferguson through the defensive line, and the Warriors closed the Wildcats lead with another touchdown. Attention Warren baseball fans

WARREN - Warren High School's Athletic Director Steven DuBose is putting out a call for help in fixing up the Warren baseball field this Saturday.

All persons interested in participating in any way in this coming year's baseball program are urged to come out and help prepare the field for play, paint the dug-outs, and give some input into the plans which will be discussed on Saturday regarding a new press box and concession stand at the field.

District 24-3-A track teams compete

VIDOR - The Woodville Girls Varsity, and The Warren Boys Varsity cross country track runners advanced to the regional competition at San Jacinto College in Pasadena last Saturday, after each team placed second in their respective division in the District Cross Country meet which was held at Clubhouse Park in Vidor a week ago Saturday.

The Woodville Girls Varsity Track team, consisting of Laura Kennesson, Ashley Allison, Michelle Foster, Kirsten Babin, Latasha Mitchell, Brand Nagypal, and Cassandra Foster placed second all around in the District Meet. Freshman Laura Kennesson placed sixth in the two mile race, and Ashley Allison came in tenth.

The Warren Boys Varsity Cross Country Track team consisting of Josh Hicks, Carlos Gonzales, Jason Ferguson, Jeff Mixon, Shawn McGough, Eric Ray, and Daniel Davis placed second in District 3A competition last Saturday, and also advanced to the Regional meet last Saturday.

Leading all runners was Josh Hicks who won First Place with a time of 17:51 in the three mile race. Carlos Gonzales came in at the eighth place spot of the top ten.

Colmesneil runner going to state cross-country track meet

COLMESNEIL - Congratulations go out to Jennifer Pittman of Colmesneil High School who finished in third place at the regional cross-country track meet held at San Jacinto College last Saturday.

Miss Pittman placed third out of seventy-five students and will advance to the State-wide Class A Girls Cross Country track meet which will be held at Southwestern University in Georgetown, this Saturday.

Deer hunting best in Hill Country

FOR the 1994-95 deer season, Texas hunters are expected to have the best success in the Hill Country, where the white-tailed deer population is almost half the state total of 3.4 million.

In the Hill Country, so deer will more readily go to corn feeders used to attract deer. The largest size deer will still be in South Texas.

SOURCES: John Cham, Texas Commissioner of Parks and Wildlife Department.

Chester YellowJackets look ahead to next season

CHESTER - After being shut out by Apple Springs last Friday night in the season's final game, and closing out the season with a 1-8 record, Chester's Head Coach Steve Renfro looks to the job at hand of training these boys for next season.

"We want to build these kids up in their strength and speed, and we haven't a bigger program here before, I don't think, and if you send these kids out against teams that have had all the training with weights and track and all, they're gonna get clobbered. So we've got lots of time to work on getting these kids in some good shape, they are a young team. I'm sure we're gonna have a better season next year."

Speaking of sore, that could probably describe the Jackets after last Friday night's game in Apple Springs, where they were defeated 41-0. Coach Renfro said that "They were just a tough team, they were very good, and we weren't". He was quick to add, "but we're young, and we're gonna come back out strong next year."

They will be back next year, bigger and better, no doubt, but the presence of De'Earrah Wyatt who tallied out this year with 107 defensive points, Jeremiah Barnes, who 83 def. pts. John Jefferson with 83, and of course Bob Jewell, will be sorely missed.

and we'll look for a lot more from him. This season he received 21 passes and reached for 648 yards for the season, and brought in six Eagle touchdowns.

Gerrod Betts is another one we'll be looking to see a lot more of, for the next two seasons. Woodville Eagle fans can look forward to Gerrod Betts being on the mark as he received 18 passes for 414 yards and two touchdowns in this, his sophomore year.

Last Friday night was kind of a disappointing end off for the boys as an upset resulted with the Orangefield Bobcats coming out victorious over the Eagles, in a game that was plagued by penalties against the Eagles.

Play action started off slow, and neither team had scored until three minutes before the half, when Orangefield scored on a six yard pass. A kick later and Orangefield was up 7-0. The Eagles retaliation attempt was shut down as they rushed in the half.

The Bobcats came out fired up at the onset of the second half

Flu vaccines urged for 'high-risk' persons

AUSTIN — The Texas Department of Health (TDH) wants each year that anyone who may be at increased risk of complications of influenza should be immunized before the flu season begins.

The U.S. Centers for Disease Control and Prevention (CDC) each year predict which strains of influenza pose the greatest public health danger. The vaccine CDC has recommended for the 1994-95 season is designed to combat the A/Shanghai 8/13/93 virus and A/Texas (first isolated in Houston in 1991) strains of the disease.

Flu vaccines are subject to yearly change, and the effectiveness of the shot declines with time. Therefore annual immunizations with the recommended vaccines are necessary for people most at risk.

People most at risk of severe or fatal complications of the disease include those 65 or older, anyone with chronic respiratory or heart problems and children weakened by disease.

"Early, usually between December through April, influenza kills about 200,000 in the U.S., most of them in high-risk categories," Robert D. Crider, Jr., director of TDH's Immunization Division, said. The elderly are among the hardest-hit by influenza and its complications.

