# You are invited...

## To Become a Regular Subscriber To Your County Newspaper.

The Booster is the only newspaper published in Tyler County and we feel that it is our great responsibility to give you a county paper of which you can justly be proud.

New mechanical equipment on order will give your county paper one of the best equipped weekly plants in Southeast Texas.

However, until this this new equipment is delivered, we have to do the best we can with what we have.

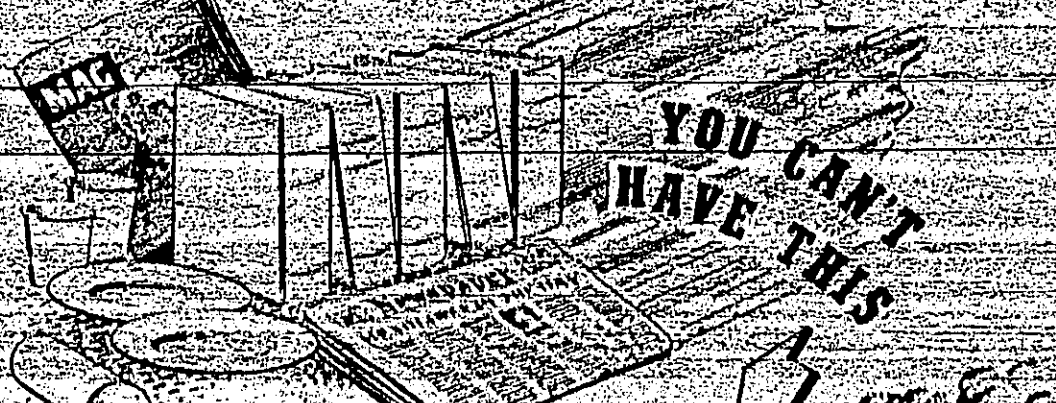

Your county paper now compares favorably with other community papers, but we plan to make it one of Texas' outstanding weeklies.

If you are not a subscriber, we invite you to join our family of readers. We believe you'll enjoy the Booster NOW, and we hope you'll like it even better in the future.

Mail your subscription to the Booster, Woodville, Texas or give it to your postmaster or mail carrier.

Subscription Rate: \$2 per year

## IF YOU ALLOW THIS

Plenty of paper is necessary for our way of life.

You can't have plenty of paper without plenty of trees. For most of our paper comes from wood.

America can grow all the trees it needs. It grows a given proper care and protection. The greatest hazard is fire, which destroys not only trees but the land on which they grow.

Most forest fires are caused by carelessness. More care with matches, cigarettes, campfires will stop most of these fires. They can be prevented by helping prevent forest fires.