"Fewer than 30 percent of Americans in high-risk groups heed our annual warnings to seek influenza vaccinations," he added. "We know that one reason some older people fail to be vaccinated is because of an unfounded fear that the vaccine can actually cause influenza. The truth is that a vaccinated person may still contract some strain of influenza, but not from the vaccine. If they do become ill, the vaccine usually helps lessen the severity of the case."

The categories of people who are most likely to develop influenza complications are:

- Persons 65 years old and older;
- Adults and children with chronic heart or lung disorders, including children with asthma;
- People under medical care for chronic metabolic diseases, kidney or blood problems or weakened immune systems; and
- Children (18 and younger) who already are receiving long term aspirin therapy, which can place them at risk of developing Reye syndrome after influenza.

"We strongly recommend influenza vaccinations for all people in high-risk groups, especially if they are international travelers or if they are pregnant," Crider advised. "People infected with the human immunodeficiency virus (the virus that causes AIDS) also may be at increased risk for flu complications." In addition, CDC recommends that physicians, nurses and other health professionals should be immunized against influenza to avoid spreading the disease to their patients.

Residents and employees of nursing homes and other facilities treating chronically ill patients also should be immunized.

"We advise physicians to offer vaccine to their patients during routine clinic visits, beginning in September and throughout the influenza season," he said. "Children younger than five who have never received these influenza vaccines will need a first shot, followed a month later by a booster. Adults, however, will need only one shot in a season, since CDC has found no added benefit in a second shot for adults in a single season."

Crider explained that all unimmunized residents of chronic-care facilities, such as nursing homes, should be immunized during October and November. Since immunity by the vaccine may not be complete for a few weeks following vaccination, waiting until flu cases occur in the community can be a tragic mistake.

He added that high-risk persons who are hospitalized any time from now through March and members of their households are encouraged to be vaccinated.

Ear infection season underway

HOUSTON — It is the peak season for one of the most common childhood illnesses, and many parents don't even know it says an ear, nose and throat expert.

"Middle ear infections, or otitis media, can occur at any time of the year, but fall and winter are especially bad," said Dr. Newton O. Duncan, an assistant professor of otolaryngology and pediatrics at Baylor College of Medicine in Houston. "Often, parents don't recognize the early signs of middle ear infections, much less that their children may be more susceptible this time of year."

Middle ear infections strike more than 80 percent of children by age 3, Duncan said. It cannot be avoided especially since children are often in day care situations, but it can be treated. The "high-risk" ages are six months to three years.

Duncan suggests parents watch for early indicators of this painful and potentially dangerous infection.

"At the first sign of fever, fussiness, tugging or rubbing of the ears, upper respiratory infection, nausea or vomiting, or any combination of these, parents should suspect middle ear infection," he said. "It certainly warrants an examination within 24 hours of the onset of symptoms."

Middle ear infections occur when bacteria bypasses the middle ear, causing inflammation. This results in a painful buildup of infected fluid behind the ear drum due to obstruction of the eustachian tube that leads from the sinuses to the middle ear.

Unreated middle ear infections can result in serious complications such as a ruptured ear drum, meningitis, brain abscess, or even hearing loss. Early treatment may prevent such serious complications.

"Antibiotics are the main therapy," Duncan said. "Persistent cases may require special antibiotics or surgical drainage."

In more serious cases, ear tubes may be surgically inserted to help relieve fluid buildup and frequently occurring infections. These are vaccine studies underway, but nothing has proven effective yet, Duncan said.

How can middle ear infections be avoided? Duncan suggests:

- Avoid exposing children to colds, flu or other viruses, although this is often not easy or realistic.

Dr. Newton O. Duncan, an assistant professor of otolaryngology and pediatrics at Baylor College of Medicine in Houston, often, parents don't recognize the early signs of middle ear infections, much less that their children may be more susceptible this time of year.

Unreated middle ear infections can result in serious complications such as a ruptured ear drum, meningitis, brain abscess, or even hearing loss. Early treatment may prevent such serious complications.

Experimental drug aimed at diabetic leg problems

HOUSTON — An experimental drug may slow or reverse the nerve damage that leads to diabetic leg ulcers and amputations.

"Half of the nation's six million diabetics will develop nerve damage known as peripheral neuropathy," said Dr. Yedollah Harati, the neurologist conducting the drug study at Baylor College of Medicine in Houston.

There is no effective treatment for diabetic neuropathy, and physicians do not know its cause.

Symptoms often begin in the feet and include tingling, numbness and burning or shooting pain. The complication often extends up to the knees and hands causing foot ulcers, limb weakness and ultimately difficulty walking. It is one of the most common causes of male impotency.

"Neuropathy causes the nerve to malfunction," Harati said. "Damage can occur to the nerve cables or to the insulation, or myelin, covering them."

The study is part of an international clinical trial involving more than 50 centers and 600 patients.

The study tests the effectiveness of acetyl-L-carnitine. The compound has already proven to prevent progression of neuropathy and to promote nerve regeneration in animals with experimentally induced neuropathy.

"This specific form of carnitine is only available as an investigational drug," Harati said. "The carnitine available in health food stores will not be helpful."

Participants in the 18-month study receive either the medication or a placebo. Evaluation includes tests of nerve conduction, blood tests, EEGs, physical and neurological exams, and nerve biopsies at the beginning and end of the study.

The nerve biopsies, Harati says, provide before and after comparisons for evidence of nerve regeneration and improvement.

"If this drug can produce the same impressive results in humans, then we may have an effective treatment of diabetic neuropathy," he said.

At present, the only way to fight neuropathy is with good control of diabetes through diet, blood sugar monitoring and anti-diabetic drugs.

KISS THAT PIG!—Tyler County Hospital staffers got a kick out of watching Clint O'Neal, D.O. kiss a pig as part of a fundraiser to defray student nurse expenses on an upcoming three day seminar. Organizers said everyone had a blast and helped put on the event which raised a good sum of money towards the project. Shown above O'Neal bends over to plant one on the porker who squealed with delight. (Photo by John Morrison)

DETCOG Bridges scheduled for inspection

BEAUMONT — The recent heavy rains and flooding in Southeast Texas may have put a strain on the bridges crossing the area's waterways. The Texas Department of Transportation in Beaumont says it will begin to inspect at least 29 bridges in the region as soon as the water levels have receded enough to get under the structures.

all bridges," says Hurt, "but during flooding conditions it can happen more quickly than it does when the water flows at normal rates. Many of these bridges are over gently flowing streams when the flooding occurred."

According to Liz Humphrey, bridge inspector for TxDOT's Beaumont District, the scheduled inspections are routine after such flooding.

"There is no reason at this time to expect any of the bridges suffered significant damage because of the high water," Humphrey says.

TxDOT expects to begin looking over the bridges the week of November 7.

"Scouring occurs naturally around

Beautyify the Square benefit Nov. 12

WOODVILLE — There will be a "Beautyify the Square Benefit Style Show" featuring fall and holiday fashions from Jacques and J.B. Best & Co. with a silent auction and refreshments at 2 p.m. on Saturday, Nov. 12 at the Alan Shivers Library, 55 donation.

With Chamber Ribbon Cutting Hometown IGA open

Bestway Foods has changed its name to Hometown IGA in Woodville as part of a Grand Opening Ceremony and Chamber of Commerce Ribbon Cutting held last week, on Wednesday, to mark the occasion.

Owner Mike Wiley, of Jasper, said he was grateful to the people of Tyler County as customers of the store. He said he appreciated the Chamber's response to the Grand Opening and invited everyone to come buy and visit.

Store Manager Keith Baird had a new sign erected along the Hwy 69 entrance to the store and the store was officially reset for the event. Executives from the IGA East Texas Group were also on hand for the event.

The IGA Profile included several facts about the company:

- It is the world's largest voluntary retail food network;
- It has over \$16 billion in sales worldwide;
- It is ranked 6th in the world in food industry sales. 3rd in the U.S.;
- It has 21 owning wholesale companies; 65 wholesale distribution centers;
- almost 4,000 affiliated supermarkets located in 49 of the United States, Australia, Canada, Japan, Korea and Papua New Guinea.

IGA Hometown in Woodville will be part of the "Hometown Proud" campaign which focuses on the relationships between the IGA retailer and the consumer.

Local scouts to sell popcorn

WOODVILLE — The Three Rivers Council of the Boy Scouts of America is holding its annual Trail's End Popcorn Sale through November 14. During this time, scouts in the Woodville area will be selling popcorn to help finance the activities of their Unit and the council.

Council Popcorn Chairman Steve Hale emphasized that the primary income for scouting comes from community support through United Way and the Council's Friends of Scouting program. "However, escalating costs, the need for camp equipment and maintenance, and continued growth have prompted us to seek additional sources of support," said Hale.

Trail's End Gourmet Popcorn is available only through this scouting sale. Popcorn is the fastest growing non-sweetened snack in the country. It is high in fiber and low in calories. Scouts from Pack 37 will be selling different popcorn products door-to-door in the coming weeks to help finance the various projects they undertake throughout the year. For more information, contact Cynthia Kelley at 283-3647 or Mark Baird at 409-842-5240.

Election reveals strong GOP effect in county

Despite political experts opinions that a low voter turnout was necessary for a Republican win in Tyler County Tuesday, a surprise 30 percent voter turnout here, provided a resounding message to the contrary to Democrats.

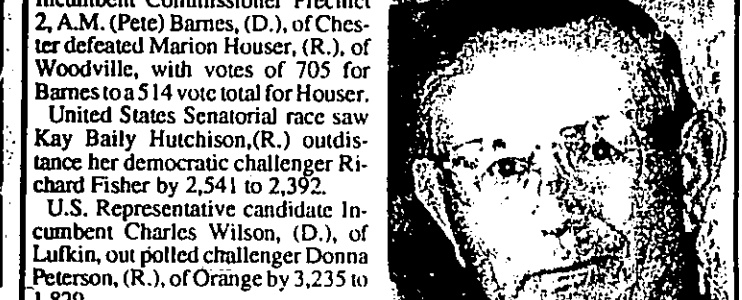

In the only local race of interest Incumbent Commissioner Proctor 2, A.M. (Pete) Barnes, (D.), of Chester defeated Martin Houser, (R.), of Woodville, with votes of 705 for Barnes to a 514 vote total for Houser.

United States Senatorial race saw Kay Batty Hutchison (R.) outdistance her democratic challenger Richard Fisher by 2,541 to 2,392.

U.S. Representative candidate In-cumbent Charles Wilson, (D.), of Lufkin, out polled challenger Donna Peterson, (R.), of Orange by 3,235 to 2,291.

In the Governor's race Incumbent Ann Richards, (D.), squeaked out a victory in Tyler County over challenger George Bush by only 13 votes. Richards polled a total of 2,549 to Bush's total of 2,536.

In District 3 State Senatorial race Curtis Soltau, (D.) earned 3,157 votes to Republican Drew

A.M. (Pete) Barnes

Guilty verdict in Hillister case

District 1-A Court jurors delivered a guilty verdict Monday against Lester Lee, Jr., 19, of Hillister, who was charged with the capital murder of Tahara Moya, in a shooting incident which occurred on March 8, 1993, where Lee reportedly walked into the Herman and Gwinda Howard residence and began shooting, leaving one dead and three injured, according to reports.

Tyler County Criminal District Attorney Jim Clark said that the death penalty was waived in the case. The court automatically sentenced him to life at the Texas Department of Criminal Justice.

Authorities said there was blood in every room in the house. Lee apparently fled the scene but surrendered two hours after the midnight episode.

The original charge also included attempted capital murder implications but Lee's Defense Attorney, Mike MacDougal, of Conroe, made a severance motion to have only the murder charge considered.

Injury at the scene were Herman and Gwinda Howard and Danyun Blue. Two other juveniles were present but not injured.

Jury selection and the trial itself lasted five days. Clark said his office put on two days of evidence in the case.

IGA HOMETOWN STORE MANAGER KEITH BAIRD --and (l. to r.) Department Managers: James Nash, Groceries: Peggy Simen, Produce: Joe Cook, Market: Assistant Store Manager J.R. Williams; Owner Mike Wiley and Chamber of Commerce executives and guests.

Obituaries

Ella Tucker Pedigo
 WOODVILLE — Services for Ella Tucker Pedigo, 96, of Woodville, were held at 11 a.m. Monday, Nov. 7, 1994, at First Baptist Church in Woodville with Dr. Chet Haney, pastor of Woodville First Baptist Church, officiating.
 Burial followed at Pedigo Cemetery in Town Bluff.
 Mrs. Pedigo died Nov. 4 at Tyler County Hospital in Woodville.
 A native and lifelong resident of Woodville, she was a member of the First Baptist Church and the Eastern Star.
 She was preceded in death by her husband, Abram Ernest Pedigo.

Church News

Calvary Baptist to have Thanksgiving dinner

WOODVILLE — The Calvary Baptist Church of Woodville will hold their annual Thanksgiving Dinner for senior citizens, those who are alone or shut-in or in need, on Saturday, Nov. 19.

Church bazaar to be held Nov. 12

WILDWOOD — The Wildwood Village Methodist Church will present its annual Christmas Bazaar Saturday, Nov. 12 from 8 a.m. to 4 p.m.

SSI childhood disability rules revised

LUFKIN — Recent regulations make substantial changes in the way the Social Security Administration evaluates disabilities in children applying for Supplemental Security Income (SSI) payments.

Bethel Baptist and Hillister Baptist host missionary visit

WARREN — The Rev. Daniel White and his wife, Frieda, both Emeritus Southern Baptist Missionaries, will be special guests Sunday during worship services at Bethel Baptist Church in Warren at 11 a.m., and at Hillister Baptist Church at 8 p.m.

After the 11 a.m. worship service at Bethel Baptist, the church will have their traditional Thanksgiving lunch, and a chance for members and guests to fellowship with the Whites.

After the 8 p.m. service at Hillister Baptist, light refreshments will be served during a time of fellowship, which will afford those attending an opportunity to visit with the missionaries.

Bro. Bobby Hoffpauir, pastor at Bethel Baptist and Bro. Bill Swearingen, pastor at Hillister Baptist, both urge all their members to be present Sunday and extend an invitation to any and all area residents who may have an opportunity to attend these services.

Monthly singing

WOODVILLE — The Christian Life Center at White Tail Ridge is having a monthly singing on Friday, Nov. 11 at 7 p.m. For those who are unfamiliar with the location, there will be signs along the road in White Tail Ridge showing the direction of the Christian Life Center.

Everyone is invited to come worship with them and receive a special spiritual blessing.

Everyone is invited to join in the activities.

Colmesneil Bulldog's headed for play-offs despite loss to Burkeville

By Cathy Allen Sports Writer

COLMESNEIL - The Colmesneil Bulldog's headed into post-season play despite last Friday night's loss to Burkeville, where the Burkeville team pounded the Dogs, 26-0.

There was a three way tie for second place in District 24-A between Colmesneil, Apple Springs, and Evadale, but the Bulldog's having defeated Apple Springs by 14 points won out for the play-off spot.

There will be a Bi-District play-off game this Friday night between Tannah and Dawlin, and the Colmesneil Bulldog's will face the victor in that game.

Colmesneil's Head Coach Mike Jacobs said that he would rather play Tannah, despite the fact that they have a better season record than Dawlin.

"We played them last year, and I think the boys would like to meet them again. It's a little disappointing losing the last two games of the season, if we had to lose two, I would have preferred losing them earlier on, but I'm proud of these boys making it into the play-offs."

The Burkeville team featuring "Spike" (sounds like he should be a Bulldog) routed the Dogs last Friday night, despite a tough effort shown by the Bulldogs, who in no way just "rolled over" for this undefeated, brutal team.

The Bulldog's were credited for five penalties compared to Burkeville's six, but the cards just didn't fall right for the Dogs to break through and win.

It was the talents of Cody Widner, who pounded out 17 tackles and recovered two fumbles, Marcus Allen, with 15 tackles, Daryl Douglas who punched out 10, Ray Dubbins with nine, and also Herman Allen, and Joey Brown that kept the Bulldog's in the game.

Colmesneil's Head Coach Mike Jacobs said that he would rather play Tannah, despite the fact that they have a better season record than Dawlin.

"We played them last year, and I think the boys would like to meet them again. It's a little disappointing losing the last two games of the season, if we had to lose two, I would have preferred losing them earlier on, but I'm proud of these boys making it into the play-offs."

JR Pittman shone for the offense more so than before, sharing the spotlight with Greg Bean and sophomore Ronnie Douglas.

Burkeville started out strong scoring with 8:32 left in the first quarter, with a four yard touchdown run by 'Spike'.

The extra point attempt was shut down, and the Bulldog's succeeded in holding the Burkeville team to a six point lead until seconds before the half, when Burkeville again scored.

Water having taken possession on the Bulldog's 53 yard line.

Freshman Daryl Douglas had saved the touchdown a few plays earlier on first down, when he stopped Burkeville's running back to Burkeville's one yard line. A penalty against Burkeville then moved it back to the six, Cody Widner, Greg Bean and Herman Allen sacked the Burkeville quarterback for a loss on the next play, but he found 'Spike' again, and Burkeville was up 12-0.

line, and on a second down and short four to go, the Bulldog's fumbled, and the momentum shifted, as the fourth quarter began.

Burkeville came back hot, scoring after a ten play, 85 yard drive. It was one fourth down and eight to go to the goal line, that Burkeville's quarterback hit #81 with a pass for the touchdown, on the same stat option play that cost them two points.

Burkeville's conversion just before the half.

Later in the third quarter, Marcus Allen, Bo Bandy, and Jack Jacobs shut down the Burkeville team when they were knocking from inside the five. Taking over on their own four yard line.

The Bulldog's were gaining ground until they again fumbled, turning possession over once again, this time on their own 35 yard line.

On first down the same stat play that hurt the Bulldog's before hit them again, with 'Spike' going again to the right where no one was home on the Bulldog secondary, for the final score of the night, Daryl Douglas

They had driven in to the 25 yard

prettily good chance, but the Wildcats came out tough in the second half.

They kicked off to the Warriors to open it up, and the Warriors were again on their way down the field when they had yet another pass picked off. Kirbyville took over and Allen scrambled for forty yards first down to the Warriors ten.

A penalty against the Wildcats moved it back out to the twenty, but Allen hit Kevin Nason with a bullet pass on the next play, and the Kirbyville team was up six more. A pass play conversion attempt failed.

Play swapped back and forth until late in the second quarter, when the Wildcats completed a 25 yard pass that brought them into the Warriors 20. On their first play, they again took the air, with another long pass, that was complete for another Wildcat Blucitt, for 65 yards and another touchdown.

With the score being a close 20-14 at the half the Warriors thought they had

Well they will be back next year, bigger and better, no doubt, but the presence of De Earnth Wyatt who helped the team, to have some defensive points, Jeremiah Barnes, with 93 def. pts, Jehan Jefferson with 83, and course Bo Jewell, will be sorely missed.

Speaking of sore, that could probably describe the Jackets after last Friday night's game in Apple Springs, where they were defeated 41-0. Coach Steve Park said that "They were just a tough team, they were very good, and we weren't". He was quick to add, "but we're young, and we're gonna come back out strong next year."

Well they will be back next year, bigger and better, no doubt, but the presence of De Earnth Wyatt who helped the team, to have some defensive points, Jeremiah Barnes, with 93 def. pts, Jehan Jefferson with 83, and course Bo Jewell, will be sorely missed.

Warren Warriors close season with good showing

By Cathy Allen Sports Writer

WARREN - The final football game for the Warren Warriors this season turned out to be their best offensive tally for the year, but was still just enough for the game to be called a competition, with the Kirbyville Wildcats being the victors in a 47-20 match.

Steve Mitchell had a great final game of High School football, carrying the ball 17 times for 134 yards, John Ferguson closes out his H.S. football career with 18 carries for 71 yards in this game, while Chris Renfro was also effective in moving the ball, carrying nine times for 50 yards.

The game started out hot and was alive with action when the Wildcats moved quickly down the field, being helped along by two big pass plays, one for 20 and the other for 27 yards, that brought them in to the Warriors three yard line. They brought in the first score of the game from Warren, and drove down to the Warriors thirty, but then they threw a pass that the Kirbyville team managed to pick off.

The Kirbyville team began to march back to Warren turf, but Chris Renfro answered their interception by picking off one of their pass plays, but an incompletion was blown by one of the refs brought his 96 yard touchdown run back, and unfortunately for the Warriors put momentum back on the Wildcats side.

The Warriors managed to hold them though, dropping them for losses, and eventually forced them to punt. The Warriors took possession deep in their own territory, and were driving again well until the Wildcats again intercepted a Warren pass, this time in mid-field.

The Warriors again managed to hold them and soon were on the march once again. Twelve plays brought them slowly down the field, the Warriors being patient to take what they could get, soon found themselves at the Wildcats ten yard line.

Share Moses completed a nine yard pass to Colby Rodriguez, which was brought down at the one. Charles Stevens plowed a hole for Renfro on the next play, who followed him in for the Warriors, first touchdown in quite a while. The Warriors were on the next play, and the Kirbyville team was up six more. A pass play conversion attempt failed.

Play swapped back and forth until late in the second quarter, when the Wildcats completed a 25 yard pass that brought them into the Warriors 20. On their first play, they again took the air, with another long pass, that was complete for another Wildcat Blucitt, for 65 yards and another touchdown.

With the score being a close 20-14 at the half the Warriors thought they had

Upset in Woodville closes high school football season

By Cathy Allen Sports Writer

WOODVILLE - The Woodville Eagles closed their season last Friday night with frustration, losing to the Orangefield Bobcats who were led by Anthony Schiller to score three of the Bobcats four touchdowns in a 29-12 rout over the Eagles.

"Well, the season didn't go quite the way we had wanted it too, but we've got a lot of players returning next year, and we'll be ready," said Woodville's Head Coach Craig McGallion.

Larry Thomas and Aubrey Jackson as well as Juan Mitchell and sophomore Gerrod Betts have had a tremendous year, despite Woodville's not having made it to the play-offs.

Larry Thomas completed 56 of 136 passes and tallied out at 1352 yards for the season, with 14 touchdowns, while Aubrey Jackson threw the ball 153 times and tallied out at 1143 yards, and 18 TDs. Both players have provided Woodville Eagles fans with a lot of excitement and thrills with the up and down of this season, and will be missed next season.

Juan Mitchell will be back next year, and we'll look for a lot more from him. This season he received 21 passes and reached for 648 yards for the season, and brought in six Eagle touchdowns.

Serrod Betts is another one we'll be looking to see a lot more of, for the next two seasons Woodville Eagle fans can look forward to Gerrod Betts being on the mark as he received 18 passes for 414 yards and two touchdowns in this, his sophomore year.

Last Friday night was kind of a disappointing send off for the boys as an upset resulted with the Orangefield Bobcats coming out victorious over the Eagles, in a game that was plagued by penalties against the Eagles.

Play action started off slow, and neither team had scored until three minutes before the half, when Orangefield scored on a six yard pass. A kick later and Orangefield was up 7-0. The Eagles retaliation attempt was shut down as they ushered in the half.

The Bobcats came out fired up at the onset of the second half, taking only two minutes to score this time on a seven yard run, with the kick again good, putting the Bobcats up 14-0.

The Eagles "mounded up" to retaliate, finally managing to drive to the

Bobcat's one yard line, from where Aubrey Jackson brought in the first Woodville score, with 2:34 left in the third quarter. The kick for the extra point was no good.

The Eagles were hot now and were soon at the Bobcat's one yard line again. This time it was Allen Adams who brought in the Eagle touchdowns, and the attempt for two more failed, leaving the Eagles with 12 bare points, which would be all they'd scrape out on this final night of play.

The Evadale Bobcats scored twice in the fourth quarter, both times on ten yard runs by #23, giving them the final victory of 29-12.

YARDSTICK Woodville Orangefield

Upset in Woodville closes high school football season

By Cathy Allen Sports Writer

WOODVILLE - The Woodville Eagles closed their season last Friday night with frustration, losing to the Orangefield Bobcats who were led by Anthony Schiller to score three of the Bobcats four touchdowns in a 29-12 rout over the Eagles.

"Well, the season didn't go quite the way we had wanted it too, but we've got a lot of players returning next year, and we'll be ready," said Woodville's Head Coach Craig McGallion.

Larry Thomas and Aubrey Jackson as well as Juan Mitchell and sophomore Gerrod Betts have had a tremendous year, despite Woodville's not having made it to the play-offs.

Larry Thomas completed 56 of 136 passes and tallied out at 1352 yards for the season, with 14 touchdowns, while Aubrey Jackson threw the ball 153 times and tallied out at 1143 yards, and 18 TDs. Both players have provided Woodville Eagles fans with a lot of excitement and thrills with the up and down of this season, and will be missed next season.

Juan Mitchell will be back next year, and we'll look for a lot more from him. This season he received 21 passes and reached for 648 yards for the season, and brought in six Eagle touchdowns.

Serrod Betts is another one we'll be looking to see a lot more of, for the next two seasons Woodville Eagle fans can look forward to Gerrod Betts being on the mark as he received 18 passes for 414 yards and two touchdowns in this, his sophomore year.

Last Friday night was kind of a disappointing send off for the boys as an upset resulted with the Orangefield Bobcats coming out victorious over the Eagles, in a game that was plagued by penalties against the Eagles.

Play action started off slow, and neither team had scored until three minutes before the half, when Orangefield scored on a six yard pass. A kick later and Orangefield was up 7-0. The Eagles retaliation attempt was shut down as they ushered in the half.

The Bobcats came out fired up at the onset of the second half, taking only two minutes to score this time on a seven yard run, with the kick again good, putting the Bobcats up 14-0.

The Eagles "mounded up" to retaliate, finally managing to drive to the

Bobcat's one yard line, from where Aubrey Jackson brought in the first Woodville score, with 2:34 left in the third quarter. The kick for the extra point was no good.

The Eagles were hot now and were soon at the Bobcat's one yard line again. This time it was Allen Adams who brought in the Eagle touchdowns, and the attempt for two more failed, leaving the Eagles with 12 bare points, which would be all they'd scrape out on this final night of play.

The Evadale Bobcats scored twice in the fourth quarter, both times on ten yard runs by #23, giving them the final victory of 29-12.

Warren Warriors close season with good showing

By Cathy Allen Sports Writer

WARREN - The final football game for the Warren Warriors this season turned out to be their best offensive tally for the year, but was still just enough for the game to be called a competition, with the Kirbyville Wildcats being the victors in a 47-20 match.

Steve Mitchell had a great final game of High School football, carrying the ball 17 times for 134 yards, John Ferguson closes out his H.S. football career with 18 carries for 71 yards in this game, while Chris Renfro was also effective in moving the ball, carrying nine times for 50 yards.

The game started out hot and was alive with action when the Wildcats moved quickly down the field, being helped along by two big pass plays, one for 20 and the other for 27 yards, that brought them in to the Warriors three yard line. They brought in the first score of the game from Warren, and drove down to the Warriors thirty, but then they threw a pass that the Kirbyville team managed to pick off.

The Kirbyville team began to march back to Warren turf, but Chris Renfro answered their interception by picking off one of their pass plays, but an incompletion was blown by one of the refs brought his 96 yard touchdown run back, and unfortunately for the Warriors put momentum back on the Wildcats side.

The Warriors managed to hold them though, dropping them for losses, and eventually forced them to punt. The Warriors took possession deep in their own territory, and were driving again well until the Wildcats again intercepted a Warren pass, this time in mid-field.

The Warriors again managed to hold them and soon were on the march once again. Twelve plays brought them slowly down the field, the Warriors being patient to take what they could get, soon found themselves at the Wildcats ten yard line.

Share Moses completed a nine yard pass to Colby Rodriguez, which was brought down at the one. Charles Stevens plowed a hole for Renfro on the next play, who followed him in for the Warriors, first touchdown in quite a while. The Warriors were on the next play, and the Kirbyville team was up six more. A pass play conversion attempt failed.

Play swapped back and forth until late in the second quarter, when the Wildcats completed a 25 yard pass that brought them into the Warriors 20. On their first play, they again took the air, with another long pass, that was complete for another Wildcat Blucitt, for 65 yards and another touchdown.

With the score being a close 20-14 at the half the Warriors thought they had

Well they will be back next year, bigger and better, no doubt, but the presence of De Earnth Wyatt who helped the team, to have some defensive points, Jeremiah Barnes, with 93 def. pts, Jehan Jefferson with 83, and course Bo Jewell, will be sorely missed.

Speaking of sore, that could probably describe the Jackets after last Friday night's game in Apple Springs, where they were defeated 41-0. Coach Steve Park said that "They were just a tough team, they were very good, and we weren't". He was quick to add, "but we're young, and we're gonna come back out strong next year."

Jasper soldier fights blazing National Forest

LIBBY, Mont. — A haze of smoke and ash combined with a steady stream of stampeding cattle, created an eerie setting along the rugged, densely wooded mountainside deep within the Kootenai National Forest. While flames rip wildly through almost impenetrable brush of a steep, rocky slope, the son of a Jasper man temporarily ignores the warnings and continues to dig a trench in the mountainside to impede the onrushing forest fire.

Jerry Teal of Jasper, is a member of the Fort Hood, Texas-based 1st Cavalry Division, battling to contain the recent growing 13,000 acres of blazing national forest fueled by hot, dry and windy conditions.

Scattered lightning and dry conditions of the hot summer months literally sparked fires in the west and north-west United States burning hundreds of thousands of forest acres. More than 18,000 civilian firefighters have been mobilized to protect the local populous and attempt to contain the rapidly growing blazes.

"We have thousands of trained firefighters that are activated for the normal season from across the nation," said Dave Lieberbach, the Idaho City Complex incident commander. "We have mobilized all of these crews and the fires have exceeded their capabilities. We have an agreement with the Army to mobilize forces during emergencies," added Lieberbach.

"With over 28 major forest fires burning in nine states this summer, over 2,000 U.S. Army soldiers from three different posts have come to aid the civilian firefighters in Idaho and Montana.

Tapping into a trainable, almost unlimited, deployable manpower resource such as the military, provides an easily obtainable force to tackle the task of fighting hundreds of thousands of burning acres. Being in the military, soldiers have to be ready to take on any given task with minimal notice.

"Being a soldier has conditioned my mind and body, and has helped me to tackle the pitfalls and dangers of this occupation," said Mitchell. "Accustomed to constant training for their war fighting duties, the dangerous mission of fire fighting required Mitchell and the other soldiers to learn new skills.

"We received five hours of classroom training and 16 hours of hands-on training where we learned to use the tools and various firefighting techniques.

Once trained to battle the fires, Mitchell and his fellow soldier firefighters were divided into 20-man teams. Traveling by bus, truck and helicopter, it can take 30 minutes to an hour and a half to get to a drop point, in addition to a lengthy hike through the mountainous terrain before they can even begin tackling the fires.

On a smaller scale, working in a hazardous environment such as this helps the military units better appreciate our help," said Mitchell. "With our help they have been able to cover more ground and put out more fires in a more timely manner than they could by themselves."

The civilian firefighters that we've come in contact with deeply appreciate our help," said Mitchell. "With our help they have been able to cover more ground and put out more fires in a more timely manner than they could by themselves."

This combined army of firefighters is supported by volunteers and contracted services organized by state and national forestry workers. Involved with this joint effort for 10 years, Lieberbach stated that this has been the smoothest running operation he has seen.

On a smaller scale, working in a hazardous environment such as this helps the military units better appreciate our help," said Mitchell. "With our help they have been able to cover more ground and put out more fires in a more timely manner than they could by themselves."

Public Notice

Southwestern Bell Telephone Company (SWBT) has filed an application with the Public Utility Commission of Texas (PUC) to restructure the current PLEXAR I and II service offerings. This restructure will significantly change PLEXAR I and II services.

The restructuring of PLEXAR I will, among other things: (1) reduce the maximum line size from 30 to 9; (2) obsolete and grandfather certain optional features; (3) eliminate the requirement to subscribe to Feature Package Two in order to subscribe to certain optional features; (4) reduce the nonrecurring and monthly rates of certain features; and (5) increase the nonrecurring charges for the PLEXAR I System Charge (\$2.10 to \$8.00), Call Transfer Disconnect feature (\$3.00 to \$8.00), and Convenience Dialing I feature (\$6.35 to \$8.00). All current PLEXAR I customers will have the option of keeping their current PLEXAR I service, switching to the new restructured PLEXAR I service, or switching to PLEXAR II service with ten or more lines.

The proposed PLEXAR II restructure will, among other things: (1) change the tariffed offering to serve the market segment of 10-74 stations; (2) create two station pricing structures, one for customers with 10-29 stations, and one for customers with 30-74 stations; (3) reduce the sensitivity for the loop portion of the rate to two price bands: 0-2 miles, and beyond 2 miles; (4) offer a PLEXAR II basic station that can be flexibly configured, from a number of standard features, to meet the individual customer requirements; (5) change the way the termination liability is calculated so the customer is responsible for 85% rather than 55% of the present worth of the remaining monthly payments in the contract; (6) create an option that allows month-to-month customers to convert to long term contracts of at least three years and receive a credit or "contract signing bonus"; and (7) establish a System Subsequent Change Charge which applies per surviving central office when changes are made that affect the entire system.

Current PLEXAR II customers will also have the option of keeping their current PLEXAR II service, or switching to the new restructured PLEXAR II service. PLEXAR II customers with at least 75 stations also have the option of switching to PLEXAR Custom service in certain situations.

This application has been assigned Docket Number 13210. Persons who wish to comment on this application should notify the Commission by November 28, 1994. Requests for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757, or you may call the PUC Public Information Office at (512) 458-0255, or (512) 458-0221 tele-typewriter for the deaf. For more information about this application, please call your local Southwestern Bell Account Representative.

Southwestern Bell Telephone

When you add a Southwestern Bell service to your phone, this becomes the receiver.

Help your school earn up to \$1,500 from Southwestern Bell Telephone to purchase software to fund fine arts programs to computer software to fund uniforms. Call 1-800-234-BELL and get that commitment in writing.

And finally, BBB spokesperson Carrie Hurt warns, "Consumers should not let a contractor talk them into 'saving money' by circumventing the law. Those who do not have all the required permits may find themselves paying a stiff fine, not to mention having to do a job all over again."

For more information on repairing or rebuilding after a disaster and to check company reports, call the Better Business Bureau of Southeast Texas at 835-5346.

To protect against property liens that may result if a primary contractor does not pay his subcontractors, add a release-of-lien clause to the contractor or place payments in escrow until the work is completed. Also, consumers should never sign a completion certificate unless they are satisfied with the work.

And finally, BBB spokesperson Carrie Hurt warns, "Consumers should not let a contractor talk them into 'saving money' by circumventing the law. Those who do not have all the required permits may find themselves paying a stiff fine, not to mention having to do a job all over again."
